Seat Covers

Our seat covers for 55-57 Thunderbirds are top quality. Great care was taken to locate the correct grain vinyl so these seat covers would have a level of authenticity not seen before. All seat sets include covers for the cushion and the backrest, backrest hinge "Booties" and the wings that go between the edge of the backrest and the backrest cardboard. Covers are sewn and constructed to duplicate the original Thunderbird style in every possible way. **SEAT COVER EMBOSSING:** All 1956 and early 1957 Thunderbirds came from the factory with an emblem embossed in the center of the backrest. A Ford crest was featured on 1956 models. A Thunderbird logo was featured on the very early 1957 models. These embossings were discontinued during the 1957 model year. Visit our website for all color options.

55-57 **66-881996^A** **379.99** set

Hog Ring Pliers and Rings

We offer high quality hog rings and pliers for those who are skilled at installing their own seat covers. If you have never done this job before, we recommend that you take our premium seat cover sets to a professional trim installer for best results. Their many years of experience have taught them countless techniques for getting the proper fit without unnecessary wrinkles, sags, or other little imperfections.

Hog Ring Pliers

ALL Professional quality **66-55450^A** **27.99** ea.

Hog Rings

ALL 100 pieces **66-55449^A** **3.99** set

Seat Foam Sets

The key to a good looking, comfortable ride is your seat foam. New seat foam makes the installation of new seat covers easier, with a proper fit. If you are getting new seat covers, you should really consider new seat foams as well!

1955 Seat foam set, seat and backrest, contoured to original shape (shown) **66-56928^A** **289.99** set
 1956 Seat foam set, seat and backrest, contoured to original shape **66-56929^A** **275.99** set
 1957 Seat foam set, seat and backrest, contoured to original shape **66-56930^A** **289.99** set

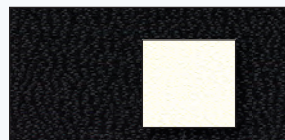

Cardboard Seat Backrest Panels

Our seat backrest panels listed below are covered with the correct colored vinyl and feature vinyl edge binding as original. Unsure of the color? Visit our website or order our 66-52943 Thunderbird upholstery color sample card, it's FREE!

Carpets

MAC's offers simply the finest carpets money can buy to complete your restored interior. MAC's premium carpet sets are made with the highest quality materials. Our 100% nylon loop carpets will last longer and resist fading better than the OEM carpets.

Features include: 7 factory colors to choose from, serge bound edges where original, color-keyed vinyl heel pad, pre-installed jute backing.

Because of the size of the carpet, additional shipping charges will be incurred.

TYPICAL CARPET

REMEMBER...

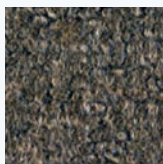

DO NOT remove your old carpet until you verify that your new one is correct

- | | | | |
|-------|---|-----------------------------|-------------------|
| 55-57 | Molded nylon carpet | 66-69733^A | 166.99 ea. |
| 55-57 | One yard of loop pile carpet in the color of your choice, 36" x 72" wide, sold by the yard | 66-43667^A | 143.99 ea. |

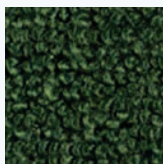

Sample Card

- | | | | |
|-------|--|-----------------------------|-------------|
| 55-57 | All colors currently available for Thunderbirds..... | 66-52943^A | FREE |
|-------|--|-----------------------------|-------------|

55-57 Thunderbird Carpet Colors

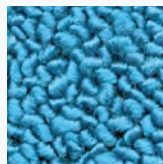

Brown #10

Green #45

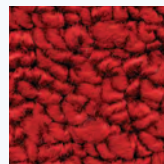

Black #11 or #61

Medium Blue #54

Medium Saddle #45 or #65

Red #12 or #62

Aqua #24 or #63

ProTip: Before you install your carpet, take it out of the shipping box and lay it in the sun for a few hours to let it "relax." It will become more pliable and a lot easier to work with!

Scuff Plates

- | | | | |
|-------|-------------------|-----------------------------|------------------|
| 55-57 | Right..... | 66-28064^A | 32.99 ea. |
| 55-57 | Left (shown)..... | 66-28065^A | 32.99 ea. |

Rubber Floor Mats

These rubber front floor mats feature Thunderbird scripts and bird logos. Available in Black, Red, Medium Blue and Willow Green.

- | | | | |
|-------|-------------------------------|------------------------------|------------------|
| 55-57 | Rubber front floor mats | 66-882208^A | 69.99 pr. |
|-------|-------------------------------|------------------------------|------------------|

Carpeted Floor Mats

Please specify color (on previous page) when ordering.

Using the same 100% nylon loop pile material and all of the same colors as our carpets, they'll match beautifully. The grip-lock, non-skid backing will keep them in place. Available with or without an embroidered logo. All colors available can be seen on previous page. Logo mats are NOT returnable.

- | | | | |
|-------|--|-----------------------------|-------------------|

Seat Belts

If you haven't already installed seat belts in your classic ride, we highly recommend it. Our universal style seat belts feature a chrome lift latch and are available in 14 colors to match almost any interior. Sold per passenger, each belt includes washers, bolts, nuts and basic instructions on how (but not where) to install. The 60" size is standard, or for a little extra breathing room order the 74" length. Visit our website for available colors. Note: Proper installation is at the risk and responsibility of the installer.

ALL 60" or 74" long (as required) **66-882055^A** **29.99** ea.

Seat Belt Retractors

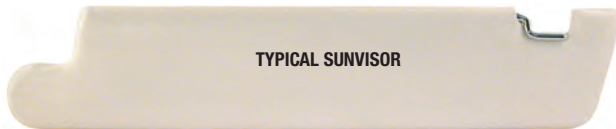

Want an easy way to keep your belts from falling out of the car and onto the ground, or getting tangled up in your legs? Simply clip on one of our retractors and your problem is solved. The next time you unbuckle your seat belt, the roller will take care of getting it out of the way neatly and quickly. This is a great solution to a common problem.

ALL Seat belt retractors, plastic **66-53006^A** **19.99** pr.
ALL Seat belt retractors, deluxe version, chrome plated steel **66-53029^A** **19.99** ea.

Sun Visors

Now you can get rid of those faded and cracked sun visors. These original-style sun visors are the best ever! They are constructed of vinyl that is color-matched to go with our upholstery. Order our new reproduction visors today and "finish off" your interior project. Check out our website for available colors.

56-57 Sun Visors **66-882014^A** **176.99** pr.

56-57 Insert, for striker plate..... **66-30403^Δ** **17.99** ea.

Door Hinge Parts

55-57 Hinge pin, cut to fit (4 required)..... **66-31237^Δ** **3.99** ea.

55-57 Bushing, for above hinge pin (8 required)..... **66-35123^Δ** **0.95** ea.

55-57 Check strap, cadmium plated (2 required)..... **66-27318^Δ** **11.99** ea.

55-57 Check strap pin, includes clip (2 required)..... **66-17406^Δ** **6.99** ea.

Inside Door Handle Shaft Assembly

If you can move your inside door handle without unlatching the door, the door handle shaft might be the culprit. 60 years of use takes a toll on the splined shaft and once they're worn, there is no way to repair them. We have a complete assembly to replace your worn out original.

55-57 Left (shown)..... **66-28099^Δ** **54.99** ea.

55-57 Right..... **66-28098^Δ** **54.99** ea.

Inside Door Handle Shaft Assembly Return Spring (2 required)

55-57 Inside door handle shaft assembly return spring..... **66-19448^Δ** **7.99** ea.

Inside Door Handles (2 required)

55-56 Inside door handle, chrome, includes "C" clip..... **66-27311^Δ** **23.99** ea.

1957 Inside door handle, chrome, includes "C" clip..... **66-44308^Δ** **24.99** ea.

Window Cranks (2 required)

55-56 Window crank handle, chrome, with black knob, includes "C" clip..... **66-27315^Δ** **33.99** ea.

55-56 Knob only, black..... **66-12328^Δ** **7.49** ea.

1957 Window crank handle, chrome, with black knob, includes "C" clip..... **66-29883^Δ** **30.99** ea.

1957 Knob only, black..... **66-29885^Δ** **7.49** ea.

"C" Clip and Tools

55-57 "C" clip, holds window crank handles and door handles on (as required)..... **66-14294^Δ** **0.99** ea.

55-56	Trunk hinge spring	66-28202^A	19.99 ea.
1957	Trunk hinge spring	66-30429^A	8.99 ea.

Trunk Mats

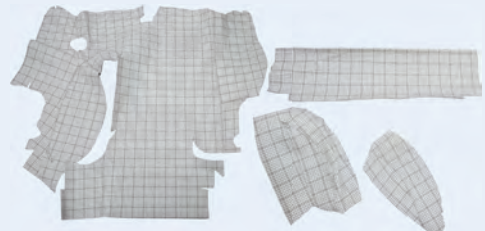

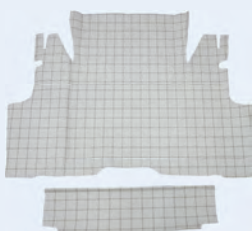

We offer trunk mats in several different materials. O.E.M.-style rubber mats are available, as well as fleece-backed vinyl and Burtex. You make the choice. Going for authenticity—order the rubber mat, that's what the car came from the factory with. We also have the easy to clean fleece backed vinyl. While not original, many cars have that style trunk mat today. It looks great, fits right and is very reasonably priced. Burtex is the king of the hill. It wasn't used until June of 1956 and then throughout 1957.

1956	Rubber, includes hanging curtain.....	66-29332^A	399.99 ea.
------	---------------------------------------	-----------------------------	-------------------

1956	Plaid fleece backed vinyl will also fit 1955, but it is not correct, includes hanging curtain	66-29330^A	69.99 ea.
1957	Plaid fleece backed vinyl, includes 2 wheelhouse covers and hanging curtain	66-30421^A	83.99 ea.

1955	Burtex, not original for 1955.....	66-28139^A	107.99 ea.
1956	Burtex, original from June of 1956 on	66-29331^A	107.99 ea.
1957	Burtex.....	66-30422^A	165.99 ea.

Spare Wheel Clamp

1955 **66-38105^A** **3.99** ea.

Spare Tire Hold-Down Bolt

There were both 5" and 6" spare tire/wheel hold down bolts used in 1957. The 5" versions are fine if you have a smaller spare tire. Since these bolts are prominent in the trunk a nice new one looks great. We also offer the large wing-nuts in both driver quality and very correct reproduction.

1957 **66-359944^A** **19.99** ea.

Spare Wheel "J" Hook

1955 Replacement type **66-26979^A** **3.99** ea.

Spare Wheel Wing Nuts

1955 Replacement type **66-31336^A** **11.99** ea.

1955 Original size and shape **66-26468^A** **21.99** ea.
 1957 Replacement type **66-31336^A** **11.99** ea.
 1957 Original size and shape **66-26468^A** **21.99** ea.

Under Hood or Trunk Light

This reproduction of the popular Ford accessory from the sixties can be mounted under the hood or trunk lid. Lifting the hood or trunk activates the mercury switch. Complete with housing, wiring and bulb, it's a snap to install! Simply switch to a 6 volt bulb for the 1955 T-Bird.

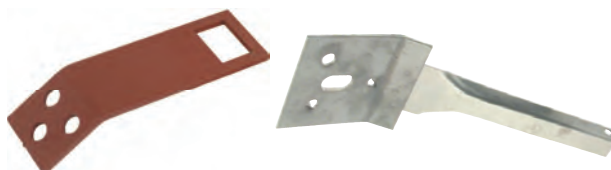

55-57 **66-34793^A** **28.99** ea.

Spare Wheel Hold Down Brackets

1955 Spare wheel bolt bracket, this welds to the trunk floor..... **66-27728^A** **11.99** ea.

1955 Spare wheel support, this welds to the trunk floor..... **66-27730^A** **9.99** ea.

55-56 Jack strap retainer bracket, this welds to the trunk floor..... **66-27731^A** **6.99** ea.

1957 Spare wheel mounting plate..... **66-30273^A** **33.99** ea.

Wheel Cover Tool

This tool is a must have for removing the wheel cover from the continental kit.

1956 **66-27735^A** **11.99** kit

Jack Strap

55-57 Jack hold-down strap..... **66-27028^A** **15.99** ea.

Dash Pads

Made to the highest standards, each dash pad features the correct grain vinyl and has all the factory ribs molded right in, as well as an indent for the speaker grille. Visit our website for available colors.

55-57 Dash pad **66-882026^A** **481.99** ea.

Right Dash Pad Finish Panel

55-57 Finish panel, at end of dash, right..... **66-28050^A** **17.99** ea.

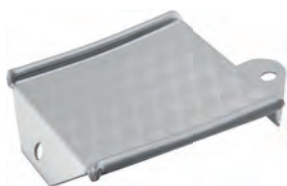

Dash Trim

Kits

- 55-56 Engine turned aluminum, 4 pieces **66-27697^Δ** **299.99** kit
- 1957 Engine turned aluminum, 5 pieces, includes instrument gauge cluster piece **66-30229^Δ** **457.99** kit

Individual Pieces

- 55-57 Right end **66-28052^Δ** **54.99** ea.

- 1957 Left end **66-30388^Δ** **57.99** ea.

- 55-57 Glove box door cover **66-28056^Δ** **118.99** ea.

Dash Nameplate and Emblem

- 55-56 Dash nameplate, "Thunderbird", very early production 1955s had this mounted on the ashtray door, 1956 models with optional dash pad did not use this nameplate **66-28054^Δ** **28.99** ea.

- 55-56 Dash emblem, Y-block "V8" engine logo, attaches to glovebox aluminum trim **66-28703^Δ** **18.99** ea.

Dash Gauge Lenses

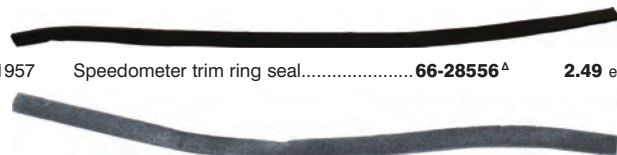

- 1957 Large gauge lens, for speedometer **66-30231^Δ** **5.99** ea.
- 1957 Small gauge lens, for fuel, tachometer and water temperature (3 required) **66-30232^Δ** **5.99** ea.

Dash Gauge Lens Seals

- 1957 Kit, 5 pieces, includes trim ring seals for the speedometer and the 4 smaller gauges **66-28557^Δ** **7.99** kit

- 1957 Speedometer trim ring seal **66-28556^Δ** **2.49** ea.

- 1957 Small gauge trim ring seal (4 required) **66-30307^Δ** **1.99** ea.

Dash Gauge Trim Rings

- 1957 Set, 5 pieces, includes trim rings for the speedometer, the clock and the 3 gauges **66-28481^Δ** **78.99** set

- 1957 Speedometer trim ring **66-28479^Δ** **24.99** ea.
- 1957 Clock trim ring **66-30294^Δ** **15.99** ea.
- 1957 Small gauge trim ring (3 required) **66-28480^Δ** **13.99** ea.

Clock Faces

-------	--------------	-----------------------------	------------------

Body Rubber Kits

With that shiny new paint job on your T-Bird, you will want to replace the rubber parts. More than 60 years of use have probably taken their toll. These kits contain the hood to cowl seal, door seals, dog leg seals, door pillar seals, A-pillar seals, the antenna base grommet, belt weatherstripping, door handle pads, skirt seals, trunk lid seal, trunk lid bumpers, trunk lock cylinder pad and the gas door bumpers. The '55 and '56 have the gas filler neck grommet and both the '56 and '57 have hood bumpers and the vent door seals.

- 56-57 Front fender splash shield, left lower rear, see illustration F.....**66-29211^A** **44.99** ea.
- 56-57 Front fender splash shield, right lower rear**66-29210^A** **44.99** ea.
- 56-57 Weatherstripping, includes staples to install, for lower rear splash shields listed above, see illustration G.....**66-27834^A** **7.99** pr.
- 56-57 Front fender splash shield, rear upper, right or left (2 required), see illustration H.....**66-29402^A** **6.99** ea.
- 56-57 Retainer strap, holds 66-29402 upper splash shield to lower splash shield (2 required), see illustration J.....**66-29403^A** **3.99** ea.

Correct for 1955:

The tops have sewn-in-back windows that cannot be opened, as original.

Correct for 1956-57:

The tops have a straight zipper across the top of the back window, with flaps on both sides of the window, as original.

**Unsure of the color? Order
Thunderbird Upholstery Color Sample
Card, 1955-57, it's free!**

Convertible Top Materials and Colors:

Tops are available in 32-36 oz. vinyl or "Stay-Fast" canvas. Tops are available with a black or white outside and black or tan inside. These tops feature a 5-year warranty*. The materials available are listed below. The outer color is listed first and the inner color is listed second.

- Black/Black Vinyl #CV11
- Black/Black "Stay-fast" #CV13
- White/Black Vinyl #CV12
- Black/Tan "Stay-fast" #CV14

**Because of the difficulty of installation, the warranty is void if the top is not professionally installed.*

Soft Tops

Our top kits include the top covering, rear window, wire-on trim strips, tips and screws, windlace strips and tension pad strips. They do not include rear window straps or bow cover material. Outer color is listed first and the inner color is listed second.

For complete soft top weatherstripping kits and individual pieces, see our weatherstripping section.

Hardtop Rolling Adjustable Carrier

This lightweight yet strong carrier is made of powder coated steel tubing. It has heavy duty casters and padded rests to ensure there is no damage to your hardtop. It is suitable for repeated use or long-term storage. There is even a strap to ensure the hardtop stays on the cart. When not in use it can be folded flat for easy storage. This is something no removable hardtop owner should be without!

Fenders Patch Panels

The fender bottom rear patch panel, below, repairs the area from the outer rocker 28" forward and is 10-1/4" high. On 1956-57 models it fits just below the vent door. This panel is flanged at the door opening and has a mounting plate for the fender bracket.

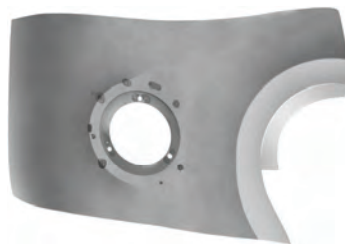

- 55-57 Fender bottom rear patch panel, right, see illustration (U) **66-27826^A** **59.99** ea.
 55-57 Fender bottom rear patch panel, left, see illustration (U) **66-27825^A** **58.99** ea.

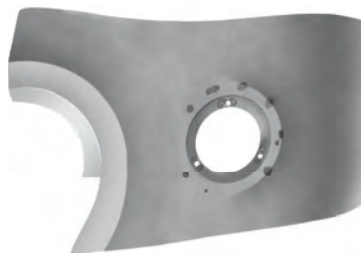

The fender panel section, below, repairs the fender from the rear, approximately 22-1/2" forward from the door. It goes to the top crease and includes the lip where the panel meets the door.

- 1955 Fender panel section, right, see illustration (V) **66-27828^A** **299.99** ea.
 1955 Fender panel section, left, see illustration (V) **66-27827^A** **255.99** ea.
 56-57 Fender panel section, right, see illustration (V) **66-29209^A** **324.99** ea.

The lower front fender panel fits at the bottom of the front fender behind the bumper mounted parking light (below the headlight).

- 55-56 Lower front fender repair panel, right **66-27749^A** **94.99** ea.

- 55-56 Lower front fender repair panel, left **66-27748^A** **94.99** ea.

- 1957 Lower front fender repair panel, right, see illustration (X) **66-30252^A** **129.99** ea.
 1957 Lower front fender repair panel, left, see illustration (X) (not shown) **66-30251^A** **129.99** ea.

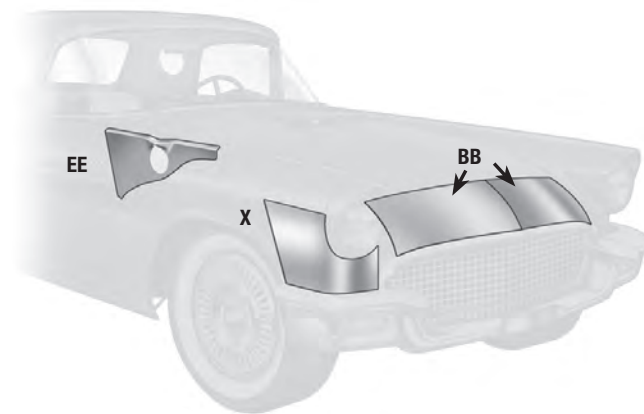

Left Fender Splash Shield

- 55-57 Left front, lower bolts to fender next to frame.....**66-27833^A** **15.99** ea.

Nose Panels

- 55-57 Nose panel reinforcement**66-28271^A** **169.99** ea.
55-57 See illustration (BB)**66-28268^A** **394.99** ea.

Fender Aprons

The fender apron repairs the front fender apron area next to the battery box on the left side and next to the heater duct on the right side.

- 55-57 Fender apron, right, see illustration (EE)**66-27831^A** **129.99** ea.
55-57 Fender apron, left, see illustration (EE)**66-27830^A** **137.99** ea.

Radiator Side Deflectors

Until now, these were only available in fiberglass. Now you can have 20 gauge steel panels ready to be welded into place.

- 55-57 Right.....**66-28258^A** **299.99** ea.
55-57 Left.....**66-30460^A** **299.99** ea.

Rocker Panels

The inner rocker panels, below, replace the area inside the outer rocker panel, from the rear wheel well opening to the bottom of the door post. These panels weld to the floorpan and the floor braces.

- 55-57 Inner, right (shown)**66-27713^A** **59.99** ea.
55-57 Inner, left.....**66-27711^A** **59.99** ea.

The outer rocker panels, below, run from the fender to the quarter panel. These panels have the correct curves at the outside and include the original type drain holes.

- 55-57 Outer, right, see illustration (J) (shown)**66-27756^A** **74.99** ea.
55-57 Outer, left, see illustration (J)**66-27754^A** **74.99** ea.
55-57 Outer, left, economy version.....**66-27755^A** **44.99** ea.

Kick Panels

Lower 7-1/2" below vent door opening.

- 55-57 Right.....**66-27690^A** **79.99** ea.
55-57 Left.....**66-27689^A** **79.99** ea.

Door Skins and Door Posts

The door posts, below, repair the area of the door that is behind the fender.

- 55-57 Door post, full height, right**66-27696^A** **108.99** ea.
55-57 Door post, full height, left.....**66-27695^A** **108.99** ea.
55-57 Door skin repair panel, right**66-27929^A** **229.99** ea.
55-57 Door skin repair panel, left.....**66-27928^A** **229.99** ea.

Rusty body panels? No problem! Replacement panels are made specifically to repair the originals on your classic Ford. Each panel is made using a minimum of 20-gauge coated automotive steel and is made specifically for your model year and application. It makes repairing a rusty or damaged panel easy and requires minimal installation time. We are a leading supplier of sheet metal patch panels, so count on MAC's for all your classic T-Bird needs.

55-57 Right.....**66-95013^A** **49.99** ea.

Floor Sheet Metal

Front Floor Pans

The front floor pan below replaces the area under the driver's and passenger's feet. These panels run from the inner rocker to the bottom of the transmission tunnel and back 22-1/2" from the factory seam at the base of the firewall. All grooves are stamped in the proper places. These panels are stamped from 19 gauge steel.

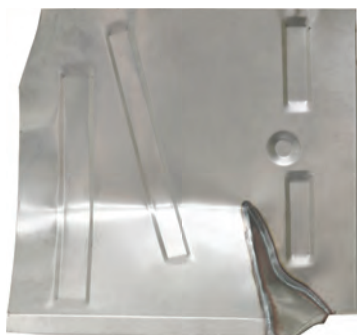

55-57	Left.....	66-27715^A	155.99 ea.
55-57	Right.....	66-27716^A	155.99 ea.

Rear Floor Plans

Stamped from 19 gauge steel.

55-57	Left.....	66-27717^A	118.99 ea.
-------	-----------	-----------------------------	-------------------

55-57	Right.....	66-27719^A	118.99 ea.
-------	------------	-----------------------------	-------------------

Firewall Sections (Toe Boards)

The firewall sections below replace the area from the bottom of the firewall, where they meet the floorpan, up 10" and from the transmission tunnel to the inner fender apron. All the grooves are stamped in the proper place.

55-56	Left.....	66-27709^A	86.99 ea.
55-57	Right.....	66-27710^A	90.99 ea.
1957	Left (not shown).....	66-30234^A	95.99 ea.

Floor Braces (2 required)

The floor braces below are welded to the inner rocker panel and the floorpan. They are each stamped from one piece of steel.

55-57	Front.....	66-27721^A	57.99 ea.
55-57	Center.....	66-27723^A	57.99 ea.
55-57	Rear.....	66-27724^A	51.99 ea.
55-57	Set, includes 2 front, 2 center and 2 rear floor braces	66-27722^A	299.99 set

Center Floor Sections

The center floor sections below repair the floor pan between the front and rear floor repair panels, just under the seats. Panels measure 6" x 23" and are stamped from 19 gauge steel.

55-57	Right (shown).....	66-27726^A	82.99 ea.
55-57	Left.....	66-27725^A	82.99 ea.

Floor and Cowl Plug Sets

Outside Rear-View Mirrors

All of the mirrors listed below are finished the same way. The bases, including the neck, are chrome plated and the mirror heads are stainless steel. The 1955 design was unique in that only one screw head showed. There is a second screw holding the mirror onto the door, but it is screwed in from underneath. To gain access to it, you have to remove your door panel. This changed in 1956, when both of the screws were attached from the outside of the door. We offer two versions of these mirrors. One is very economical, but it does not include a base gasket or the screws necessary to attach the mirror to your car. The other version is "concores correct." It features the "FoMoCo" logo on the side of the base, the attaching hardware and a rubber, beaded edge base gasket.

- 1955 One-hole type..... **66-27557^A** **44.99** ea.
 1955 Hardware kit, includes
 2 screws, for 66-27557
 and 66-27059 (1 required)..... **66-12663^A** **2.99** kit

- 56-57 Two-hole type..... **66-27558^A** **48.99** ea.

 2 screws, for 66-27558 and
 66-27060 (2 required)..... **66-12663^A** **2.99** kit

- 1955 One-hole type, concores quality with
 "FoMoCo" cast into base, base
 gasket included..... **66-27059^A** **96.99** ea.

- 56-57 Two-hole type, concores quality with
 "FoMoCo" cast into base, base
 gasket included..... **66-27060^A** **79.79** ea.

Outside Rear-View Mirror Base Gaskets

Believe it or not, in the mid-fifties, even factory installed mirrors did not use a base gasket. MAC's offers two styles of gasket for these mirrors. The paper gasket will protect your paint, but is the same size as the base, so it can't be seen. The rubber gasket offers better protection and has a beaded edge to keep it in place. The only downside is that you will be able to see it.

- 55-57 Paper, made for 2-hole mount, but
 fits 1-hole mount if you cut hole
 for mounting..... **66-26724^A** **2.49** ea.
 55-57 Molded rubber, made for 2-hole
 mount, but fits 1-hole mount if
 you cut hole for mounting..... **66-27052^A** **8.99** ea.

| 55-57 | Jet to body seals | 66-27877^Δ | 0.99 pr. |

The windshield wiper system on any car works pretty hard during its lifetime, unless you live in an arid climate. Even then, sunlight and heat are hard on various components. Over many years wiper motors drag the wipers and related transmission components back and forth across the big windshield in every kind of weather. Snow loads are especially hard on wiper motors. Wiper blades are subject to temperature extremes and excessive wear. Wiper arms lose their spring tension, which allows the blade to skip over the glass, even with fresh rubber refills. Then there is the washer system, with the washer pump, hoses, connectors, brackets, reservoir bag and other components. Keep your Thunderbird's windshield wiper system in top working order with top quality replacement parts from MAC's.

Windshield Wiper Motor Conversion Kit

Convert your old vacuum wipers to electric (12-volt systems only). This conversion kit has been designed and tested for proper operation, with no modifications to be made. The whole assembly bolts on where your old wiper motor mounted. Your old cable-type switch is replaced with an electric two-speed switch, included in the kit. Complete detailed instructions and schematic diagrams included!

If your '55 has been converted to 12 volts, this kit will work perfectly!

56-57	Clear, right or left.....	66-29137 ^A	19.99 ea.
56-57	Tinted, right or left	66-29138 ^A	19.99 ea.

Windwing Frame (2 required)

56-57	Fits right or left.....	66-29288 ^A	44.99 ea.
-------	-------------------------	-----------------------	-----------

Windwing Hinges and Bushings

56-57	Hinge, upper, right, with rivets (shown)	66-29293 ^A	19.99 ea.
56-57	Hinge, upper, left, with rivets	66-29294 ^A	22.99 ea.
56-57	Hinge, lower, right, without hardware (shown).....	66-29295 ^A	22.99 ea.
56-57	Hinge, lower, left, without hardware.....	66-29296 ^A	22.99 ea.

56-57	Hinge bushing (2 required)	66-29297 ^A	3.99 ea.
56-57	Hinge bushing and screw set (2 required)	66-29298 ^A	15.99 set

Door Glass (2 required)

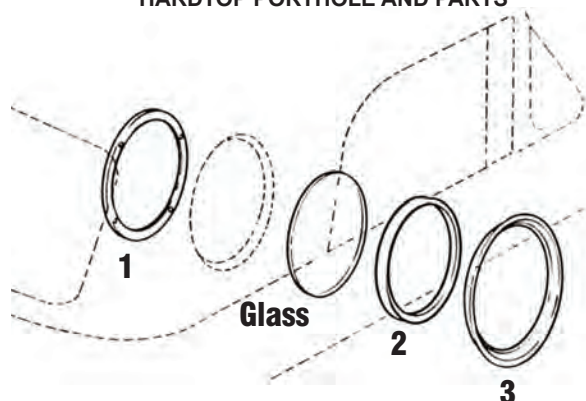

55-57	Clear, right or left, with "FoMoCo" logo 	66-28088 ^A	39.99 ea.
55-57	Tinted, right or left, with "FoMoCo" logo 	66-28089 ^A	40.99 ea.

Hardtop Rear Glass

MAC's is pleased to offer you the widest and best selection of glass parts for your classic Thunderbird! don't let that little hairline crack turn into an ugly and dangerous situation down the road.

55-57	Clear 	66-73624 ^A	299.99 ea.
55-57	Green tint 	66-73625 ^A	299.99 ea.
55-57	Gray tint 	66-73626 ^A	316.99 ea.

1956-1957 HARDTOP PORTHOLE AND PARTS

Porthole Installation Kits

Porthole kits include inside and outside rings, rubber seals, clear or tinted glass with "FoMoCo" logo, spacers, 4 bow headliner in white or bone, template and instructions. Hardware is not included. To purchase the hardware kit, see the last item in this listing. Individual kit components are listed after these kits.

56-57	Clear, with "FoMoCo" logo, includes bone headliner.....	66-29323 ^A	267.99 kit
56-57	Tinted, with "FoMoCo" logo, includes bone headliner.....	66-29324 ^A	272.99 kit
56-57	Clear, with "FoMoCo" logo, includes white headliner	66-29326 ^A	280.99 kit
56-57	Tinted, with "FoMoCo" logo, includes white headliner	66-29327 ^A	259.99 kit
56-57	Porthole rings to hard top hardware kit, 8 pieces, 1 kit does both sides	66-29325 ^A	5.99 kit

Porthole Glass (2 required)

56-57	Tinted, right or left, with "FoMoCo" bug.....	66-29321 ^A	19.99 ea.
-------	---	-----------------------	-----------

Inside Porthole Rings

56-57	Chrome (1 in illustration).....	66-29319 ^A	51.99 pr.
-------	---------------------------------	-----------------------	-----------

Porthole Glass Seal (2 required)

56-57	Rubber (2 in illustration).....	66-29322 ^A	8.99 ea.
-------	---------------------------------	-----------------------	----------

Outside Porthole Rings

56-57	Chrome (3 in illustration).....	66-29328 ^A	69.99 pr.
-------	---------------------------------	-----------------------	-----------

GASKET SET CONTENTS:

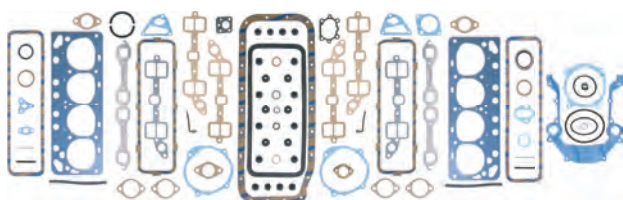

HEAD SET: Contains all necessary gaskets and seals required to remove and replace the cylinder heads and to grind the valves. Does not contain carburetor, carburetor PCV adapter block or large tin "bathtub" intake manifold gaskets.

VALVE COVER SET: Contains valve cover gaskets and any necessary seals or grommets required for installation.

TIMING COVER SET: Contains all gaskets and all seals needed for removal and replacement of the timing cover. Will contain oil pan gasket replacement ends if the oil pan gasket must be replaced for a proper installation.

REAR MAIN SEAL SET: Contains rear main bearing seal and any attaching part gaskets or side seals.

OIL PAN GASKET: Contains oil pan gasket(s), oil drain plug gasket and oil pick-up tube gasket if required for removal and replacement of oil pan.

Gasket Sets**292 and 312 V8**

Engine Hardware Kit

You carefully painted the engine block, the water pump, the valve covers and now you are going to bolt everything together with hardware that will start to rust almost immediately? All that hard work deserves a reward, so reward yourself with our engine hardware kit. It has every nut, bolt and washer you'll ever need and every bit of it is crafted from rust free stainless steel for good looks today, tomorrow and well into the future.

Kit contains hardware for the oil pan, timing chain cover, water pump, thermostat housing, intake manifold and the valve covers.

Sealers

- | | | | |
|-----|---|------------------------------|------------------|
| ALL | Head gasket sealant, fills in small scratches and imperfections, eliminates hot spots and prevents seizing of connections and fittings, resists heat up to 525°, use on exhaust manifolds, cylinder head gaskets and carb base gaskets, 9 oz. spray can | 66-52355^{A*} | 14.99 ea. |
|-----|---|------------------------------|------------------|

- | | | | |
|-----|---|-----------------------------|-----------------|
| ALL | Permatex "Form-a-Gasket", silicone, replaces almost any cut gasket, 3 oz. tube..... | 66-52364^A | 5.99 ea. |
|-----|---|-----------------------------|-----------------|

- | | | | |
|-----|---|------------------------------|-----------------|
| ALL | All-purpose gasket sealant, this is a general-purpose gasket maker and sealant. It works well with cork and paper gaskets, locking out fuel, anti-freeze and oil, 4 oz. can with brush in lid | 66-52339^{A*} | 6.49 ea. |
|-----|---|------------------------------|-----------------|

- | | | | |
|-----|--|-----------------------------|-----------------|
| ALL | High-temp copper gasket sealer, used to replace cork, rubber, silicone, felt and other cut gaskets to form a leak-proof seal. Resists oil, grease, water, antifreeze mixture and transmission fluid. More flexible than conventional gaskets, it can be used on water pumps, exhaust manifolds, valve covers, timing gear covers, transmission pans, water neck outlets or any place a high-performance gasket is needed, 3 oz. tube | 66-23701^A | 7.99 ea. |
|-----|--|-----------------------------|-----------------|

**Permatex Gasket Remover**

Quickly removes all types of baked-on gaskets, adhesives and sealants.

- | | | | |
|-----|---------------------------------|------------------------------|------------------|
| ALL | 4 oz. spray can with brush..... | 66-52366^{A*} | 15.49 ea. |
|-----|---------------------------------|------------------------------|------------------|

***HAZARDOUS MATERIAL**—can only be shipped by ground/surface within the U.S. because of government regulations.

truck freight—requires additional shipping charges

oversize/overweight—requires additional shipping charges

Prop 65 warning for California residents, see inside front cover for details

How many do I need to order? All engine components listed are sold each, except:

SET = 1 set does one engine (piston rings, camshaft bearings and main bearings).

PAIR = 1 pair makes one unit (split items, such as connecting rod bearings = order one pair for each connecting rod and valve keepers = order on pair for each valve stem).

Cylinder Head Dowel Set

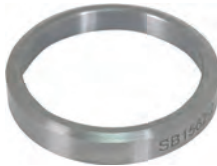

292 and 312 V8

55-57 4 pieces **66-34761^Δ** **7.99** set

Exhaust Valve Seat (8 required)

292 and 312 V8

55-57 High-chrome steel, heavy-duty **66-27582^Δ** **5.99** ea.

Aluminum Pistons with Pins (8 required)

292 V8

55-57 0.030" oversize **66-28654^Δ** **74.99** ea.

Main Bearing Sets

292 V8

55-57 0.020" oversize **66-49405^Δ** **78.99** set
55-57 0.030" oversize **66-49406^Δ** **78.99** set

Connecting Rod Bearings (8 pair required)

292 and 312 V8

55-57 Standard size..... **66-28353^Δ** **29.99** pr.
55-57 0.010" oversize **66-28354^Δ** **29.99** pr.
55-57 0.020" oversize **66-28355^Δ** **29.99** pr.

Piston Rings

292 V8

55-57 Standard size, cast iron **66-27584^Δ** **41.99** set
55-57 0.020" oversize, cast iron **66-27585^Δ** **49.99** set
55-57 0.030" oversize, cast iron **66-27590^Δ** **40.99** set
55-57 0.040" oversize, cast iron **66-27591^Δ** **41.99** set
55-57 0.060" oversize, cast iron **66-27592^Δ** **40.99** set

312 V8

56-57 Standard size, cast iron **66-28912^Δ** **50.99** set
56-57 0.020" oversize, cast iron **66-28913^Δ** **49.99** set
56-57 0.030" oversize, cast iron **66-28919^Δ** **50.99** set
56-57 0.040" oversize, cast iron **66-28920^Δ** **49.99** set
56-57 0.060" oversize, cast iron **66-28921^Δ** **49.99** set

Camshaft

292 and 312 V8

55-57 Mechanical **66-27209^Δ** **69.99** ea.

Cam Bearing Set

292 and 312 V8

55-57 Standard size..... **66-34413^Δ** **46.99** set

Assembly lube, Permatex brand, adheres to surfaces, preventing scuffing and galling during initial start up, great for use on engine bearings, camshafts, lifters, valve guides, rocker shaft assemblies and timing components.

ALL 4 oz bottle..... **66-52312^Δ** **6.49** ea.

Valve Covers

- 55-57 Aluminum valve cover, finned, T-Bird logo in center **66-28234^A** **259.99** ea.

- 55-57 Valve cover gasket set, cork, includes grommets **66-26832^A** **17.99** set

- 55-57 Rocker arm stud, longer for use with factory optional aluminum valve covers (4 required) **66-28336^A** **3.49** ea.

- 55-57 Acorn nut set, 4 pieces, chrome **66-14240^A** **10.49** set

- 55-57 Washer set, 4 pieces, chrome **66-14233^A** **5.99** set

- 55-57 Paint, turquoise touch-up for T-Bird emblem on valve covers listed above **66-52358^A** **10.99** ea.

- 55-57 Aluminum valve cover installation kit, includes 4 chrome acorn nuts, 4 chrome washers, 4 longer rocker arm studs, 4 rubber grommets and 2 valve cover gaskets **66-28335^A** **41.99** kit

Valve Lifter (16 required)

292 and 312 V8

- 55-57 Mechanical **66-30775^A** **11.99** ea.

Exhaust Valve (8 required)

292 and 312 V8

- 55-57 Standard size **66-35309^A** **9.99** ea.

Intake Valves (8 required)

292 and 312 V8

- 55-56 Standard size **66-26817^A** **8.99** ea.

- 1957 Standard size **66-29809^A** **9.99** ea.

Valve Guides (16 required for intake and exhaust)

292 V8

- 55-56 Standard size, plain, 0.344" ID, intake or exhaust (shown) **66-26820^A** **2.49** ea.

- 1957 Standard size, plain, 0.344" ID, intake or exhaust **66-27599^A** **2.49** ea.

312 V8

- 56-57 Standard size, plain, 0.344" ID, intake only **66-26820^A** **2.49** ea.

- 56-57 Standard size, plain, 0.344" ID, exhaust only **66-27599^A** **2.49** ea.

Valve Spring (16 required)

292 and 312 V8

- 55-57 Intake or exhaust **66-28687^A** **2.99** ea.

Valve Keepers (16 pair required)

292 and 312 V8

- 55-57 Chrome-moly steel, intake or exhaust... **66-18113^A** **0.99** pr.

Rocker Arm Shaft (2 required)

292 and 312 V8

- 55-57 Standard replacement **66-26826^A** **39.99** ea.

Rocker Arms and Parts (16 required)

292 and 312 V8

- 55-57 **66-44320^A** **24.99** ea.

- 55-57 Oil outlet tube, mounted on rocker arm shaft support (2 required) **66-27242^A** **8.99** ea.

- 55-57 Oil outlet tube bracket, mounted on rocker arm shaft support (2 required) **66-49401^A** **4.99** ea.

Intake Manifold Vacuum Line Clips

It is very common to see a nicely restored Thunderbird that is missing little details like these clips. They originally held the vacuum lines together along the intake manifold.

They often ended up as 'spare parts' after minor service. Now you can restore your car back to original for a very low cost with these very accurate reproductions.

- 55-57 **66-360491^A** **3.99** pr.

Pushrods (16 required)

292 and 312 V8

- 1955 Standard size (shown) **66-49400^A** **9.99** ea.

- 56-57 Standard size **66-44157^A** **5.99** ea.

Valve Stem Seal (as required)

292 and 312 V8

- 55-57 Umbrella type, intake or exhaust (shown) **66-26827^A** **2.49** ea.

Engine Block Vent Cover and Bolt Set

- 1957 On the left side of the engine block **66-28238^A** **7.99** ea.

- 1957 Bolt and lock washer set for above vent cover (2 sets required) **66-15554^A** **2.99** set

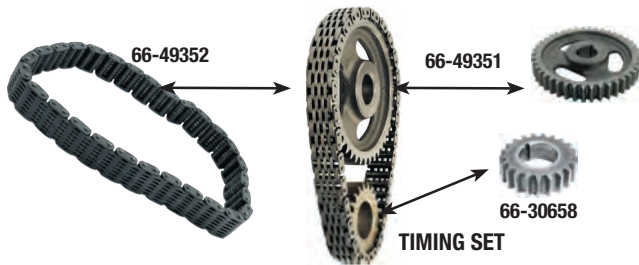

Timing Pointer

- 55-57 Timing pointer, 292 and 312, except supercharged **66-28228^A** **29.99** ea.

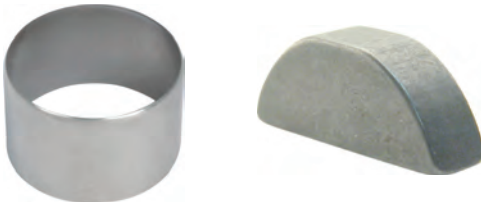

Timing Chains and Gears

292 and 312 V8

- 55-57 Timing set, 3-piece set, includes camshaft and crankshaft gears and timing chain **66-49353^Δ** **63.99** set
55-57 Timing chain **66-49352^Δ** **38.99** ea.
55-57 Camshaft gear, 42 teeth **66-49351^Δ** **19.99** ea.
55-57 Crankshaft gear, 21 teeth **66-30658^Δ** **10.49** ea.

Crankshaft Parts

- 55-57 Harmonic balancer repair sleeve, 292 and 312 **66-28230^Δ** **17.99** ea.
55-57 Woodruff key, for crank gear, 66-30658, 292 and 312 **66-20797^Δ** **0.99** ea.

Flywheel Parts

Flex Plate and Flywheel Ring Gear

- 55-57 Flex plate with reinforcement rings, Ford-O-Matic transmission **66-29785^Δ** **49.99** ea.
55-57 Flywheel ring gear, 146 teeth, manual and overdrive transmission **66-49355^Δ** **29.99** ea.

Starter to Flywheel Housing Seal

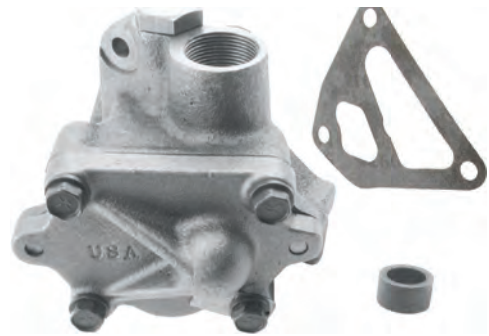

- 55-57 Starter to flywheel housing seal, all V8.... **66-34399^Δ** **11.99** ea.

Oil Pressure Sending Unit

- 55-57 Sending unit **66-28936^Δ** **7.99** ea.

Oil Pump and Parts

- 55-56 Oil pump, gear type pump, new, not rebuilt **66-33413^Δ** **194.99** ea.

- 55-57 Oil pump screen **66-15076^Δ** **14.99** ea.
55-57 Nut, pickup screen tube to oil pump **66-49379^Δ** **17.99** ea.
55-57 Gasket **66-29134^Δ** **3.99** ea.

- 1957 Oil pump rebuild kit, rotor type **66-30458^Δ** **46.99** kit

- 55-57 Oil pump driveshaft **66-33535^Δ** **12.99** ea.

Oil Pan Drain Plugs and Washer

- 55-56 Oil pan drain plug, 7/8"-16, includes nylon washer **66-19758^Δ** **8.99** ea.
1957 Oil pan drain plug, 1/2"-20, includes nylon washer **66-35347^Δ** **3.99** ea.
1957 Oil pan drain plug, chrome, 1/2"-20, includes nylon washer **66-35348^Δ** **5.99** ea.
1957 Magnetic, attracts any loose metal particles, 1/2"-20, includes nylon washer **66-35349^Δ** **7.99** ea.
1957 Oil pan drain plug nylon washer, 1/2" ID, *Genuine Ford (not shown)* **66-34755^Δ** **5.99** ea.

Oil Dipstick and Dipstick Tube

- 55-57 Spring steel as original **66-28235^Δ** **21.99** ea.

- 55-57 Dipstick tube, includes bracket **66-28236^Δ** **24.99** ea.

Road Draft Tube and Gasket

55-57 Road draft tube..... **66-29818^A** **54.99** ea.

55-57 Gasket, for road draft tube..... **66-26762^A** **2.49** ea.

Oil Filler/Breather Caps

55-56 Gloss black, push-on type, exactly as original with raised center and "FRONT" in raised letters with arrow underneath **66-27247^A** **26.99** ea.

55-56 Chrome, push on type, exactly as original with raised center and "FRONT" in raised letters with arrow underneath **66-28237^A** **28.99** ea.

55-57 Replacement push-on type..... **66-28927^A** **7.99** ea.

1957 Gloss black, with correct logo, for engines without dress-up kit..... **66-28691^A** **26.99** ea.

ZDDPlus Motor Oil Additive

Today's readily available motor oil is formulated specifically for new cars and their roller rocker arms. An additive, ZDDP (zinc), has been reduced over the years to a level where using current oil in a flat tappet equipped engine can cause excessive wear on your camshaft. ZDDPlus restores ZDDP to the level that existed when your classic car engine was designed. Adding a 4 oz. bottle each time you change your oil will significantly reduce camshaft wear. It's compatible with all the new formula, high quality oil, so add ZDDPlus to your oil change routine and give your engine the protection it deserves.

ALL 4 oz. bottle..... **66-68217^A** **9.99** ea.

Blueprint® Dressed 347 Stroker Crate Engine 415 HP/415 FT LBS

- Dressed engine
- HP and torque: 415 hp / 415
- Compression ratio: 10.0:1
- Aluminum heads and hypereutectic pistons
- Roller cam
- Cast steel crank
- Includes dual plane satin aluminum intake manifold, 600CFM carburetor and distributor
- Includes valve covers, painted oil pan and brass freeze plugs
- Dyno tested and shipped with results
- Every Blueprint engine is backed by their exclusive 30 month/50,000 mile warranty

ALL **US**..... **66-362273^A** **5899.99** ea.

Blueprint® 347 Stroker Crate Engines

- HP and torque: 415 hp 415 ft lbs
- Compression ratio: 10.0:1
- Roller cam
- Cast steel crank
- Aluminum heads and hypereutectic pistons
- Includes valve covers, painted oil pan and brass freeze plugs
- Dyno tested and shipped with results
- Every Blueprint engine is backed by their exclusive 30 month/50,000 mile warranty

Block: Hand picked seasoned blocks bored .040 over. Square and parallel decked. Align honed main bearing bore. Cylinders honed on computer controlled machine to within .0002 straightness and roundness. Cylinders are sonic tested for thickness.

ALL Base **US**..... **66-362248^A** **5099.99** ea.

ALL Dressed with fuel injection **US**..... **66-362275^A** **6999.99** ea.

Blueprint® Base 427 Stroker Crate Engine

- HP and torque: 525 hp / 510 ft lbs
- Compression ratio: 10.0:1
- Aluminum heads
- Forged crank
- Roller cam
- Dyno tested and shipped with results
- Includes valve covers, oil pan and timing cover and harmonic balancer
- Every Blueprint engine is backed by their exclusive 30 month/50,000 mile warranty

ALL **US**..... **66-362279^A** **11255.99** ea.

NOTE: Not for use in pollution controlled vehicles.

BluePrint® 331 Stroker Crate Engines

- HP and torque: 375 HP/390 ft lbs
- Compression ratio: 9.7:1
- Aluminum heads
- Hypereutectic pistons
- Roller cam
- Cast steel crank
- Includes oil pan, timing cover, valve covers and brass freeze plugs
- Dyno tested and shipped with results
- Every Blueprint engine is backed by their exclusive 30 month/50,000 mile warranty

- ALL Base **66-362222^Δ 4300.99 ea.**
 ALL Dressed with carburation **66-362244^Δ 5799.99 ea.**

NOTE: Not for use in pollution controlled vehicles.

BluePrint® 408 Stroker Crate Engines

- 408CI stroker crate engine
- Hp and torque: 425 HP / 455 ft lbs
- Compression ratio: 9.8:1
- Aluminum heads
- Hypereutectic pistons
- Roller camshaft
- Cast steel crankshaft
- Includes oil pan, timing cover and valve covers
- Dyno tested and shipped with results
- Exclusive 30 month/50,000 mile warranty

- ALL Dressed with fuel injection **66-362278^Δ 6995.99 ea.**

NOTE: Not for use in pollution controlled vehicles.

Oil Filters and Parts

Everyone knows the importance of changing your oil regularly in your daily driver. It's important to do the same with your Thunderbird. Nothing benefits an engine more than fresh oil and a new filter free from dirt and sludge.

- 55-56 Oil filter, for canister type, 4" ID x 4-3/4" long, rubber seal included, **Motorcraft..... 66-34128^Δ 9.99 ea.**

- 55-57 Spring, for canister type oil filter **66-26454^Δ 6.99 ea.**
 55-57 Rubber seal, for canister **66-49357^Δ 1.99 ea.**

- 1957 Oil filter, spin-on, **Motorcraft 66-33534^Δ 9.99 ea.**
 1957 Oil filter, spin-on, Hastings brand, with anti-drain back feature, oil light goes out immediately upon start up **66-33533^Δ 9.99 ea.**

Oil Filter Conversion Kit

- 55-57 Oil filter conversion kit, converts from canister-type to our 66-33534 spin-on oil filter **66-29819^Δ 29.99 ea.**
 55-57 Replacement seal, thicker than the one provided in the kit **66-49357^Δ 1.99 ea.**

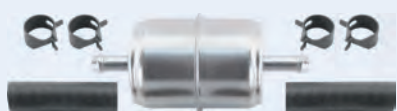

Fuel Filters

Dirt in your fuel lines is a problem, if that dirt gets to your carburetor, it's a major problem. Once dirt gets into your carb, you might have no other choice but to rebuild it and that takes time and can be costly.

- 55-57 Fuel filter with glass bowl, in-line type, does not have domed top like original **66-30473^A** **27.49** ea.
 55-57 Replacement filter, includes gasket..... **66-30476^A** **6.99** ea.

Do you also want an in-line fuel filter for your car? Our in-line fuel filter fits every car. Just plumb it into your fuel line and protect your carb from dirt and other contaminants.

- ALL In-line type, includes 2 hoses and 4 squeeze type clamps..... **66-34795^A** **8.99** ea.

Air Filters

- 1957 Air filter, V8 292 and 312, single 4 bbl carburetor only, exact reproduction of original, correct orange color and original style round hole metal screen **66-30509^A** **18.99** ea.

- 1957 Air filter, V8 292 and 312, single 4 bbl carburetor only, 13-5/16" OD x 11-5/16" ID, please verify size, Motorcraft..... **66-30512^A** **22.99** ea.

- 1957 Air filter, V8 292 and 312, single 4 bbl carburetor only, generic replacement **66-30510^A** **7.99** ea.

When you consider how many different systems must operate within a distributor, you can easily see why they are so critical to the performance of any internal combustion engine. First, there is the primary ignition circuit, then the secondary ignition circuit, the timing system, the vacuum system, the lubrication system...whew! So many things can go wrong; it is amazing that they work as well as they do! Here at MAC's, we know how important it is for your T-Bird to start, run and perform like a new car. Because we believe that the distributor plays such a vital role in the way your engine runs, we offer these top-quality distributor parts.

Distributor Tune-Up Kits

Save money—buy the kit! All you need to tune up your distributor in one package at one low, low price. Our tune-up kits include points, condenser and rotor. Individual kit components are available in the next listings.

- 55-56 Kit includes:
 (1) 66-49609, (1) 66-18140 and
 (1) 66-15935 **66-26498^A** **23.99** kit
 1957 Kit includes:
 (1) 66-20944, (1) 66-29518 and
 (1) 66-29514 **66-30833^A** **14.99** kit

Distributor Points

- 55-56 **66-49609^A** **6.99** ea.
 1957 Except supercharged **66-20944^A** **5.99** ea.

Distributor Primary Lead and Ground Wires

- 55-56 Primary lead wire..... **66-44426^A** **14.99** ea.
 55-56 Ground wire..... **66-18139^A** **5.99** ea.

Distributor Condensers

- 55-56 **66-18140^A** **6.99** ea.
 1957 Except supercharged **66-29518^A** **6.99** ea.

Distributor Rotors and Retainer

55-56 Rotor **66-15935^A** **11.99** ea.

This little retainer is way too important and way too easy to lose. It fits on top of the distributor shaft and helps to stabilize the rotor. When you remove the old rotor, it might be lodged inside, or it might have fallen off and onto the shop floor where you will never find it. We are happy to finally carry this important part for your classic Thunderbird. We are here to help any way we can!

55-56 Retainer, for distributor rotor, "C" clamp type **66-10733^A** **5.99** ea.
1957 Rotor **66-29514^A** **6.99** ea.

Distributor Caps

55-56 **66-49607^A** **14.99** ea.
1957 **66-29509^A** **9.99** ea.

Distributor Cap Hold-Down Clamps and Rivet

55-56 Hold-down clamps **66-18138^A** **10.49** pr.
55-57 Rivet, used to attach cap hold down clamps **66-20933^A** **0.99** pr.

Distributor Vacuum Advance

1957 Except supercharged **66-29519^A** **63.99** ea.

Distributor Vacuum Advance Lines

1955 Stainless steel **66-69126^A** **22.99** ea.
1956 Stainless steel **66-69127^A** **44.99** ea.
1957 Stainless steel **66-69128^A** **19.99** ea.
1957 Stainless Steel, with 2x4 bbl carbs **66-69129^A** **11.99** ea.
1957 OEM steel **66-69130^A** **9.99** ea.

Distributor Cam Lube

55-57 Made with silicone for superior lubrication and long life, generous 7/8 oz. tube, a must for every toolbox **66-20966^A** **7.99** ea.

PowerGen Alternators

These PowerGens are configured especially for the '55 through '57 T-Birds. The output terminal is in the OE location so it doesn't interfere with the engine. Now rated at 90 amps at highway speeds, they still produce a big 60 amps at idle. Available powder-coated for the original look, but if you want some shine, you can choose from polished aluminum or chrome. End your generator woes and install a PowerGen; you won't be sorry!

1955 6 volt positive ground, 1/2" pulley, with offset left hinge mount, black powder-coated, this is a one-wire style setup so the GEN light in the dash cluster will be disabled **66-10880^A** **577.99** ea.

1955 Same as above, **except** polished aluminum body and end plate, fan and pulley are chrome **66-10866^A** **599.99** ea.

1955 Same as above, **except** chrome **66-10852^A** **699.99** ea.

56-57 12 volt negative ground, 1/2" pulley, with offset left hinge mount, black powder-coated, two-wire type so the GEN light in the dash will work **66-10879^A** **459.99** ea.

56-57 Same as above, **except** polished aluminum body and end plate, fan and pulley are chrome **66-10865^A** **712.99** ea.

56-57 Same as above, **except** chrome **66-10851^A** **711.99** ea.

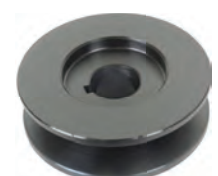

56-57 12 volt negative ground, 1/2" pulley, with offset left hinge mount, black powder-coated, this is a one-wire style setup so the GEN light in the dash cluster will be disabled **66-10878^A** **459.99** ea.

56-57 Same as above, **except** polished aluminum body and end plate, fan and pulley are chrome **66-10864^A** **599.99** ea.

56-57 Same as above, **except** chrome **66-10850^A** **711.99** ea.

PowerGen Replacement Pulleys

If you damage or lose a pulley for your PowerGen we now have replacement pulleys

55-57 Chrome, for 1/2" belt **66-10813^A** **61.99** ea.

55-57 Black powder-coated finish, for 1/2" belt **66-10814^A** **39.99** ea.

Remanufactured Generator and Conversion Kits

Our remanufactured generator is sold on an exchange basis. Your rebuildable core must be returned in the same box that the replacement unit arrives in. The \$40.00 core fee will be refunded if an acceptable exchange is received within 90 days of the purchase date.

Our generators do not include a pulley. Simply reuse your original. Sorry, pulleys are not presently available from MAC's.

56-57 30 amp.....**66-28469^A** **229.99** ea.

The only remanufactured generators available today are the full size car type. The important difference is that the T-Bird generator had the stud (on the back of the generator) in a different position. These simple kits will allow you to move that stud to the correct T-Bird position.

56-57 Conversion kit, for generator with cast end plate, instructions included.....**66-10830^A** **23.99** kit

56-57 Conversion kit, for generator with stamped steel end plate, instructions included.....**66-10831^A** **23.99** kit

Ford Design Generator Parts

56-57 Generator armature, 30 amp.....**66-34050^A** **26.99** ea.

56-57 Generator rear end plate and brush assembly.....**66-34969^A** **37.99** ea.

55-57 Generator brush spring (2 required).....**66-19955^A** **5.99** ea.

56-57 Generator brush set.....**66-33429^A** **7.99** set

55-57 Generator front bearing.....**66-24368^A** **6.99** ea.

55-57 Generator rear bearing.....**66-28473^A** **11.99** ea.

55-57 Generator bolt, 1/4"-20 x 6-9/16" long (as required).....**66-34970^A** **5.99** ea.

56-57 Generator front end plate.....**66-28474^A** **9.49** ea.

Insulating Varnish Spray

ALL Red insulating varnish, spray on your armature and it will quickly dry to a tough film that protects against moisture and corrosion, resists acids, oils, alkalis and heat, 16 oz. spray can.....**66-52325^{A*}**

8.99 ea.

Generator Belt Adjustment Arm

55-57 Generator belt adjustment arm.....**66-29140^A** **14.99** ea.

Generator Mounting and Support Brackets

55-57 Cast mounting bracket.....**66-28324^A** **38.99** ea.

55-57 Generator support bracket.....**66-28325^A** **7.99** ea.

Generator Overhaul Kits

Give yourself peace of mind knowing that a burned out bearing or worn out brushes aren't going to leave you stranded out on the road—install a new set of brushes and front and rear bearings.

**BUY a KIT and
\$SAVE**

56-57 Includes one each of the following:
66-33429 brush set,
66-19599 front bearing,
66-28473 rear bearing
and 2 each of 66-19955 brush
springs.....**66-44210^A** **29.99** kit

56-57 Includes one each of the following:
66-33429 brush set,
66-19599 front bearing and
66-28473 rear bearing.....**66-34316^A** **22.99** kit

Voltage Regulators

1955 6-volt, 30 AMP, blue cover.....**66-19165^A** **49.99** ea.

56-57 12-volt, 25 or 30 AMP, blue cover.....**66-36027^A** **68.99** ea.

***HAZARDOUS MATERIAL**—can only be shipped by ground/surface within the U.S. because of government regulations.

truck freight—requires additional shipping charges

oversize/overweight—requires additional shipping charges

Prop 65 warning for California residents, see inside front cover for details

FAP-B Voltage Regulator Decal

FAP-B is the Ford engineering number for the correct part. This number was ink-stamped on the part at the factory. If your original is missing or unreadable, select the most appropriate decal or tag from our listings.

56-57 **66-47192^A** **5.99** ea.

Battery Trays

1955 For Group 2N 6-volt battery only, includes nuts welded onto brackets..... **66-27702^A** **69.99** ea.
56-57 For Group 29N or Group 32N 12-volt battery..... **66-29143^A** **69.99** ea.

Battery Mat

ALL Battery mat, absorbs and neutralizes battery acid and vapors, 8" x 12", trim to fit..... **66-31966^A** **6.49** ea.

Battery Hold-Down Clamps

1955 Use with Group 2N battery **66-26714^A** **13.49** ea.
56-57 Use with Group 29N 12-volt battery **66-28475^A** **24.99** ea.
56-57 Use with Group 32N battery, rubber coated steel NOS Ford **66-28901^A** **35.99** ea.
56-57 Use with Group 32N battery, all steel 3-hole type hold-down..... **66-28902^A** **19.99** ea.

Battery Hold-Down Clamp Kits

All kits include the hold down clamp, hold down bolts, wing nuts and washers

1955 For original style 6-volt Group 2N battery **66-27700^A** **25.99** kit
56-57 For original style Group 29N battery **66-29141^A** **35.99** kit

56-57 For Group 32N heavy-duty battery, with 3-hole type hold down **66-29142^A** **49.99** kit

Battery Hold-Down Wing Nuts and Washers

1955 Nut and washer set, includes 2 original type cast wing nuts, 2 metal washers and 2 rubber washers..... **66-27703^A** **6.99** set
1955 Battery hold-down rubber washer set, 2 pieces **66-27705^A** **2.99** set

56-57 Nut and washer set for Group 29N battery, includes 2 original type pressed wing nuts, 2 metal washers and 2 rubber washers..... **66-29145^A** **5.99** set
56-57 Battery hold-down rubber washer set, 3 pieces **66-29148^A** **3.49** set

Battery Post Corrosion Arrestors

ALL They absorb and neutralize battery acid..... **66-33434^A** **3.99** pr.

Battery Hold-Down Bolts

1955 With Group 2N battery (2 required) **66-26892^A** **7.99** ea.
56-57 With Group 29N battery, use at front of battery **66-26892^A** **7.99** ea.
56-57 With Group 32N battery (3 required) **66-26892^A** **7.99** ea.

Battery Hold-Down to Inner Fender Panel Bracket

1955 Battery hold-down to inner fender panel bracket..... **66-27701^A** **7.99** ea.

Battery Heat Shields

1955	Heat shield.....	66-27704^A	34.99 ea.
56-57	Heat shield.....	66-29147^A	45.99 ea.

Battery Disconnects and Bracket

ALL	Battery disconnect, mounts at battery post, a simple knob turns it on or off.....	66-21374^A	13.99 ea.
ALL	Battery disconnect, remote mount so it's hidden from view.....	66-21375^A	24.99 ea.
ALL	Bracket, for remote mount battery disconnect.....	66-21376^A	7.99 ea.

Reproduction Battery Cable Sets

All terminals, boots, heads and moldings have been duplicated to precise detail. The wire insulation is original neoprene rubber. The sets include positive, negative and starter cables. A ground strap was also used at the back of the engine head. These are not included in the sets—they are listed directly below the battery cable sets.

1955	Includes positive, negative and starter cables.....	66-27788^A	85.99 set
1956	Includes positive, negative and starter cables.....	66-29183^A	64.99 set
1957	Includes positive, negative and starter cables.....	66-30274^A	63.99 set

55-56	Ground strap, engine to firewall, original type.....	66-19801^A	6.99 ea.
-------	--	-----------------------------	-----------------

1957	Ground strap, engine to firewall, original type.....	66-50540^A	13.99 ea.
------	--	-----------------------------	------------------

Reproduction Starter Cable Brackets and Grommets

Original routing of the starter cable is: from the relay to a bracket on the firewall, then to another bracket on the bell housing, then to the starter. These bracket and grommet sets allow you to duplicate this original routing.

55-56	Battery cable bracket, on bell housing....	66-27791^A	8.99 ea.
-------	--	-----------------------------	-----------------

1957	Starter cable bracket and grommet, mounts on firewall.....	66-30281^A	7.99 ea.
1957	Grommet for battery cable bracket (2 required).....	66-30275^A	6.99 ea.

Voltage Reducers

1955	Reduces 12 to 6-volt, designed for gauges, 1 amp maximum, comes with detailed instructions, 1 per gauge, actually mounts onto the gauge itself, allowing you to run several in a row.....	66-62257^A	16.99 ea.
------	---	-----------------------------	------------------

1955	Reduces voltage from 12 volts to 6 volts, maximum load is 4 amps.....	66-62258^A	14.99 ea.
1955	Reduces voltage from 12 volts to 6 volts, maximum load is 6 amps.....	66-62259^A	34.99 ea.

Thinking of changing your '55 from 6 volts to 12? We have a product that will help simplify that procedure. Install our new voltage reducer between the ignition switch and your dash gauges and in an instant you will have working temp, oil and fuel gauges.

1955	Voltage reducer, used when upgrading a 6-volt system to 12 volts, an easy-to-use diagram is included.....	66-62256^A	34.49 ea.
------	---	-----------------------------	------------------

Have you ever thought about the incredible torque, thrust and wear that a typical starter motor must go through to start an engine? The starter drive unit must thrust the starter gear out to mesh perfectly with the teeth on the ring gear of your flywheel and then the small electric motor must spin over the crankshaft, pushing all those pistons up against compression. It's even worse on high performance or large cubic inch engines. Give your old starter a break. Replace it with a guaranteed top-quality starter motor.

Y-Block PowerMaster PowerMax Plus Starter

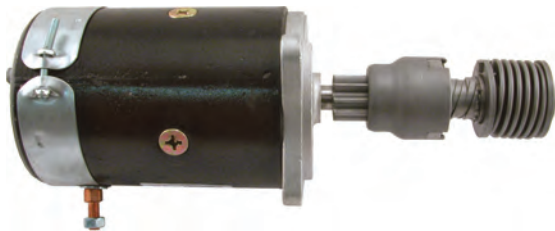

- Three position indexing
- 3.7:1 gear reduction ratio
- Power for up to 14:1 compression
- Weight: 10.5 lbs

With its gear-reduction drive, this PowerMaster PowerMax Plus starter really cranks out the power—170 ft.-lbs. of torque. It can handle engines with compression ratios as high as 14.0:1. If your stock starter clears your oil pan, this will too. With three position indexing, it might clear an extra capacity kicked out oil pan as well.

55-66 **66-390820^A** **199.99** ea.

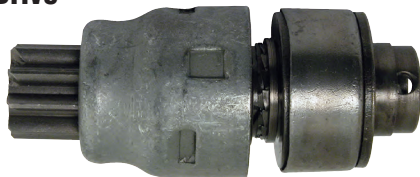

Remanufactured Starter Motor

56-57 12-volt, 3 bolt mount, includes starter drive..... **66-28483^A** **144.99** ea.

Our starter listed above is sold on an exchange basis. A \$40.00 core fee will be charged. The core fee will be refunded if an acceptable exchange is received within 90 days of purchase date. Your core must be returned in the original box.

Starter Drive

55-57 Starter drive **66-33441^A** **55.99** ea.

Replacement Style Starter Relays

1955 6-volt, replacement style **66-26922^A** **24.99** ea.
56-57 12-volt, replacement style **66-28487^A** **14.99** ea.

The starter relay, or solenoid of Ford electrical systems is usually located right in plain sight, at the top of the passenger side of the engine bay. This makes it very convenient for service work. This also makes it the frequent target of judges and Ford admirers who might tend to look into your engine compartment when you have the hood raised at a car show. Like any starter relay, Ford units work hard over many years of start-up sequences, consequently, many of them have finally worn out and need to be replaced.

Reproduction Starter Relay

56-57 12-volt, correct brown body, letters and markings and all hardware..... **66-29504^A** **42.99** ea.

Starter Parts

55-57 Armature thrust washer **66-11911^A** **2.99** ea.
55-57 Brush end plate bushing..... **66-11912^A** **4.99** ea.
55-57 Brush set..... **66-11913^A** **7.99** set

55-57 Starter brush spring (4 required) **66-20733^A** **0.99** ea.
55-57 Cover band **66-26387^A** **6.99** ea.
55-57 Drive end plate and bushing..... **66-34326^A** **16.99** ea.

55-57 Drive end housing bushing, 5/8" ID x 13/16" OD x 1-15/32" long **66-12462^A** **2.99** ea.
55-57 Post repair kit..... **66-25025^A** **8.99** kit
55-57 Red insulating varnish, spray on your armature and it will quickly dry to a tough film that protects against moisture and corrosion, resists acids, alkalis and heat, 16 oz. spray can **66-52325^{A*}** **8.99** ea.

***HAZARDOUS MATERIAL**—can only be shipped by ground/surface within the U.S. because of government regulations.

The Ignitor® Points and Condenser Replacements

Never fight with another set of points again! Install The Ignitor by Pertronix®, the breakerless electronic ignition module. Get longer plug life, better fuel economy and increased horsepower. For best results, use with Flame- Thrower ignition coils.

1955	The Ignitor, only operates on a 6-volt positive-ground system (shown)	66-11298^A	123.99 ea.
55-56	The Ignitor, only operates on a negative-ground, 12-volt system	66-11297^A	99.99 ea.
1957	The Ignitor, only operates on a negative-ground 12-volt system, except dual point distributor	66-11296^A	83.99 ea.

Flame-Thrower® High-Performance Ignition Coils

The Flame-Thrower® is a high-performance 40,000 volt ignition coil. It is the best coil to use with our Pertronix Ignitor breakerless points and condenser replacement. Do not use with factory resized ignition!

Decals are easily removed for a stock look!

1955	Black, .6 ohms resistance, for 6-volt systems	66-11286^A	43.99 ea.
1955	Chrome, .6 ohms resistance, for 6-volt systems	66-11285^A	46.99 ea.
55-57	Black, for 12-volt system	66-11282^A	41.99 ea.
55-57	Chrome, for 12-volt system	66-11281^A	43.99 ea.

Ignition Coils

56-57	Black, 12-volt	66-28491^A	29.99 ea.
1957	Black body with mustard top, 12-volt (shown)	66-28492^A	67.99 ea.

Ignition Coil Mounting Straps

55-57	Ignition coil mounting strap	66-28493^A	17.99 ea.
1955	OEM correct for 1955 Ford V8 cars and trucks, protective clear zinc plated finish, includes compression screw and nut	66-370961^A	5.99 ea.

Ignition Coil Resistors

56-57	Ignition coil resistor, reproduction with original cadmium plating	66-29516^A	28.99 ea.
-------	--	-----------------------------	------------------

Spark Plugs (8 required)

The spark plugs listed below are not reproductions of the original equipment. They are modern day name brand spark plugs.

55-57	18mm, "Motorcraft" replacement (shown)	66-11408^A	3.99 ea.
55-57	18mm, "Autolite" replacement	66-69198^A	3.99 ea.

Reproduction Spark Plug Wire Sets

MAC's reproduction spark plug wires are correct in every way. Constructed with a wire core like the original. They feature spark plug boots with the "FoMoCo" oval molded in and have the proper protective conduit installed. The coil wire carries the proper number stamp and is the correct brown color.

55-56	Spark plug wire set (shown)	66-11392^A	82.99 set
1957	Spark plug wire set	66-11393^A	86.99 set
55-57	Spark plug wire protective conduit set	66-11291^A	6.99 set
55-57	Ignition coil wire, brown as original	66-11396^A	24.99 ea.

Spark Plug Wire Shield (4 required)

55-57	Spark plug wire shield	66-26936^A	7.49 ea.

55-57 Clip set, 1-3/8" reach as original,
12 pieces **66-28015^Δ** **49.99** set

ABS Firewall Cover and Clips

- 55-57 Made of tough ABS material
to fit over the firewall, ready to
install, no holes to drill, no cutting
required, requires 9 cover clips
(listed below) **66-28014^Δ** **280.99** ea.

- 55-57 Firewall cover clip, green color like original
(9 required) **66-14283^Δ** **4.99** ea.
55-57 Metal, replacement type, 7/8" reach
with a 1-1/8" overall length
(9 required) **66-15410^Δ** **3.99** ea.
55-57 Metal, replacement type,
1/2" reach with a 3/4" overall
length (9 required) **66-15411^Δ** **3.99** ea.
55-57 Plastic, replacement type,
7/8" reach with a 1-1/8" overall
length (9 required) **66-14487^Δ** **2.49** ea.

Firewall Grommet Set

- 55-57 6 pieces **66-28012^Δ** **19.99** set

Firewall Grommets

- 55-57 Tachometer cable grommet..... **66-14257^Δ** **6.99** ea.
 55-57 Right vent cable grommet..... **66-14225^Δ** **5.99** ea.
 55-57 Hood cable grommet..... **66-14234^Δ** **4.99** ea.

- 55-57 Wire loom grommet..... **66-14238^Δ** **6.99** ea.
 55-57 Retainer, for wire loom grommet listed above (66-14238) **66-19230^Δ** **9.99** ea.
 55-57 Wiper vacuum hose grommet..... **66-14260^Δ** **2.49** ea.

- 55-57 Washer hose grommet..... **66-14360^Δ** **3.49** ea.
 55-57 Speedometer cable grommet, with manual transmission **66-12313^Δ** **6.49** ea.
 55-57 Speedometer cable grommet, with Ford-O-Matic transmission..... **66-30368^Δ** **1.99** ea.

Cowl Vent Knobs (2 required)

- 56-57 Without screwdriver impression, all 56 and early 57 **66-29275^Δ** **5.99** ea.
 1957 With screwdriver impression, most 57..... **66-30371^Δ** **5.99** ea.

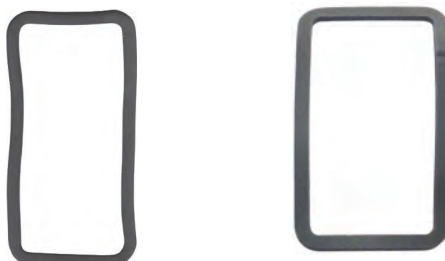

Cowl Side Vent Control Arms

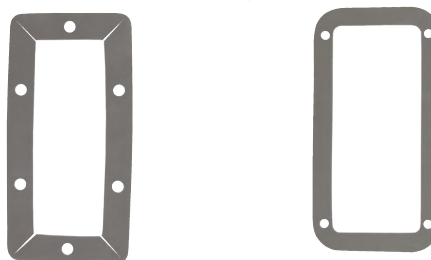

- 56-57 Cowl side vent control arm, right..... **66-30369^Δ** **7.99** ea.

- 56-57 Cowl side vent control arm, left **66-30370^Δ** **7.99** ea.

Seals (2 required)

- 56-57 Vent door seal, molded as original..... **66-29277^Δ** **7.99** ea.
 56-57 Vent door seal, die-cut sponge..... **66-29278^Δ** **3.99** ea.

- 56-57 Cowl screen seal **66-29279^Δ** **3.99** ea.
 56-57 Inner cowl vent seal **66-29280^Δ** **3.99** ea.

Cowl Side Vent Hinge Assembly (2 required)

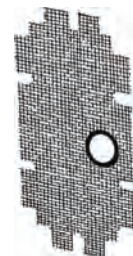

- 55-57 **66-29281^Δ** **26.99** ea.

Cowl Side Vent Grille (2 required)

- 56-57 Chrome..... **66-29282^Δ** **29.99** ea.

Cowl Side Vent Screens

- 56-57 Right (shown) **66-29283^Δ** **6.99** ea.
 56-57 Left **66-29284^Δ** **6.99** ea.

Internal Transmission Parts

- 1955 Output shaft bearing, 292 with overdrive **66-19464^A** **33.99** ea.

- 55-56 Synchronizer blocking ring, 292 V8 with manual and overdrive transmission, please note that this ring has 3 slots in it that come unfinished to spec from our only known manufacturer. These slots fit over the synchro clips (or "dogs"). They will need to be measured and filed to the correct size. Measuring from the "gear side" to the bottom of the slot, the measurement should be approximately 0.300". The ring must be carefully supported and the slots filed to the correct height prior to being installed in the synchronizer assembly (2 required)..... **66-18345^A** **8.99** ea.

- 55-56 Reverse idler gear shaft, 292 V8 with manual and overdrive transmission (shown)..... **66-26085^A** **17.99** ea.

- 55-56 Synchronizer hardware set, 292 V8 with manual and overdrive transmission (2 required)..... **66-15805^A** **11.99** set

- 1955 Synchronizer assembly, 292 V8 with overdrive transmission **66-19899^A** **119.99** ea.
 55-56 Synchronizer assembly, 292 V8 with 3-speed manual transmission **66-19899^A** **119.99** ea.
 55-57 Output shaft bearing, 292 with manual transmission **66-19464^A** **33.99** ea.
 55-57 Main shaft bearing, with overdrive transmission **66-19464^A** **33.99** ea.

Shift Knob

- 55-57 Manual and overdrive transmission..... **66-31998^A** **6.99** ea.

Extension Housing Bushing and Seals

- 55-57 Bushing, V8 292 **66-26648^A** **8.99** ea.
 55-57 Seal, V8 292 **66-13169^A** **6.99** ea.
 1957 Seal, V8 312 **66-35357^A** **9.99** ea.

Overdrive Housing Bushing and Seals

- 1955 Bushing, V8 292 **66-26648^A** **8.99** ea.
 1955 Seal, V8 292 **66-13169^A** **6.99** ea.
 56-57 Seal, V8 312 **66-35357^A** **9.99** ea.

Manual Transmission Gasket Sets

- 1955 V8 292 with overdrive **66-30756^A** **19.99** set
 55-56 V8 292 and 312 without overdrive **66-30756^A** **19.99** set
 1957 V8 292 without overdrive..... **66-30756^A** **19.99** set

- 56-57 V8 312 with overdrive **66-28741^A** **22.99** set
 1957 V8 312 without overdrive..... **66-28741^A** **22.99** set

Clutch Fork Boot

- 55-57 Leather..... **66-25211^A** **22.99** ea.

Clutch Arm Return Spring

- 55-57 **66-51319^A** **5.99** ea.

Clutch Equalizer Shaft Parts

- 56-57 Bushing, improved plastic "space-age" compound, requires no lubrication, has aligning nubs and corresponding holes to aid alignment when installing **66-10360^A** **4.99** pr.
 55-57 Washer..... **66-10364^A** **0.99** ea.
 55-57 Spring, for clutch equalizer shaft, original Ford part number AB-7545-A..... **66-26454^A** **6.99** ea.

Clutch Retracting Spring Bracket

55-57 **66-28250^A** **11.99** ea.

Manual Transmission Shift Lever Boot

55-57 **66-29379^A** **19.99** ea.

Clutch Rod Firewall Seal

55-57 Rubber boot type, for clutch rod **66-31638^A** **16.99** ea.

Clutch Rod Bolt and Washer

55-57 Bolt, with special shoulder, for clutch rod (2 required) **66-14266^A** **5.99** ea.

55-57 Washer, for special shoulder bolt listed above (4 required) **66-14273^A** **0.99** ea.

Clutch Pedal Bracket and Stop Bumper

55-57 Includes bracket and rubber bumper **66-34776^A** **22.99** ea.

Clutch Disc and Pressure Plate

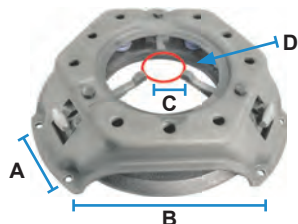

55-57 Clutch disc, 11" diameter **66-28767^A** **98.99** ea.

A = 3-3/8"

B = 8-5/8"

C (distance between two fingers) = 1-5/8"

D (diameter of circle of fingers, approximate ID) = 1-7/8"

55-57 Clutch pressure plate, 11" diameter **66-15663^A** **124.99** ea.

55-57 Alignment tool, 10 spline **66-49516^A** **8.99** ea.

Throwout Bearing and Hub Set

55-57 Throwout bearing **66-19522^A** **25.99** ea.

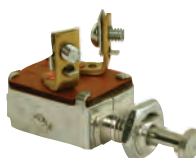

55-56 Throwout bearing and hub set **66-25213^A** **33.99** set

Clutch Pilot Bearing

55-57 Bronze "Oillite" style **66-17145^A** **11.99** ea.

Backup Light Switch and Bracket

55-57 Switch, with manual or overdrive transmission **66-15717^A** **9.99** ea.

56-57 Bracket, for the 312 V8 with manual or overdrive transmission **66-29206^A** **32.99** ea.

Overdrive Cable and Handle

55-57 Cable and handle assembly, includes 80" of cable (cut to fit) and a chrome handle with "OVERDRIVE" stamped into it as original **66-25037^A** **54.99** ea.

55-57 Handle, "OVERDRIVE" stamped into it as original, chrome die cast, includes set screw **66-25038^A** **24.49** ea.

Overdrive Kickdown Switch

55-57 **66-25039^A** **24.99** ea.

Overdrive Governor Cover

55-57 Rubber **66-19880^A** **7.49** ea.

Rubber Overdrive Governor Cover

- Pliable and durable black rubber
- Has correct lip on the cover

Finally available is this very nice cover for overdrive transmission governors. There are have been covers available for years that were effective but didn't have the correct lip around the outside. This not only looks better but helps hold it in place no matter what conditions you are driving in.

55-57 Show correct **66-393866^A** **8.99** ea.

Overdrive Solenoid Seal

55-57 At adapter **66-13246^A** **9.99** ea.

Neutral Safety Switches

55-57 With Ford-O-Matic 3 speed automatic..... **66-29405^A** **118.99** ea.

55-57 With Ford-O-Matic 3-speed automatic, this has been re-engineered to allow you to start in "Park" or "Neutral" unlike the original switch that had to be in "Neutral" for the car to start..... **66-29406^A** **121.49** ea.

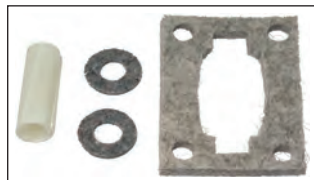

Ford-O-Matic Transmission Shift Lever Parts

55-57 Shield, for shift selector dial light..... **66-27824^A** **17.99** ea.

55-57 Gearshift lever knob, black plastic..... **66-28246^A** **28.99** ea.

55-57 Gearshift lever bushing and washer kit **66-28337^A** **12.99** kit

55-57 Gearshift lever neutral safety switch bracket **66-50510^A** **19.99** ea.

55-57 Gearshift lever pivot pin..... **66-28248^A** **9.99** ea.

55-57 Gearshift release rod..... **66-28249^A** **8.99** ea.

55-57 Button assembly, includes chrome button with set screw, spring and retainer snap ring **66-28252^A** **19.99** ea.

55-57 Spring, for chrome shift button **66-28251^A** **1.99** ea.

55-57 Spring, for black plastic shift ball..... **66-28253^A** **3.99** ea.

55-57 Screw, for shifter button **66-19128^A** **3.99** ea.

56-57 Shifter light assembly **66-29401^A** **38.99** ea.

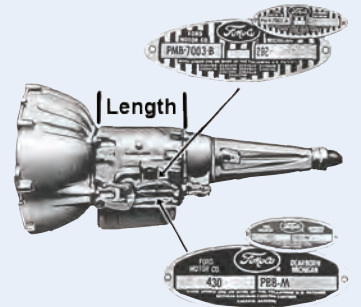

Which Transmission Do I Have?

Instead of coming up with two separate transmission names, Ford Motor Company decided to call the two different versions of the Ford-O-Matic the "small case" and the "medium case." If you are lucky enough to still have the tag on your tranny it's simple to figure out which one you have:

The prefix of the engineering number for the small case in 1955 is either PAG or PAK. In '56 it is PAP or PAR. The prefix for the medium case in '55 was PMB, in '56 it was PAW and in '57 it was PBA.

For many of you that tag will be long gone, so let's go to plan "B," actually, plan "B" and plan "C," just to be sure. The "small case" tranny was only used in Ford cars. The "medium case" tranny was able to handle more power and torque and therefore was used in Thunderbirds, Mercurys, police cars and the 1956 Ford station wagon with the 312 engine.

Problem solved ... except that your car is 60+ years old and it might not have the original transmission anymore. On to plan "C": the case was shorter in the "small case" transmission, hence its name. It's 9-7/8" long and in the "medium case" transmission, it's 10-7/32" long. That's great, except you say you're not exactly sure what part of the transmission the case actually is so the length doesn't really help that much. Please refer to our illustration above.

Ford-O-Matic Transmission Parts

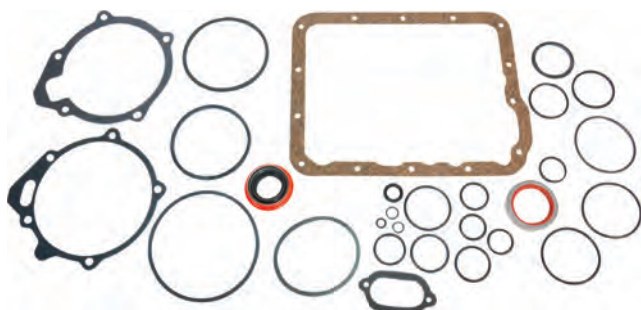

This is the Medium Duty, or MX version of this transmission.

Transmission Screen Kit

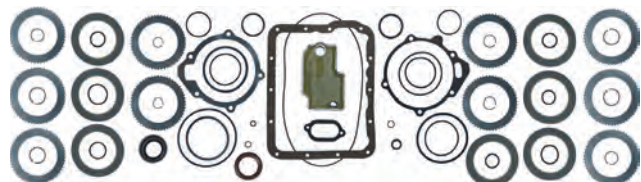

55-57 Includes screen and pan gasket..... **66-31398^A** **29.99** kit

Gasket and Seal Kit

55-57 Gasket and seal kit..... **66-31348^A** **47.99** kit

Overhaul Kit

55-57 Overhaul kit, includes gaskets, seals, snap rings, clutch plates and screen, automatic transmission **66-27606^A** **165.99** kit

Dipstick and Tube

55-57 Automatic transmission dipstick **66-27601^A** **29.99** ea.

55-57 Automatic transmission dipstick tube, with bracket..... **66-28932^A** **29.99** ea.

Governor Inspection Cover Gasket

55-57 Gasket..... **66-34280^A** **3.99** ea.

Converter Parts

55-56 Gasket, impeller hub to impeller, air cooled transmission with aluminum converter impeller..... **66-12735^A** **6.99** ea.
55-57 "O" ring, converter cover to impeller..... **66-28810^A** **8.99** ea.

Bell Housing Parts

56-57 Lower cover, water cooled Ford-O-Matic..... **66-28811^A** **26.99** ea.
55-57 Front cover, with welded nut, Ford-O-Matic..... **66-44679^A** **43.99** ea.

Extension Housing Bushing and Seal

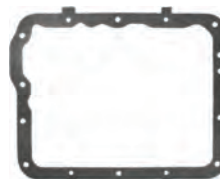

55-57 Automatic transmission extension housing bushing..... **66-26648^A** **8.99** ea.
55-57 Automatic transmission extension housing seal **66-34416^A** **19.99** ea.

Extension Housing Dust Shield

55-57 Automatic transmission..... **66-19485^A** **20.99** ea.

Pan Gasket

55-57 Automatic transmission pan gasket..... **66-28338^A** **6.99** ea.

Manual Control Lever Oil Seal

55-57 Automatic transmission manual control lever oil seal **66-40476^A** **6.99** ea.

Ford-O-Matic Band Adjustment Access Cover

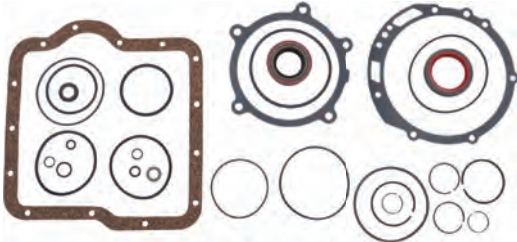

55-57 Rubber plug, located on the transmission tunnel..... **66-28063^A** **15.49** ea.

2-Speed Ford-O-Matic Transmission Seal Kit

• Made for 2-speed ford-o-matic with aluminum case

Don't put up with that tired transmission that leaks on your garage floor and has sloppy shifts. This kit will provide the seals you need to keep the fluid inside where it belongs and give you shifting like when your car was new. Even if you won't do the re-seal yourself, this is a high-quality kit you can provide to your transmission shop to ensure the parts used are worthy of your pride-and-joy.

55-57 **66-363722^Δ** **124.99** ea.

Transmission Cooler Lines

Only The Right Stuff Detailing offers you the best fitting, most exact reproduction transmission cooler lines on the market today. They utilize state-of-the-art CNC benders and automated end-forming machines that produce remarkable consistency from one part to the next. These lines are available in standard OEM steel or durable stainless steel and provide you with highest quality, longest-lasting, best fitting transmission cooler lines you'll find for your Ford. As a bonus, all of the Right Stuff Detailing's products come with a limited lifetime manufacturer warranty. If you're going to do it, do it right!

56-57	With expansion loop, 2-piece stainless steel	66-94875^Δ	69.99 set
56-57	Without expansion loop, 2-piece stainless steel	66-94873^Δ	69.99 set
56-57	With expansion loop, 2-piece oem steel	66-94874^Δ	39.99 set
56-57	Without expansion loop, 2-piece oem steel	66-94872^Δ	39.99 set

Transmission Flex Plate

55-57 With reinforcement rings,
Ford-O-Matic Transmission..... **66-29785^Δ** **49.99** ea.

Transmission Slip Yoke

Slip yokes can require replacement for several reasons. They can have excessive wear, they can be damaged from impact, and will rust if left exposed to the elements. This all new yoke is a reproduction of the original and will work with original driveshafts and transmissions perfectly.

56-56 For 3-speed standard and
Ford-O-Matic..... **66-94100^Δ** **228.79** ea.

Rear Axle Grease Seal (2 required)

55-57 1-1/2" ID x 2-1/2" OD **66-29507^Δ** **6.99** ea.

Rear Wheel Bearing (2 required)

55-57 Stamped 88128,
1-17/32" ID x 3-5/32" OD **66-33759^Δ** **29.99** ea.

Front Motor Mounts and Rear Transmission Mounts

Can there be a more overworked or more under appreciated part of your T-Bird than the lowly motor or transmission mount? Every time we rev our high-powered Thunderbird engines, the poor mounts are stretched almost to the point of tearing apart. Every little oil leak seems to find its way to the sensitive rubber part of every mount, while exhaust and engine heat combine to cook mounts into an early grave. Yet, these motor and transmission mounts have the vital tasks of keeping the drivetrain properly centered and safely anchored under every condition, while also isolating engine vibrations from the chassis and passenger compartment. Have a heart and replace those worn and weakened motor and transmission mounts today!

These motor mounts are the rubber-coated metal parts only. They do not include any mounting hardware.

55-57 Front upper motor mount insulator, V8 292 and 312 **66-28229^A** **19.99** ea.

55-57 Front lower motor mount insulator, V8 292 and 312 **66-56227^A** **6.49** ea.

55-57 Lower frame bracket, for front motor mount, welds to the round frame crossmember **66-28206^A** **47.99** ea.

55-56 Transmission mount, V8 292 and 312 **66-25239^A** **17.99** ea.

1957 Transmission mount, V8 292 and 312 **66-29780^A** **14.49** ea.

55-57 Special nut, for front upper and lower insulator stud, 9/16"-18 special round **66-26635^A** **7.99** ea.

55-57 Front upper support spacer, V8 292 (as required) **66-28245^A** **6.99** ea.

Engine Steady Rest Kits and Parts

55-57 Engine steady rest bracket, right **66-28241^A** **14.99** ea.
55-57 Engine steady rest bracket, left **66-28240^A** **14.99** ea.

55-57 Engine steady rest grommet kit, 8 pieces, 1 kit does both sides **66-28243^A** **8.99** kit

55-57 Engine steady rest washer kit, 9 pieces, 1 kit does 1 side (2 kits required) **66-28239^A** **8.99** kit

55-57 Engine steady rest rod (2 required) **66-28244^A** **8.49** ea.

55-57 Engine steady rest kit, 1 kit does 1 side, includes 1 rod, 5 washers, 4 grommets and 3 nuts (nuts not available separately), brackets not included, but are listed above (2 kits required) **66-28242^A** **17.99** kit

Get your classic Thunderbird driving and handling like it did when it was new, with all new steering and suspension parts. Those old and worn bushings, ball joints, tie rod ends, idler arms and springs have no doubt seen their share of bad weather, bad roads and poor driving conditions. Do yourself a huge favor, check your front end components yourself, or have a professional mechanic do it. If you need new inner or outer tie rods, we have them. While you're at it, don't forget the connecting sleeves—we have those too.

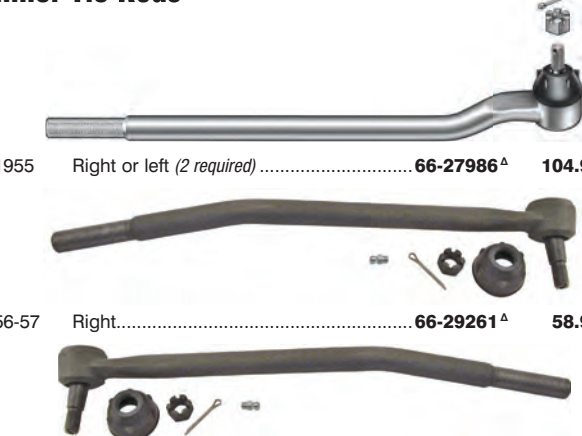

Outer Tie Rods (2 required)

Don't forget to fully grease tie rods after installing them.

- 55-57 Right or left **66-11072^A** **14.99** ea.
 55-57 Right or left, chrome plated **66-11073^A** **23.99** ea.

Inner Tie Rods

- 1955 Right or left (2 required) **66-27986^A** **104.99** ea.

Sector Shaft Seals

55-57 Except 3 tooth sector..... **66-19365^A** **6.99** ea.
56-57 With 3 tooth sector..... **66-19858^A** **6.99** ea.

Sector Shaft Needle Bearings (2 required)

55-56 With 2 tooth sector shaft..... **66-16767^A** **9.99** ea.
56-57 With 3 tooth sector..... **66-28579^A** **11.99** ea.

Steering Shaft Seal

55-57 Rubber..... **66-28003^A** **14.49**

Gasket

55-57 Steering gearbox gasket **66-25202^A** **2.49**

Plate and Tube

55-57 Plate and tube, in gearbox housing..... **66-27998^A** **13.99** ea.

Housing Cap Gaskets and Set (as required)

55-57 Housing cap gasket, .003" thick..... **66-25875^A** **0.99** ea.
55-57 Housing cap gasket, .010" thick..... **66-25877^A** **2.49** ea.
55-57 Set, 8 pieces, (4) .010" and (4) .003"..... **66-25876^A** **7.99** set

Steering Column to Dash Grommet

55-57 Rubber..... **66-27992^A** **8.99** ea.

Steering Column Floor Seals

55-57 Ford-O-Matic transmission..... **66-27994^A** **6.99** ea.
55-57 Manual transmission..... **66-27993^A** **6.99** ea.

Steering Column Bracket Cover Insulators

55-57 Black..... **66-28001^A** **3.99** ea.
55-57 White..... **66-28002^A** **3.99** ea.

18" Reproduction Steering Wheels

Correct reproduction steering wheels are available in factory colors or unpainted. Horn ring and center cap are not included. Visit our website for all available color options.

56-57 **66-882628^A** **347.99** ea.

15" Reproduction Steering Wheel

- Smaller 15" diameter
- Replaces "bus size" 18" wheel for increased comfort
- Fits original steering column
- Comes in black finish
- Can be painted to match interior
- Includes horn ring and center cap

Tired of fighting that bus sized 18" steering wheel in your 1956-1957 Thunderbird? MAC's offers this unique reproduction steering wheel in a smaller 15" diameter. This steering wheel mounts to the original steering column using the original hardware for installation. Comes in black finish, but can be painted to match your interior. Horn ring and center cap are included.

56-57 **66-376388^A** **378.99** ea.

**Looking for parts and accessories

Visit MacsAutoParts.com for the largest selection
anywhere!**

Power Steering Cylinders and Parts

No more messing around with "iffy" original units. MAC's has brand new reproduction power steering cylinders.

At this time we do not have the power cylinder for the very early 1955 Birds that had a copper tube on the outside of the cylinder.

- 1957 Power cylinder, exactly like the original, includes bushings, washers, spacer and nuts **66-30028^A** **249.99** ea.

- 1957 Power cylinder seal kit **66-33487^A** **13.99** kit

- 1957 Power cylinder rebuild kit, does not include accordion boot **66-33485^A** **17.99** kit

Power Cylinder Mounting Kits and Bushings

- 55-56 Mounting kit, at the piston rod end, includes 2 rubber bushings and 1 nut..... **66-26573^A** **7.99** kit

- 55-57 Bushings, at the inner end, includes 2 specially tapered bushings that fit in the eye of the cylinder..... **66-26570^A** **5.99** pr.

- 1957 Mounting kit, parts for mounting both ends, but does not include the special tapered bushings used at the inner end (see above) **66-29681^A** **22.99** kit

- 1957 Mounting kit, at the piston rod end, includes 2 rubber bushings, 2 nuts and 1 sleeve **66-30032^A** **13.49** kit

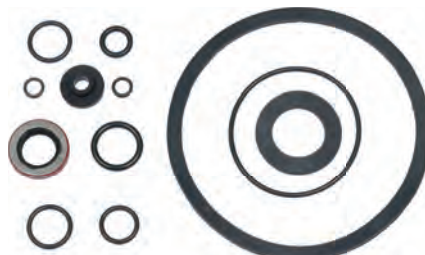

Be advised that a thorough flushing with new fluid is normal operating procedure prior to installing any power steering parts. It is done to help remove harmful contaminants that might be lingering in your system. These contaminants can wreak havoc on the delicate seals in your control valve or power cylinder and with the amount of pressure in the system, all it takes is a tiny nick to cause a troublesome leak.

Power Steering Pumps and Parts

The two power steering pumps listed below are not sold with a core. We rebuild yours. Send in your tired power steering pump and we will rebuild it, making sure it works like new. Allow 3-4 weeks for rebuilding after we receive your rebuildable unit. See MacsAutoParts.com for shipping instructions.

- 55-56 Power steering pump rebuild, see note above **66-28329^A** **199.99** +/-
1957 Power steering pump rebuild, see note above **66-30504^A** **199.99** +/-

Gasket and Seal Kit

- 55-57 For the Eaton pump **66-27577^A** **19.99** kit

Shaft Oil Seal and Bearing

- 55-57 Oil seal **66-26569^A** **7.99** ea.
55-56 Bearing **66-24368^A** **6.99** ea.

Pulley and Washer

- 55-57 Balanced, painted, with correct casting numbers **66-27573^A** **46.99** ea.
55-57 Washer, for pulley listed above **66-14230^A** **3.99** ea.

Brackets

- 55-57 Adjusting bracket, front **66-27572^A** **17.99** ea.
55-57 From pump to exhaust manifold, steel with a black powder coated finish **66-27997^A** **46.99** ea.
55-57 Bolt, special shoulder bolt, 1-3/4" long, used to attach the cast bracket to the water pump **66-14235^A** **15.49** ea.

Power Steering Pump Reservoir Parts

Over the years, your power steering pump reservoir might have been replaced with another style. Please study the 4 different styles explained below before making your purchase.

- 55-57 Reservoir, does not have a return hose nipple, originally used from 1955 through mid 1957 on T-Birds..... **66-28007^A** **29.99** ea.
- 55-56 Reservoir, return hose nipple exits the side of the reservoir at a 45° angle, pointing downward, originally used on full size Fords..... **66-27118^A** **37.99** ea.

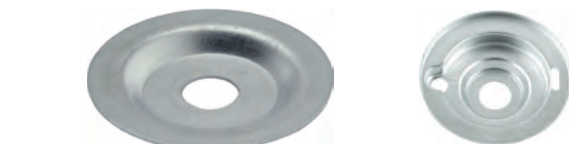

- 1957 Reservoir, return hose nipple exits the bottom of the reservoir, originally used on late 1957 T-Birds..... **66-30363^A** **34.99** ea.
- 55-57 Reservoir cap, screw-on type, includes gasket and dip stick..... **66-26792^A** **19.99** ea.

- 55-57 Reservoir cap gasket..... **66-26793^A** **2.49** ea.
- 55-57 Reservoir cover, does not include the screw-on cap..... **66-27565^A** **23.99** ea.
- 55-57 Reservoir cover gasket..... **66-44068^A** **4.99** ea.

- 55-57 Grommet, used where the bolt goes through the reservoir cover..... **66-31270^A** **2.49** ea.
- 55-57 Filter, fits inside the reservoir, 3" OD x 1" ID x 1-3/8" high..... **66-25260^A** **11.99** ea.
- 55-57 Filter holder, lower, 1955 through mid-1957..... **66-27578^A** **13.99** ea.

- 55-57 Filter retaining spring seat, fits into the top of the filter..... **66-26797^A** **3.99** ea.
- 1957 Filter holder, lower, late 1957..... **66-30367^A** **13.99** ea.

Power Steering Control Valve to Pump Return Line and Clamp

- E55 Power steering return line, this is the early design that has a female fitting where it attaches to the pump..... **66-27566^A** **56.99** ea.
- 55-57 Power steering return line, has a fitting on one end, the other end attaches to the pump with a clamp..... **66-27567^A** **26.99** ea.
- 55-57 Clamp, original style with correct screw, used on reservoir end of hose..... **66-27093^A** **0.99** ea.

Power Steering Control Valve to Power Cylinder Lines

- 55-56 Use with 66-28332, below..... **66-28331^A** **26.99** ea.

- 1957 (2 required)..... **66-30506^A** **23.49** ea.

Power Steering Pump to Control Valve Pressure Lines

- 55-57 With female fitting..... **66-28333^A** **38.99** ea.

- 1957 With male fitting..... **66-30507^A** **37.99** ea.

EPAS Performance Electric Power Steering Conversion Kit

- Allows for maximum power assist in a parking lot
- Less assist on the highway
- No major or irreversible modifications are made to your Thunderbird, everything is located under your dash and is almost completely invisible

Many new cars have electronic power steering because you don't need belt drive power steering pumps, hoses to transfer fluid, or potentially leaky hydraulic steering box or rack. Now you can have a system like this on your Thunderbird. The best part is no major or irreversible modifications are necessary. This kit will make your T-Bird drive like a dream!

- 55-57..... **66-391447^A** **1461.99** ea.

Power Steering Hose Kits

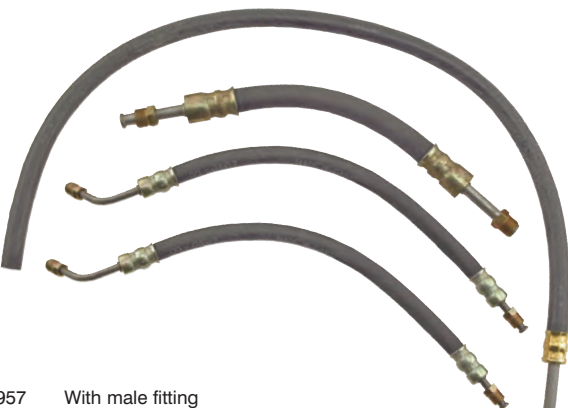

Replace those leaky, dirty, discolored hoses with our new pressure, return and valve to cylinder lines. Get all the hoses you need and save money!

- 55-56 With female fitting on the pressure line, includes:
- 66-27567,
 - 66-28331,
 - 66-28332 and
 - 66-28333 **66-28008^A** **117.99** kit

- 1957 With female fitting on the pressure line, includes:
- 66-27567,
 - (2) 66-30506 and
 - 66-28333 **66-30364^A** **104.99** kit

- 1957 With male fitting on the pressure line, includes:
- 66-27567,
 - (2) 66-30506 and
 - 66-30507 **66-30365^A** **114.99** kit

Power Steering Hose Insulator, Brackets and Arms

- 55-57 Insulator for power steering hoses, rubber **66-26567^A** **11.99** ea.
 55-57 U-shaped bracket and arm set **66-28327^A** **23.99** set

- 55-57 Bracket, U-shaped, hose insulator listed above fits into this..... **66-26568^A** **17.99** ea.

Power Steering Control Rebuild and Parts

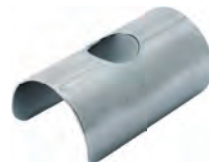

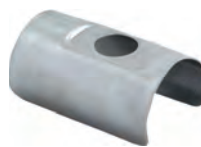

The two steering control valves listed below are not sold with a core. We rebuild yours. Allow 3 to 4 weeks for rebuilding after we receive your rebuildable unit. Prices listed are an estimate only. Go to MacsAutoParts.com and click on the "Print Service Form" tab for complete instructions.

- 55-56 Power steering control valve rebuild **66-27570^A** **198.99** +/-
 1957 Power steering control valve rebuild (shown) **66-30029^A** **198.99** +/-

- 55-56 Sleeve **66-27574^A** **42.99** ea.
 1957 Sleeve **66-44072^A** **22.99** ea.

- 55-57 End cap for control valve, cast aluminum **66-34361^A** **13.99** ea.
 55-56 Control valve ball stud shield..... **66-28010^A** **6.99** ea.
 1957 Control valve ball stud shield..... **66-30366^A** **6.99** ea.

Alignment Shims

- 55-57 1/16" thick **66-27108^A** **2.49** ea.
 55-57 1/8" thick, package of 10 **66-25936^A** **7.99** ea.
 55-57 Same as above, sold each **66-25935^A** **0.99** ea.

Control Arm Bumpers

- 55-57 Upper control arm bumper, right or left (2 required).....**66-26791^Δ** **7.49** ea.
55-57 Lower control arm bumper, right.....**66-27104^Δ** **8.49** ea.
55-57 Lower control arm bumper, left.....**66-27105^Δ** **10.49** ea.

Control Arm Bushings

- 55-57 Upper control arm front bushing, right or left (2 required).....**66-51215^Δ** **7.99** ea.
55-57 Upper control arm rear bushing, right or left (2 required).....**66-26739^Δ** **7.49** ea.
55-57 Lower control arm bushing, front or rear, right or left (4 required).....**66-44065^Δ** **7.99** ea.

Control Arm Shaft and Bushing Kits and Parts

- 55-57 Upper control arm shaft and bushing kit, includes shaft and 2 bushings, right or left, 1 kit does 1 arm (2 kits required).....**66-26736^Δ** **46.99** kit

- 55-57 Upper control arm washer, outer, special cupped design (4 required).....**66-26741^Δ** **3.99** ea.
55-57 Upper control arm washer, inner, special cupped design (2 required).....**66-26740^Δ** **3.99** ea.

- 55-57 Lower control arm shaft and bushing kit, includes 2 bolts, 2 bushings, 4 large washers, 2 lock washers and 2 nuts, right or left, 1 kit does 1 arm (2 kits required).....**66-28576^Δ** **81.99** kit

- 55-57 Lower control arm shaft, as original with extended shoulder and threaded end, includes lock washer and nut (4 required).....**66-25231^Δ** **39.99** ea.
55-57 Lower control arm washer, special cupped design (6 required).....**66-26741^Δ** **3.99** ea.

Ball Joints (2 required)

Unless your Bird has been up on blocks for the past 40 years, chances are that you need new ball joints. Made in the original style, our ball joints will help to restore that new car feel to your Thunderbird.

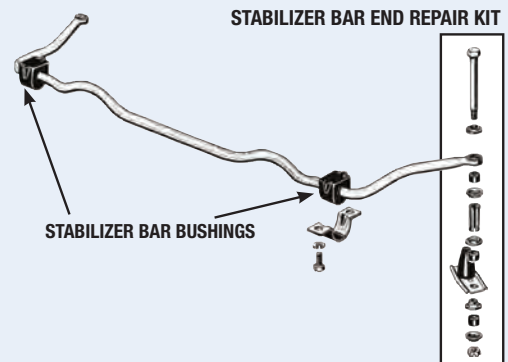

- 55-57 Upper ball joint, right or left**66-27106^Δ** **87.99** ea.
55-57 Lower ball joint, right or left.....**66-27107^Δ** **87.99** ea.

Ball Joint Washer Kit

- 55-57 Includes 10 special cupped washers and 4 foam washers, enough for all 4 ball joints in one convenient kit.....**66-26737^Δ** **27.99** kit

Stabilizer Bar End Repair Kit

- 55-57 1 kit does both ends**66-26798^Δ** **27.99** kit

Stabilizer Bar Bushings and Bracket

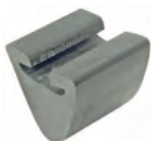

- 55-57 Stabilizer bar bushings, 1 pair does both sides.....**66-26746^Δ** **12.49** pr.
55-57 Stabilizer bar bracket (2 required)**66-19875^Δ** **11.49** ea.

Rear Axle Bumpers (2 required)

- 1955 Includes plate **66-28609^A** **12.49** ea.
 56-57 Plate, for rear axle bumper 66-30451 **66-30452^A** **7.99** ea.

- 56-57 **66-30451^A** **7.99** ea.
 1957 Differential **66-28610^A** **10.49** ea.

Front Coil Spring and Parts

Always replace springs in pairs.

- 55-57 Front coil spring (2 required) **66-30446^A** **65.99** ea.
 55-57 Front coil spring spacer, left side only **66-33742^A** **9.99** ea.
 55-57 Front coil spring upper insulator (2 required) **66-30644^A** **6.99** ea.

Rear Leaf Springs (2 required)

Copies of the original, factory installed springs, they feature leaves with rounded ends and built-in cups for the anti-squeak pads. The bands are as original and the front bushing is included. Always replace springs in pairs.

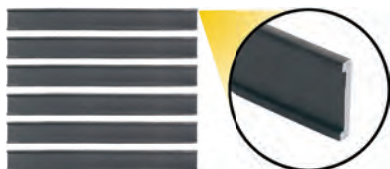

- 1955 **66-28225^A** **249.99** ea.

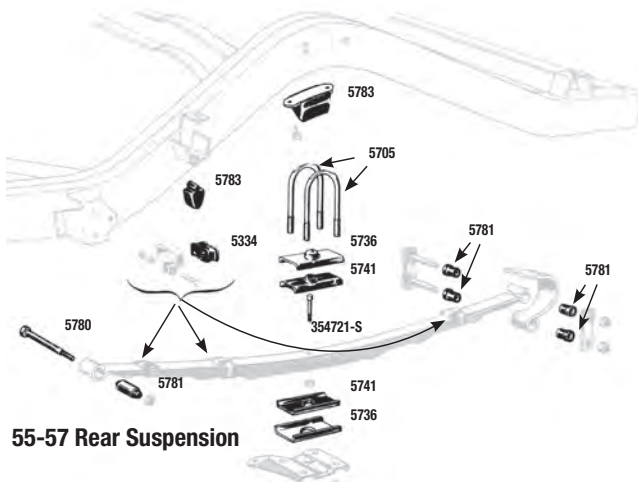

- 56-57 **66-30449^A** **224.99** ea.

Rear Leaf Spring Liners and Clamps

- 55-57 Liner set, rubber, 6 pieces, economy replacement style (shown) **66-19383^A** **9.49** set
 55-57 Clamp, rear leaf spring, 2" wide, replacement type (6 required) **66-28227^A** **7.49** ea.
 1957 Clamp and liner set, includes 6 liners, 6 clamps and instructions, exactly like original **66-30450^A** **23.99** set

55-57 Rear Suspension

Rear Leaf Spring Front Hanger Bolt (2 required)

- 55-57 Bolt and nut, for rear leaf spring front hanger, 7/16" x 20, this goes through the front spring eye **66-29404^A** **11.99** ea.

Rear Leaf Spring "U" Bolt and Nut

- 55-56 Rear leaf spring "U" bolt, does not include special "tall" nuts (4 required) **66-28226^A** **11.99** ea.
 1957 Rear leaf spring "U" bolt, includes special "tall" nuts (4 required) **66-29761^A** **11.99** ea.
 55-57 Special "tall" nut (8 required) **66-29762^A** **2.49** ea.

Rear Leaf Spring Center Pad, Retainer and Bolt

- 55-57 Rear leaf spring center pad (4 required) **66-31485^A** **8.99** ea.

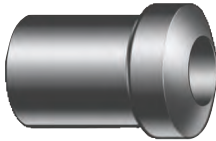

- 55-57 Rear leaf spring center pad retainer, 2-5/16" wide (4 required) **66-26477^A** **11.49** ea.

- 55-57 Bolt, goes through center pads, retainers, and leaf spring (2 required) **66-14250^A** **7.99** ea.

Rear Leaf Spring Shackle Kit and Bushings

- 55-57 Rear shackle kit for rear of leaf spring, 1 kit does 1 spring, bushings are also available separately, see 66-44090 below **66-44273^Δ** **12.99** kit
- 55-57 Shackle bushing, rear of rear spring, included in 66-44273 shackle kit (8 required) **66-44090^Δ** **2.49** ea.

- 1955 Rear leaf spring bushing, front of spring (2 required) **66-27133^Δ** **17.99** ea.
- 56-57 Rear leaf spring bushing, front of spring (2 required) **66-34030^Δ** **7.49** ea.

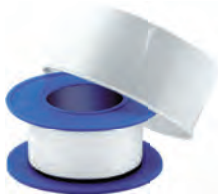

Rear Leaf Spring Anti-Squeak Pads

- 1955 Anti-squeak pad, original style cloth pad with wax coating (16 required) **66-25207^Δ** **3.99** ea.
- 1955 Anti-squeak pad (16 required) **66-30647^Δ** **2.49** ea.
- 56-57 Anti-squeak pad, original style cloth pad with wax coating (12 required) **66-25207^Δ** **3.99** ea.

SAVE \$\$\$—BUY THE SET!

- 56-57 Anti-squeak pad, original style cloth pad with wax coating, 12 pieces .. **66-25208^Δ** **34.99** set
- 56-57 Anti-squeak pad (12 required) **66-30647^Δ** **2.49** ea.

- ALL Teflon tape, fits between the leaves, 3/4" wide x 520" long **66-56242^Δ** **2.49** ea.

Rear Leaf Spring Bumper (2 required)

- 55-56 Rubber, push-in type **66-28610^Δ** **10.49** ea.

Poly Slide Leaf Spring Liners

With all the time and effort you put into restoring your Thunderbird, don't let something little like a squeak ruin your finished product! Use our poly slide leaf spring liners to help fix that problem. You cannot use original spring clips when installing because of the thickness added in each layer. Designed to fit between spring leaves, they control friction and lessen squeaks. Molded in black with a "lip" to reduce movement and sold in convenient 20' rolls, choose your size. 2 Reply

- 55-57 1-3/4" wide x 20' long **66-23717^Δ** **11.99** roll
- 55-57 2" wide x 20' long **66-23718^Δ** **14.99** roll
- 55-57 2-1/4" wide x 20' long **66-23719^Δ** **16.99** roll

Graphite Lube

- ALL A fast drying lubricant that forms a thin, black film providing excellent anti-friction and anti-seizure properties to surfaces. All-position valve allows can to be sprayed in any position. Perfect for use between spring leaves, door latches and hood and trunk latches **66-52314^{*}** **11.99** ea.

Front Shock Absorber Bracket (2 required)

- 55-57 Front shock absorber lower bracket **66-25224^Δ** **16.49** ea.

Front Shock Absorbers

- 55-57 Gas shock absorbers, Cure-Ride **66-24961^Δ** **95.99** pr.

Rear Shock Absorber (2 required)

- 55-57 Rear shock absorber, gas-charged, heavy-duty, Monro-Matic Plus **66-26430^Δ** **39.99** ea.

Addco Sway Bar Kit

ADDCO Manufacturing Company, Inc. produces the world's broadest line of automotive anti-sway bars and associated components. In addition to being the recognized leader in aftermarket suspension parts, they are a proven, high quality provider to the OEM market, offering the responsive and cost-effective service that only a lean, flexible, state-of-the-art manufacturer can provide. Now you can bring all of that experience to bear to make your Little Bird work its way through the corners like a much more modern car. This kit bolts on with no permanent alterations so your car can be returned to stock whenever you desire.

- 55-57 Front, 7/8", with hardware **66-95511^Δ** **149.99** kit
- 55-57 Rear, 7/8", with hardware **66-95512^Δ** **166.99** kit

What is the single most important system on any car?
The brakes, of course. It's the one area where you cannot compromise quality, reliability and safety. We recommend that you put all new brake parts on any car that you plan to drive and please don't forget the little items, like return springs, grease seals, hydraulic lines and self-adjuster parts. The "little" parts are the keys to a system that functions properly, without binding, grabbing, overheating, squealing and other problems.

Front Brake Drums (2 required)

55-56 Front brake drum **66-26912^A** **144.99** ea.

Front Hub Grease Cap and Tool

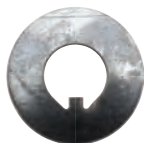

55-57 Grease cap, 1-25/32" ID (2 required) **66-26920^A** **6.99** ea.
ALL Grease cap tool, perfect for installing your grease caps (shown) **66-56518^A** **13.99** ea.

Front Brake Grease Baffle Gasket (2 required)

55-56 Front brake grease baffle to backing plate gasket **66-26716^A** **2.49** ea.

Front Spindle Washer (2 required)

55-57 Front spindle washer **66-34329^A** **1.99** ea.

Rear Brake Drum (2 required)

55-56 Rear brake drum **66-26916^A** **167.99** ea.

Rear Axle Flange Gasket (4 required)

55-57 2 per side **66-24711^A** **2.49** ea.

Before you install those new brake shoes, you should check the condition of the wheel bearings and replace the grease seals! MAC's carries front and rear axle seals and bearings for your T-Bird.

Front Grease Seal (2 required)

55-57 Front grease seal **66-27552^A** **5.99** ea.

Rear Axle Grease Seal (2 required)

55-57 1-1/2" ID x 2-1/2" OD **66-29507^A** **6.99** ea.

Wheel Bearing Sets

55-57 Inner front wheel bearing set (2 sets required) **66-26929^A** **17.99** set
55-57 Outer front wheel bearing set (2 sets required) **66-26931^A** **17.99** set
55-57 Rear wheel bearing, stamped 88128, 1-17/32" ID x 3-5/32" OD (2 required) **66-33759^A** **29.99** ea.

Wheel Lug Nut and Stud (20 required)

55-57 Lug nut, 1/2"-20, zinc plated **66-25661^A** **0.49** ea.
55-57 Wheel stud, 1/2"-20 x 1-1/2" long **66-33435^A** **3.99** ea.

Wheel Bearing Grease

Premium Timken brand wheel bearing grease in a 1 lb. tub with special additives to prevent rust and reduce wear. A must have for installing new bearings, cups and grease caps!

ALL 1 lb. container **66-50761^A** **7.99** ea.

Bearing Grease Packer Kit

Applies fresh grease evenly to virtually any bearing. The old grease is forced out onto the cone for easy clean up.

ALL Universal, 4-1/2" diameter cone **66-68206^A** **11.99** kit

Seal Puller

Use on any oil or grease seal. Place the tip behind the seal, press and pull.

ALL Universal, two tip sizes fit almost all applications **66-68182^A** **9.99** ea.

Brake Overhaul Kits

Now that you've gotten your car running, you need to make sure you can make it stop! MAC's makes this easy with our new brake overhaul kits. We pack everything you'll need* to completely renew your brakes, front and rear, into one convenient kit.

- These money saving kits include:
- Front and rear shoes
- Front and rear wheel cylinders
- Return springs
- Rubber hole plugs
- Horseshoe locks
- Hold down spring kits
- Emergency brake link spring
- Brake shoe adjuster assemblies and spring
- Front and rear brake hoses and their copper washers

*Brake drums are not included in kits.

All kits carry an **\$80.00 core fee** for the front and rear brake shoes. The fee will be refunded when you return your old shoes within 90 days of purchase. Remember that the cores must be returned in the same boxes they were sent in.

Always measure your drum diameter and your brake shoe width to be sure you are purchasing the correct set of shoes.

55-56	Front, 11-1/32" x 2-1/4".....	66-37174^A	23.99 set
1957	Front, 11-1/32" x 2-1/2" (shown)	66-35059^A	49.99 set
55-56	Rear, 11" x 1-3/4".....	66-27940^A	44.99 set
1957	Rear, 11" x 2".....	66-30937^A	42.99 set

Brake "C" Clip (Horseshoe Lock) and Washer (2 required)

55-57	"C" clip (horseshoe lock), rear parking brake lever.....	66-20084^A	0.49 ea.
-------	--	-----------------------------	-----------------

Remember that the brake shoes are usually faced with brake linings of different length. The shoe with the shorter lining is called the "primary" shoe and it goes on the front side of your brakes, toward your headlights. Before you install new brake shoes be sure to check the condition of the grease seals. It's good insurance to replace them now and save yourself the trouble later. We have them in stock and ready for delivery!

Brake Shoe Parts

Brake Shoe Return Springs

55-57	Front and rear, 5" long (8 required)	66-27088^A	2.99 ea.
1957	Front, 7-3/4" long, this spring goes from shoe to shoe (2 required)	66-29657^A	3.99 ea.

Brake Shoe Adjuster Assembly (4 required)

55-57	Right or left, front or rear.....	66-27090^A	14.99 ea.
-------	-----------------------------------	-----------------------------	------------------

Brake Shoe to Cylinder Link (8 required)

55-57	Front or rear.....	66-29659^A	6.99 ea.
-------	--------------------	-----------------------------	-----------------

Brake Shoe Adjusting Spring (4 required)

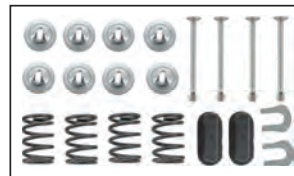

55-57	Front or rear.....	66-50765^A	4.99 ea.
-------	--------------------	-----------------------------	-----------------

Brake Shoe Hold-Down Kits

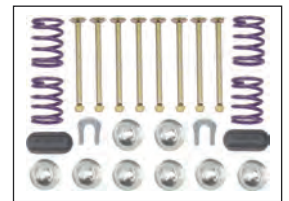

Our brake shoe hold-down kits contain hold-down springs, cups, nails, "C" washers and hole plugs for 1 axle (2 wheels). "C" clip and adjustment hole plugs are also sold separately.

55-57	Front axle.....	66-27091^A	11.99 kit
-------	-----------------	-----------------------------	------------------

55-56	Rear axle.....	66-26440^A	9.99 kit
1957	Rear axle.....	66-24976^A	9.99 kit

Brake Adjustment Hole Plug (as required)

55-57	Rubber.....	66-19322^A	3.99 ea.
-------	-------------	-----------------------------	-----------------

Emergency Brake Link (2 required)

55-57	Link, from emergency brake lever to primary brake shoe	66-44063^A	19.99 ea.
-------	--	-----------------------------	------------------

Pedal Pads

Brake

- 55-57 Automatic transmission, without "Swift Sure" band listed below **66-27961^Δ** **29.99** ea.
 55-57 Automatic transmission, manual brakes.. **66-25191^Δ** **19.99** ea.

Brake and Clutch

- 55-56 Manual transmission (2 required) **66-26442^Δ** **12.99** ea.
 1957 Manual transmission, correct for 1957, factory replacement for 55-56 (2 required)..... **66-29667^Δ** **6.99** ea.

Brake Pedal Arm Spring Bushing and Bumper

- 55-57 Nylon..... **66-27094^Δ** **19.99** ea.
 55-57 Rubber, replacement type, also used on the clutch pedal **66-51301^Δ** **3.49** ea.

Brake Pedal Arm Pivot Bushing

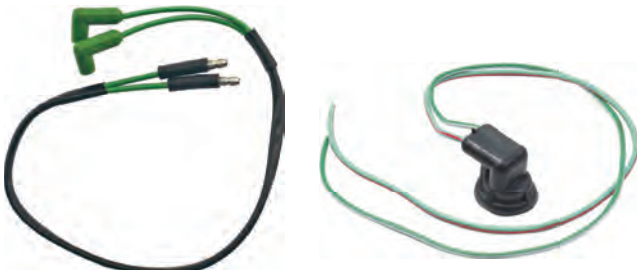

- 55-57 Nylon..... **66-25192^Δ** **13.99** ea.

Brake Light Switches and Wires

- 55-57 Brake light switch **66-33447^Δ** **9.99** ea.
 55-57 An improved, "modern" version, can be used with DOT-5 (silicone) brake fluid, this switch is activated by a lower pedal pressure, enabling brake lights to "come on" quicker, much safer in today's fast-paced traffic scenarios, also a much longer-lasting switch, includes pigtail wiring harness **66-33448^Δ** **31.79** ea.

- ALL Wire, two 90° plugs with wire leads with bullet connectors **66-26977^Δ** **14.99** ea.
 ALL Wire, molded waterproof plug with 2 wire leads..... **66-11501^Δ** **24.99** ea.

Brake Master Cylinder and Parts

These master cylinders are not rebuilt, they are brand new! Compare our prices with rebuilt cylinders and you'll see why MAC's only carries these new master cylinders.

MAC TIP: Most manufacturers recommend the use of DOT 3 or 4 for all classic car braking systems.

Master Cylinder and Boot

- 55-57 1" bore, this is a new master cylinder..... **66-27092^Δ** **89.99** ea.
 55-57 Rubber boot **66-10640^Δ** **3.99** ea.

Master Cylinder Rebuild Kit

- 55-57 1" diameter bore **66-27085^Δ** **22.99** kit

Master Cylinder Filler Caps, Gasket and Wrench

- 56-57 Filler cap, Concours correct BB marking, includes gasket, used late '56 through '57 **66-29241^Δ** **44.99** ea.
 55-57 Master cylinder filler cap gasket **66-19836^Δ** **2.49** ea.
 55-57 Master cylinder filler cap, replacement type..... **66-25190^Δ** **14.99** ea.

- 55-57 Master cylinder filler cap wrench **66-56525^Δ** **7.99** ea.

Master Cylinder Outlet Fitting and Bolt

- 55-57 Master cylinder outlet fitting **66-25188^Δ** **11.99** ea.
 55-57 Master cylinder outlet fitting bolt..... **66-20305^Δ** **15.99** ea.
 55-57 Master cylinder outlet fitting bolt, copper plated as original **66-68516^Δ** **11.99** ea.

Master Cylinder Pushrod Bushing (2 required)

- 55-57 Bushing..... **66-26443^Δ** **5.99** ea.

Master Cylinder Push Rod Pivot Bolt

- 55-57 Offset thread **66-44825^Δ** **24.99** ea.

Brake Hoses and Bracket

It's always a good idea to replace brake hoses if you're uncertain of their condition. Hard-to-see stress cracks or inner deterioration can lead to leaks and brake failure.

- 55-57 Front brake hose, right or left, 14-3/8" long (2 required).....**66-26788^Δ** **19.99 ea.**

- 55-57 Rear brake hose, 15-5/8" long**66-26473^Δ** **19.99 ea.**

- 1957 Bracket, on frame for rear brake hose.....**66-30328^Δ** **11.99 ea.**

Brake Hose Retainer Clip (3 required)

- 55-57 2 from hose to connector in the front and 1 for the rear hose to the frame.....**66-17588^Δ** **1.99 ea.**

Brake Line Gasket (as required)

- 55-57 Copper, 0.51" ID x 0.70" OD**66-20301^Δ** **1.99 ea.**

Bulk Brake Line

For those of you that want to save some money and bend your own brake lines, we have bulk 3/16" line available. We also sell the tools (66-56539 and 66-56528) that will help you achieve professional looking results. No fittings are included.

- ALL 3/16" steel tubing, 25' roll**66-67960^Δ** **18.99 ea.**

Rear Brake Line Springs

- 55-57 These springs offered added protection from damage.....**66-69146^Δ** **3.99 pr.**

Brake Line Connectors and Parts

- 55-56 Connector block, for rear lines**66-27933^Δ** **64.99 ea.**
 1957 Connector block, for rear lines**66-19317^Δ** **14.99 ea.**
 55-56 Bracket, for 66-27933 connector block.....**66-27934^Δ** **9.99 ea.**

- 55-57 Copper gasket, for connector block.....**66-19834^Δ** **2.49 ea.**
 55-57 Copper gasket, for above connector block (2 required)**66-20301^Δ** **1.99 ea.**
 55-57 Bolt, for above connector block.....**66-19835^Δ** **7.99 ea.**

- 55-57 Connector block, for 3 brake lines and brake light switch**66-14239^Δ** **69.99 ea.**
 55-57 Clip, for brake lines, 1 at frame and 2 at rear axle (3 required).....**66-26734^Δ** **3.99 ea.**
 55-57 Screw, for above brake line clip (3 required).....**66-13810^Δ** **2.49 ea.**

Standard Brake Vacuum Bleeder Tool

The unique trigger release on this tool truly makes brake bleeding a one man job. The reservoir jar creates a vacuum that pulls the fluid along with the air bubbles into the jar. Easy to follow step-by-step instructions included.

- ALL**66-76529^Δ** **51.79 kit**

If your master cylinder is the heart of the brake system, then the wheel cylinders are surely the muscles. They directly convert hydraulic pressure into the mechanical motion that presses the brake shoes against the rotating brake drum surface, stopping the vehicle with a huge amount of friction. If a wheel cylinder freezes up or begins to leak, the entire system ceases to function properly. We have all experienced the frustration of bleeder valves that are stuck, or worse, that break. Be sure your brake system is in tip-top shape with brand new wheel cylinders!

Front Brake Wheel Cylinders

- | | | | |
|-------|-------------------------|-----------------------------|------------------|
| 55-57 | Right, 1-1/8" bore..... | 66-25226^A | 11.99 ea. |

- 55-57 Lever, for emergency brake equalizer **66-27982^Δ** **17.99** ea.

- 55-57 Knurled pin, for emergency brake ratchet **66-10788^Δ** **3.99** ea.

- 55-57 Clip, for emergency brake pulley cover **66-27980^Δ** **8.99** ea.

- 55-57 Equalizer bracket..... **66-31095^Δ** **32.99** ea.

Universal Adjustable Proportioning Valve

This adjustable, anodized proportioning valve regulates rear brake pressure, helping to maintain correct brake bias between front and rear brakes. The easy to turn handle makes it simple to either increase or decrease rear brake pressure. This new valve is compatible with 3/16" and 1/4" brake lines. A proportioning valve is necessary for all disc brake conversions, and having an adjustable one allows you the ability to regulate the rear brake pressure for the best possible performance.

- 55-57 **66-73878^Δ** **62.99** ea.

Smithy's Mufflers

Remember that beautiful mellow tone of a Smithy glass pack all the hot rods used to have? Now your favorite ride can have that classic sound. Built today, they feature that nostalgic sound that only a Smithy's fiberglass-packed muffler produces. With a beautiful hammertone finish, 3-1/2" case diameter, either a 2" or 2-1/2" inlet and outlet and double end cap construction, not only do they look great, but they can be adapted to fit virtually any car or truck in your stable.

Calyx Exhaust Manifold Dressing

Very little upkeep is required to keep your cast iron exhaust manifolds looking concours prepared perfect when you use Calyx manifold dressing. It applies with a flannel cloth and polishes to a silver shine in seconds. Application of the dressing does not require removal of the manifolds. Calyx manifold dressing will not burn, is non-toxic, and does not require removal of the manifolds. One container, 3 ounces, will do 3 sets of cast iron exhaust manifolds.

ALL	66-76556 ^Δ	19.99
-----	-------	-----------------------	-------

No one wants to be stranded on the side of the road because of a rusting, leaky fuel tank. Replace your problematic tank with a quality stamped steel gas tank from MAC's. You'll have the peace of mind knowing that your new tank will be trouble-free for years to come. When installing your new gas tank, be sure to replace the sending unit "O" ring seal (on the following

page). Or if you don't want a new tank for your car, try our Gas Tank Sealer (66-52335). MAC's has been selling this product for years and our customers tell us how great it works. Known for its complete coverage, one can will do the trick. Order yours today!

Gas Tanks and Parts

The quality of used gas tanks can vary widely. Don't worry about what you're getting anymore; we now have brand new gas tanks available. Constructed of Ni-terne steel for excellent corrosion resistance and long life.

1955 Gas tank, cork gasket included **66-28285^Δ** **259.99** ea.

1956 Gas tank, cork gasket included **66-29384^Δ** **265.99** ea.

1957 Gas tank, lock ring and "O" ring included **66-30470^Δ** **258.99** ea.

55-56 Pad, rubber, fits between the gas tank and the trunk floor (12 required) **66-28303^Δ** **2.49** ea.

1957 Pad, rubber, fits between the gas tank and the trunk floor (6 required) **66-28303^Δ** **2.49** ea.

55-56 Gas tank filler neck grommet **66-29960^Δ** **6.99** ea.

1957 Gas tank filler neck "O" ring **66-14335^Δ** **3.99** ea.

1957 Gas tank vent hose and clamps kit **66-30474^Δ** **6.99** kit

Gas Tank Straps and Hardware

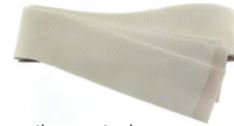

1955 Gas tank strap (2 required) **66-28287^Δ** **13.99** ea.

1956 Gas tank strap (2 required) **66-29386^Δ** **9.99** ea.

1957 Gas tank strap (2 required) **66-29962^Δ** **19.99** ea.

55-57 Pad, fits between the gas tank and the straps **66-28288^Δ** **5.99** pr.

55-56 Gas tank strap bolt, loop at one end (2 required) **66-28343^Δ** **7.99** ea.

1957 Gas tank strap bolt, "J" hook (2 required) **66-30513^Δ** **6.49** ea.

Gas Tank Caps

1955 Gas tank cap, exact reproduction **66-28286^Δ** **31.99** ea.

1956 Gas tank cap, exact reproduction **66-29385^Δ** **31.99** ea.

1957 Gas tank cap, exact reproduction **66-30471^Δ** **22.99** ea.

Gas Tank Sealer

Put a stop to rust, leaks and corrosion permanently. Resistant to all fuels including phase II oxygenated fuels and alcohol (Ethanol). With its ability to bond to metal or fiberglass it can be used in a multitude of applications. Our 1-quart can is enough to treat your tank.

ALL Gas tank sealer, 1 quart **66-52335^{*}** **31.49** qt.

Gas Tank Etch

Use as a prep for your tank, before applying the tank sealer (66-52335). Removes light buildup of rust from inside the tank and leaves a gray phosphate coating. 1 pint should handle up to a 30-gallon tank

ALL 1 pint **66-52315^{*}** **12.99** ea.

CAUTION: Gasoline vapors are extremely flammable! Removal of a gas tank involves serious risk of fire or explosion. NEVER use a regular incandescent light around gas tanks, as cold liquid gas might burst a hot glass bulb if splashed, resulting in explosion. If you are not certain about how to safely remove your gas tank, take your new gas tank to a professional for installation.

***HAZARDOUS MATERIAL**—can only be shipped by ground/surface within the U.S. because of government regulations.

One of the most common causes of an ineffective dash fuel gauge is simply a defective float. Over time they develop holes where they are soldered together and fill up with gas. Put a MAC's replacement on the arm of your sending unit and your gas gauge will work again!

Gas Tank Sending Unit Floats

- | | | | |
|-------|---|-----------------------------|------------------|
| 55-56 | Brass, for original sending units | 66-10415^A | 15.99 ea. |
| 55-57 | Special solid design by Stewart-Warner, works on 66-20528 or 66-29966 sending units | 66-44345^A | 12.49 ea. |
| 55-57 | Brass, works on 66-20528 or 66-29966 sending units | 66-44344^A | 6.99 ea. |

Gas Tank Sending Units

Always running on empty? If you're having fuel gauge problems, the first thing to look at is the sending unit. MAC's carries a terrific supply of reproduction gas gauge sending units that work with the original electrical systems. Just drop it in and you're good to go!

- | | | | |
|------|---|-----------------------------|------------------|
| 1955 | 6-volt, universal type, includes gasket and complete adjustment instructions (uses replacement float 66-44344 or 66-44345 listed above) | 66-20528^A | 49.99 ea. |

- | | | | |
|------|--|-----------------------------|------------------|
| 1957 | 12-volt universal type, includes gasket. Your wire connector will need to be changed to an eyelet type to fit the screw terminal of this sending unit (uses replacement float 66-44344 or 66-44345 listed above) | 66-29966^A | 62.99 ea. |
|------|--|-----------------------------|------------------|

Fuel Stabilizer

The ideal formulation to add to the gas tank when storing vehicles for extended periods. It not only prevents varnish and tank corrosion, it has a no-alcohol formula and will not attack rubber lines or diaphragms as many other fuel stabilizers do.

- | | | | |
|-----|--|------------------|------------------|
| ALL | 1 quart bottle, 1 oz. of this product will keep 3 gallons of fuel fresh for at least 3 years, ideal for preserving shelf life of Ethanol (E10) fuels | 66-52310* | 30.99 qt. |
|-----|--|------------------|------------------|

That lock ring has probably been on your gas tank for fifty plus years. They can be brutal to remove and many times resemble a pretzel when you finally get them out. Plan ahead, if you are replacing the sending unit, order a lock ring at the same time.

Gas Tank Sending Unit Parts

- | | | | |
|-------|--|-----------------------------|-----------------|
| 55-56 | Gas tank sending unit gasket, cork | 66-16871^A | 2.49 ea. |

***HAZARDOUS MATERIAL**—can only be shipped by ground/surface within the U.S. because of government regulations.

truck freight—requires additional shipping charges

oversize/overweight—requires additional shipping charges

Prop 65 warning for California residents, see inside front cover for details

Fuel Filter Clip and Bracket

- 55-57 Fuel line clip, for fuel filter bracket.....**66-28360^Δ** **4.99** ea.
 55-57 Fuel filter bracket.....**66-28289^Δ** **7.99** ea.

Fuel Pump and Gasket

- 55-57 Dual action, new, includes gasket.....**66-28290^Δ** **89.99** ea.
 55-57 Gasket, for glass bowl on original fuel pump**66-24760^Δ** **0.99** ea.

Fuel Pump Mounting Gasket

- 55-57 Fuel pump mounting gasket.....**66-35462^Δ** **2.49** ea.

Fuel Filter Element Only

- 55-57 Fuel filter, for in-line glass bowl filter, includes rubber gasket**66-30476^Δ** **6.99** ea.

Fuel Filters

- 55-57 Fuel filter with glass bowl, in-line type, does not have domed top like original**66-30473^Δ** **27.49** ea.

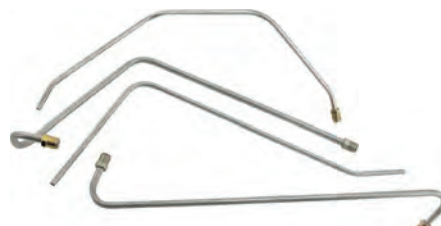

- ALL In-line type, includes 2 short hoses and 4 squeeze type clamps.....**66-34795^Δ** **8.99** ea.

Fuel Line Clip (as required)

- 55-57 Attaches fuel line to frame.....**66-20436^Δ** **7.49** ea.

Fuel and Vacuum Line Sets

- 1955 4-piece set, OE steel**66-28294^Δ** **39.99** set
 1955 4-piece set, stainless steel**66-28295^Δ** **74.99** set

- 1956 4-piece set, OE steel**66-29389^Δ** **44.99** set
 1957 4-piece set, stainless steel, except "E" code 312 with dual 4 bbl carbs or "F" code supercharged 312**66-30480^Δ** **56.99** set

Fuel Pump to Carburetor Fuel Lines

- 1957 Fuel pump to carburetor fuel line, 4 pieces, E-code 312 V8 with two 4 bbl carburetors**66-30478^Δ** **39.99** ea.

Flexible Fuel Line

- 55-57 From main line to pump.....**66-12383^Δ** **12.99** ea.

Fuel Line Hose

- ALL 1/4", rubber, sold by the foot**66-26150^Δ** **5.99** ft.
 ALL 5/16", rubber, sold by the foot**66-26151^Δ** **2.49** ft.
 ALL 3/8", rubber, sold by the foot**66-26152^Δ** **3.99** ft.

66-27500 (E10) INFO/ADVISORY

Please note: With Ethanol (E10) fuels being widely used in many areas, MAC's is doing all we can to provide the very best alcohol-compatible parts currently available. The long-term effects of this additive upon our classic vehicles are yet to be realized.

With any new carburetor or gasket kit, we strongly recommend a high-quality filter and that it be changed on a frequent basis, as well as using a fuel stabilizer (part # 66-52310) for any long-term storage.

Carburetor Rebuild Service

Simply send us your original carb to have it rebuilt by an expert. The carburetor is completely inspected, a master rebuild kit is installed along with a new needle and seat, a new float and new choke cover, then test run it on an engine. Finally, we return to you the same carb you sent to us, only now your carb is completely restored and remanufactured. Please allow 3 to 4 weeks turnaround time.

55-57 Rebuilt carburetor.....
66-20431^A 675.99 ea.

Holley Street Warrior Universal Carburetor

- Performance upgrade for stock to mildly modified V8 engines
- Calibrated for excellent street performance right out of the box
- Adjustable needle and seats to accommodate varying fuel pressures
- One year warranty

ALL 600CFM **66-122277^A 359.99 ea.**

Classic Holley Carburetor

- Performance upgrade for stock to mildly modified V8 engines
- Calibrated for excellent street performance right out of the box
- Adjustable needle and seats to accommodate varying fuel pressures
- One year warranty

ALL 750 CFM, Electric Choke **66-392878^A 376.99 ea.**

Carburetor Base Gaskets

1955 Carburetor base to manifold gasket set, 2 pieces **66-28296^A 6.49 set**
 1956 Carburetor base to manifold gasket **66-28825^A 3.49 ea.**

Carburetor Spacer Plate

1957 Spacer, intake manifold to carburetor, 312 with Holley 4150 4bbl ... **66-30047^A 43.99 ea.**

Carburetor Dashpot Bracket

1957 Carburetor dashpot bracket **66-30488^A 22.99 ea.**

FiTech Fuel Injection Fuel Command Center

- The benefits of an in-tank fuel pump without modifying your fuel tank
- Simplifies adding EFI fuel system
- Works with your existing fuel pump
- Supports enough fuel to feed 800 HP

The FiTech Fuel Command Center Assembly is typically mounted in the engine compartment, but it can also be mounted anywhere on the vehicle's chassis if necessary. Your stock carbureted fuel pump (or a TBI low pressure EFI pump) feeds low pressure fuel to the FiTech Fuel Command Center's sump tank. The conventional fuel line that originally went to your carburetor is connected to the "IN" port of the Fuel Command Center. A supplied high pressure hose is plumbed from the Command Center to the inlet port on your EFI throttle body. A reservoir of fuel is in the sump tank at all times so the 340 L/PH pump inside is submerged in fuel. When the engine is running the Fuel Command Center pump supplies high pressure (58 PSI) fuel to the EFI throttle body.

ALL **66-376727^A 429.99 ea.**

FiTech Fuel Injection

- Replaces your single 4 barrel carburetor with precise fuel injection technology
- Works with factory or aftermarket single 4-barrel intake manifolds and air cleaner assemblies
- Instant starting and throttle response (even after long term storage)
- Self tunes in minutes with no laptop tuning required
- Uses same throttle and transmission linkage as 4150 Holley carburetors

ALL 400 HP basic kit, satin (shown) **66-376725^A 869.99 ea.**
 ALL 600 HP basic kit, bright finish **66-376713^A 999.99 ea.**
 ALL 600 HP basic kit, matte black **66-376706^A 999.99 ea.**
 ALL 800 HP kit, matte black **66-376742^A 1099.99 ea.**
 ALL 600 HP power adder kit, matte black finish, supports normally aspirated supercharger/turbocharger and nitrous up to 600 flywheel horsepower, fuel tables designed to for boost up to 25 psi and nitrous, retards timing under boost / nitrous **66-376707^A 1199.99 ea.**

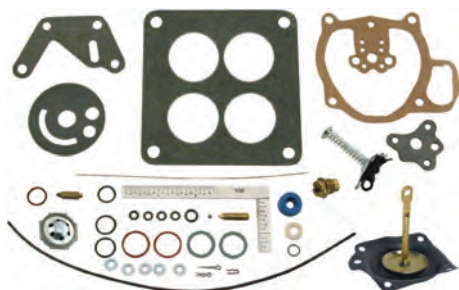

FiTech Inline Frame Mount Fuel Delivery Kit

- Works with any aftermarket EFI conversion kit that supports up to 625HP
- Kit includes a 255LPH fuel pump
- Pre and post fuel filters
- Necessary hose ends
- Billet fuel pump
- Clamp and 25 feet of EFI rated hose

ALL 255LPH **66-385126^A 264.99 ea.**

Carburetor Tune-up Kit

- 55-57 Carburetor tune-up kit, for Holley 4000 "teapot" carburetor..... **66-27500^Δ** **85.99** kit

Carburetor Secondary Vacuum Diaphragms

- 55-56 For Holley 4000 4 bbl..... **66-49409^Δ** **32.99** ea.
 1957 For Holley 4150 4 bbl 312..... **66-29974^Δ** **13.99** ea.

Accelerator Pump Piston Cup

- 55-56 Rubber, Holley 4000 4 bbl..... **66-27498^Δ** **7.99** ea.

Choke Housing to Carburetor Rod

- 1955 Choke housing to carburetor rod..... **66-28344^Δ** **16.99** ea.

Fuel Line Inlet Parts

- 55-56 Fuel line inlet fitting, includes nylon gasket, Holley 4000 "teapot" carb..... **66-26502^Δ** **22.99** ea.
 55-56 Fuel line inlet gasket, nylon, Holley 4000 "teapot" carb..... **66-34462^Δ** **0.99** ea.
 55-56 Fuel line inlet screen, Holley 4000 "teapot" carb..... **66-24723^Δ** **7.99** ea.

Fuel Line Fitting Sealer

Put this high temperature thread sealant directly on threads to prevent leaks. Contains Teflon, making it resistant to E10 ethanol fuels, coolants and hydraulic fluids.

- ALL 6 ml tube..... **66-52347^{*}** **5.99** ea.

Primary Throttle Rod and Parts

- 55-56 Primary throttle rod, does not include lever, Holley 4000 "teapot" carb..... **66-27499^Δ** **98.99** ea.

- 55-56 Primary throttle rod bushing set, 5 pieces, Holley 4000 "teapot" carb..... **66-27497^Δ** **23.99** set

Carburetor Choke Cover Gaskets

- 55-56 Gasket, choke cover..... **66-28839^Δ** **1.99** ea.
 1957 Gasket, choke cover, except supercharged 312 or 312 with two 4 bbl carbs..... **66-29984^Δ** **1.99** ea.
 1957 Gasket, choke cover, supercharged 312 or 312 with two 4 bbl carbs..... **66-28839^Δ** **1.99** ea.

Automatic Choke Housing Gasket

- 1955 Automatic choke housing gasket..... **66-49381^Δ** **2.49** ea.

Air Cleaner and Parts

- 55-56 Air cleaner assembly with chrome top, correct style for '56, will work on '55..... **66-29391^Δ** **315.99** ea.

- 55-56 Air cleaner cover gasket..... **66-28342^Δ** **3.49** ea.
 1955 Air cleaner carburetor stud..... **66-28345^Δ** **12.49** ea.

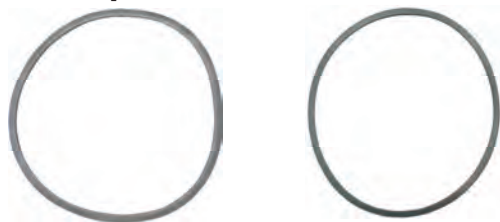

- 55-57 Air cleaner to hood seal, rubber and cork..... **66-20442^Δ** **4.99** ea.
 55-57 Air cleaner cork seal staple kit..... **66-20443^Δ** **4.99** kit

- 55-57 Air cleaner wing nut, zinc plated..... **66-14310^Δ** **2.49** ea.
 55-56 Air cleaner wing nut, chrome..... **66-15900^Δ** **9.99** ea.
 1957 Air cleaner wing nut, chrome..... **66-12173^Δ** **3.99** ea.

Carburetor Top Gaskets to Air Cleaner

- 55-56 Carburetor top gasket to air cleaner..... **66-28297^A** **4.99** ea.
 1957 Same as above..... **66-30483^A** **6.99** ea.

Accelerator Pedal, Rod and Seal

- 55-57 Pedal..... **66-27502^A** **14.99** ea.
 55-57 Rod..... **66-28299^A** **7.99** ea.
 55-57 Seal, at firewall..... **66-28300^A** **2.49** ea.

Accelerator Pedal Bellcrank

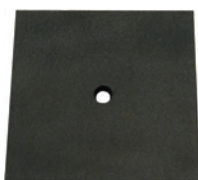

- 56-57 At firewall, automatic transmission..... **66-30484^A** **59.99** ea.

Throttle Kickdown Spring

- 55-57 Kickdown spring, Ford-O-Matic..... **66-28301^A** **8.99** ea.

Accelerator Rod to Floor Seal

- 55-57..... **66-31665^A** **3.49** ea.

Accelerator Rods

- 1956 To bellcrank..... **66-28834^A** **13.99** ea.

Automatic Choke Control Tubes, Insulators and Parts

- 1955 Control tube, inlet..... **66-27507^A** **8.99** ea.

- 1956 Control tube, outlet, with fittings..... **66-28835^A** **13.99** ea.

- 1956 Choke control tube, inlet..... **66-28836^A** **17.99** ea.

- 1956 Control tube insulator..... **66-28838^A** **3.99** ea.

- 56-57 Control tube elbow, inlet, brass..... **66-49414^A** **8.99** ea.

- 56-57 Control tube elbow, outlet, brass..... **66-49415^A** **8.99** ea.

- 56-57 Heat control tube..... **66-28840^A** **16.99** ea.

- 1957 Control tube, outlet, with fittings..... **66-29982^A** **6.99** ea.

- 1957 Control tube insulator, V8 292 with 2 bbl carburetor..... **66-49411^A** **6.99** ea.

- 1957 Control tube insulator, 4 bbl carburetor..... **66-29983^A** **3.99** ea.

- 1957 Air intake deflector mushroom..... **66-29973^A** **12.99** ea.

The cooling system is one of the hardest working systems on any vehicle. When you think about the constant heat and pressure of coolant flowing through hot water jackets, rubber hoses, the water pump itself and the radiator, it's easy to understand why leaks and other failures are so common. Yet when it's working properly, our cooling system is often "out of sight and out of mind." Keep a close eye on the many components of the cooling system on your car and keep your friendly and reliable Ford engine cool and happy!

Radiators

- 55-57 Heavy duty, 4 row, without transmission oil cooler, for air cooled Ford-O-Matic or any manual transmission **US** **66-28255^Δ** **499.99** ea.
- 56-57 Heavy duty, 4 row, with transmission oil cooler, for water cooled Ford-O-Matic **US** **66-29381^Δ** **499.99** ea.

Design and material advances provide such improved cooling capacity and efficiency that the same radiator can be used for standard, A/C, and performance applications.

- Copper/brass construction
- Exceeds OEM radiator cooling
- Without transmission oil cooler

NOTE: Rows: 4; Type: CBR; CORE: 18-1/8 x 20 x 2; Inlet Conn: 1-3/4; Outlet Conn: 2; TOC: Yes; EOC: No. For air-cooled Ford-O-Matic or any manual transmission.

- 55-57 **US** **66-360740^Δ** **654.99** ea.

Champion Aluminum Radiators

Your classic Ford can get hot... really hot! Driving and idling in traffic on 90+ degree summer days can push your stock cooling system to its limits... and beyond. Factory brass radiators are barely satisfactory at transferring heat, which is why they overheat when you least expect it. Why take chances with your valuable engine? Step up to Champion's all-aluminum, high efficiency radiator. Aluminum alloy is a far superior metal to the original equipment copper-brass construction because it dissipates heat much more quickly and cools down much more rapidly. Heat transfer from your engine to the atmosphere is greatly increased, thereby lowering the temperature of the engine coolant dramatically. An aluminum radiator will out-cool a copper/brass radiator of similar size and construction by at least 40%. As a bonus, it's 50-75% lighter than your typical copper/brass radiator. Install this Champion high efficiency aluminum radiator in your classic and make cooling problems a thing of the past!

2-Row

- High-flow design with 2 rows of 3/4" tubing
- 50%-75% lighter than typical copper/brass radiator
- 16 lb. radiator cap and transmission cooler included

- 55-57 **US** **66-360947^Δ** **189.99** ea.

3-Row

- High-flow design with 3 rows of 5/8" tubing
- 50%-75% lighter than typical copper/brass radiator
- 16 lb. radiator cap and transmission cooler included

- 55-57 **US** **66-360751^Δ** **245.99** ea.

Want to know an easy way to test a radiator for a leak? Remove it from the car and get an old bicycle tube (large diameter works best). Cut the tube in half, put one end over the upper radiator hose neck and the other end over the low neck. Tighten hose clamps on each end, install the radiator cap and use the valve stem on the tube to pump in air from an air compressor. Then, put the radiator in one of those little baby wading pools. It works great!

Water Wetter

Is your engine running hot? Cool it off with Water Wetter®. Adding one 12 oz. bottle to 12–16 quarts of coolant can drop the operating temperature up to 20°. Not only that, you will also be reducing rust, corrosion and electrolysis in your cooling system. It's modern science for your classic car.

ALL Water Wetter® 12 oz. bottle..... **66-68063^A** **15.99** ea.

Radiator Cleaner

ALL Permatex heavy-duty radiator cleaner, 1 quart **66-52343^A** **15.99** ea.

Radiator Cap

55-57 Original style AC #698..... **66-30694^A** **34.99** ea.

Radiator Petcock

55-57 1/4" pipe thread, straight outlet..... **66-19560^A** **5.99** ea.

Cooling System Zinc Anode

- Fits in radiator in place of petcock
- Protects cooling systems from galvanic corrosion
- Made in the USA

There is a secret weapon available to guard against cooling system corrosion - the sacrificial anode. Sacrificial anodes are created from a metal alloy with a more negative electrochemical potential than the other metal it will be used to protect. The sacrificial anode will be consumed in place of the metal it is protecting, which is why it is referred to as a "sacrificial" anode. This will protect aluminum most of all but also cuts down on steel corrosion. This one is simple to install. Simply remove the radiator petcock or plug, and screw this in. That's it! Of course not all radiators have the 1/4" NPT 'bung' for a petcock so make sure yours does before you order this great item.

55-57 **66-379337^A** **27.99** ea.

Radiator Support Pad

55-57 Rubber block, approx. 2-7/8" long x 1-1/4" wide x 3/4" thick..... **66-25241^A** **5.99** ea.

Fan Shroud and Parts

55-57 Upper fan shroud **66-28259^A** **104.99** ea.
55-57 Lower fan shroud **66-28262^A** **69.99** ea.

55-57 Upper fan shroud to radiator seal **66-28261^A** **5.99** ea.
55-57 Upper fan shroud to radiator seal staple kit..... **66-28260^A** **3.99** kit
55-57 Lower fan shroud to radiator bracket **66-28264^A** **13.99** ea.

Radiator Hoses

55-57 Radiator hose set, upper and lower, with "FoMoCo" script **66-18524^A** **39.99** set
55-57 Upper radiator hose, molded, exact reproduction, no script..... **66-18513^A** **17.99** ea.
55-57 Lower radiator hose, replacement, exact reproduction, with kink in top for exact fit, no script **66-18600^A** **18.99** ea.

Original Band-Type Hose Clamps

55-57 Hose clamp kit, includes 4 clamps, original band-type **66-28276^A** **6.99** kit

55-57 Hose clamp, lower, original band-type (2 required) **66-30555^A** **1.99** ea.

55-57 Hose clamp, upper, original band-type (2 required) **66-30558^A** **3.99** ea.

Water circulating throughout your engine is critical to its longevity. Don't take a chance on an "iffy" water pump, choose from our complete selection of new or remanufactured pumps and get that water moving to keep your engine cool! All of the water pumps listed below include the mounting gaskets.

Water Pumps

- 55-57 Water pump, with mounting gaskets, new.....**66-28816^Δ** **99.99** ea.
 55-57 Water pump, with mounting gaskets, rebuilt (see core note below).....**66-28817^Δ** **104.99** ea.

The rebuilt water pump is sold on an exchange basis. A **\$20.00 core fee** will be charged. Core fee will be refunded if an acceptable exchange is received in the supplier's original package within 90 days of purchase.

Water Pump Baffle

- 55-57 Helps prevent overheating, insert between water pump spacer and front timing case cover, stainless steel....**66-27482^Δ** **19.99** ea.

Water Pump Gaskets

- 55-57 Water pump to spacer**66-27483^Δ** **3.99** ea.
 55-57 Spacer to timing cover**66-27483^Δ** **3.99** ea.

Water Bypass Tube and Gasket

- 55-57 Bypass tube.....**66-34938^Δ** **9.99** ea.
 55-57 Water bypass tube gasket**66-49391^Δ** **4.99** ea.

Thermostats, Gasket and Housing

- 55-57 Thermostat, 180°, gasket not included ...**66-34458^Δ** **7.99** ea.
 55-57 Thermostat, 160°, gasket not included.....**66-34459^Δ** **8.99** ea.
 55-57 Thermostat gasket.....**66-27478^Δ** **2.99** ea.
 55-57 Thermostat housing**66-28283^Δ** **49.99** ea.

Water Temperature Sending Units and Adapters

- | | | | |
|-------|-----------------------------|-----------------------------|------------------|
| 1955 | Sending unit, 6-volt | 66-19167^Δ | 44.99 ea. |
| 1956 | Sending unit, 12-volt | 66-28953^Δ | 49.99 ea. |
| 55-56 | Adapter | 66-26715^Δ | 14.99 ea. |
| 1957 | Sending unit, 12-volt | 66-29480^Δ | 15.99 ea. |
| 1957 | Adapter | 66-29484^Δ | 14.99 ea. |

If you've converted your '55 Bird to 12-volt, substitute our 66-28953 water temperature sender so your dash gauge will function.

A common fan belt problem occurs when belts jump off of pulleys, especially under hard acceleration. Belts are often ruined this way, being torn or stretched out of shape. Remember that all pulleys must be aligned exactly with each other. Your belt should look like a perfectly straight line, when you stand back and sight down the front edge of the belt from one pulley to another. If you notice a slight bend or change of direction in the belt where it passes into the groove of a pulley, it will probably jump off under high RPMs. Align those pulleys as perfectly as possible. You might need to replace a bracket, or use shims on mounting bolts. Whatever it takes, get those pulleys lined up correctly and your fan belts will live longer. Your Thunderbird will thank you.

Fan Belts

The reproduction belts are concours-correct with original-type features. The replacement belts function properly, but do not look original.

Replacement

- 55-57 Fan to generator belt, for cars without AC.....**66-18642^Δ** **14.99** ea.
 55-57 Power steering belt, for cars without AC.....**66-18642^Δ** **14.99** ea.

Reproduction

- 55-56 Fan belt, notched, for cars originally with 3 blade fan**66-18733^Δ** **24.99** ea.
 56-57 Fan belt, notched, for cars originally with 4 blade fan**66-18734^Δ** **24.99** ea.
 1957 Fan belt, without notches, for late 1957 models with 4 blade fan.....**66-18735^Δ** **24.99** ea.
 55-56 Power steering belt, notched, used and early 1956.....**66-18736^Δ** **24.99** ea.
 56-57 Power steering belt, notched, used from mid 1956-mid 1957**66-18737^Δ** **24.99** ea.
 1957 Power steering belt, without notches, used only in late 1957**66-18738^Δ** **24.99** ea.

55-57 Heater hose, 5/8" diameter, black as original **66-12111^A** **1.99** ft.
 55-57 Heater hose clamp, clamps heater hose to inner fender panel **66-27904^A** **6.99** ea.
 55-57 Heater and bypass hose clamps, 6 pieces **66-27901^A** **8.99** set

Ventilator System Parts

55-57 Vent cable bracket, with clips **66-28016^A** **9.99** ea.

55-57 Vent air valve gasket **66-31567^A** **4.99** ea.
 55-57 Air duct gasket set, 6 pieces, includes 4 vent air valve gaskets, 1 vent air damper seal and 1 air vent duct seal **66-31569^A** **7.99** set

55-57 Screen, for air duct scoop, right **66-28023^A** **3.99** ea.

55-57 Screen, for air duct scoop, left **66-28024^A** **3.99** ea.

Heater Hose Elbow

55-57 Heater hose to water pump, 3/8" thread, 20° bend **66-19301^A** **8.99** ea.

Vent Control Assemblies

55-57 Left **66-28020^A** **42.99** ea.

55-57 Right **66-28018^A** **19.99** ea.

Air Valve Damper Door Assembly and Seal

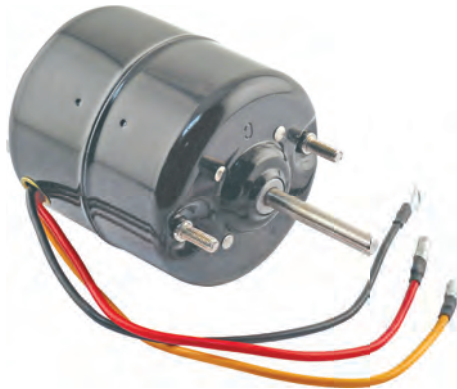

56-57 Air valve damper door assembly, 3-1/2 x 5-3/4 **66-19400^A** **17.99** ea.

56-57 Air valve damper rubber seals, you must drill out spot-welds to replace this rubber seal, comes complete with screws to replace drilled-out spot welds **66-19401^A** **16.99** pr.

Heater Blower Motor and Parts

56-57 Motor, 12-volt replacement type **66-29237^Δ** **249.99** ea.

55-57 Motor to housing grommet **66-29238^Δ** **3.99** ea.

55-57 Heater blower motor fan (squirrel cage) . **66-49601^Δ** **24.99** ea.

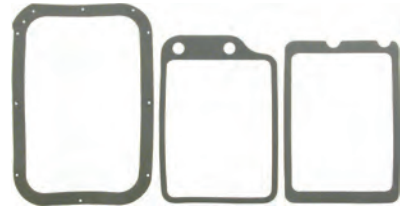

55-57 Switch **66-27916^Δ** **35.99** ea.

Heater Plenum Chamber

55-57 **66-27900^Δ** **62.99** ea.

Heater Case Gaskets

55-57 Set, heater to firewall, 3 pieces (includes the following 3 items) **66-27914^Δ** **24.99** set

55-57 Heater core to case gasket **66-26436^Δ** **3.99** ea.

55-57 Heater duct to case gasket **66-26437^Δ** **6.99** ea.

55-57 Heater to dash gasket **66-49602^Δ** **5.99** ea.

Heater Core

55-57 **66-49600^Δ** **99.99** ea.

Heater Seal

55-57 Glues to back of heater door **66-27902^Δ** **3.99** ea.

Heater Door Knob

55-57 Black plastic **66-49663^Δ** **8.49** ea.

Heater Control Lever

55-57 Upper.....**66-27915^A** **19.99** ea.

Heater Control Bezel, Face Plate and Backing Plate

55-57 Bezel, chrome.....**66-27911^A** **34.99** ea.

55-57 Face plate.....**66-27917^A** **15.99** ea.

55-57 Backing plate, for heater face plate listed above.....**66-27919^A** **6.99** ea.

Heater Inlet Duct Deflector

55-57 Fits inside heater inlet duct.....**66-27899^A** **7.99** ea.

Heater Control Cables

55-57 Heater, defroster and vent cable set, 3 pieces.....**66-27907^A** **44.99** set

55-57 Heater control cable retaining clip.....**66-12123^A** **3.99** ea.

Heater Ducts and Clamps

55-57 Round, 6" long x 3.92" diameter.....**66-27071^A** **14.99** ea.

55-57 Clamp, for round heater duct.....**66-27487^A** **16.99** ea.

55-57 Square.....**66-28564^A** **22.99** ea.

55-57 Heater to blower air duct clamp, square.....**66-49605^A** **5.99** ea.

Perfect Fit Air Conditioning System

This high quality air conditioning retrofit kit is engineered specifically to use the original 1955-57 Thunderbird heater controls and dash louvers while providing you with powerful air conditioning, heat on the floor, and dehumidified defrost. The air conditioning and defrost connect to the original heater-defrost diffusers.

The 1955-57 T-Bird "Perfect Fit" air conditioning system is designed specifically to bolt into your Thunderbird with minimum modification to your vehicle. Each kit comes with detailed, easy-to-follow installation instructions and mounting template.

- Kit includes:
- Evaporator interior kit
- Condenser kit
- Compressor
- Mounting brackets

55-57**66-95039^A** **1534.99** kit

Take a good look at your lights, lenses and overall brightness of your lighting system. Old faded lenses and corroded reflectors cause your lights to look dim. The brightness of your light bulbs is generally affected by ground wires and sockets while their brilliance is enhanced by the plastic lenses. Bright and beautiful lights are an asset to any nice car. MAC's has the parts to restore the beauty of your light systems. You will love the restored appearance that new bezels, lenses and gaskets will add to your car. Find all of the parts you need in MAC's comprehensive listings for your Thunderbird. Hint: Always take pictures of your car with the lights on, it will enhance the beauty of your ride.

Headlight Retaining Ring (2 required)

55-57 Plain steel **66-10031^Δ** **17.99** ea.

Headlight Door Lower Retainer Clip (2 required)

55-57 Retainer clip **66-27745^Δ** **7.99** ea.

Headlight Bucket Spring (2 required)

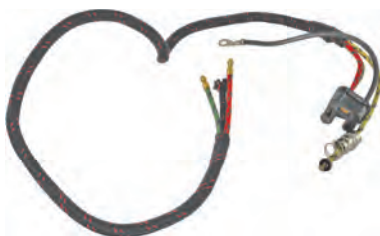

55-57 **66-10954^Δ** **2.99** ea.

Headlight Bucket to Fender Gasket (2 required)

55-57 **66-10955^Δ** **4.99** ea.

Headlight Bulb Pigtail (2 required)

55-57 For 3-prong sealed beams..... **66-10042^Δ** **5.99** ea.

Parking Light Housings (2 required)

See our headlight, parking light and tail light wiring in our wiring section.

1955 Includes correct wire pigtail **66-27750^Δ** **43.99** ea.
55-56 Housing only **66-27753^Δ** **30.99** ea.

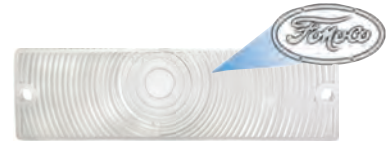

1956 Includes correct wire pigtail **66-29160^Δ** **42.99** ea.
1957 Includes correct wire pigtail **66-30253^Δ** **59.99** ea.

Parking Light Lenses

55-56 Right or left, with "FoMoCo" logo
(2 required) **66-49721^Δ** **9.99** ea.
55-56 Right or left (2 required) **66-49720^Δ** **15.49** ea.

1957 Gasket..... **66-30259^Δ** **5.99** pr.

Parking Light Body to Fender Pads (2 required)

55-56 **66-27758^Δ** **5.99** ea.
1957 **66-30260^Δ** **3.49** ea.

See our full wiring selection in our wiring section

Old lenses and gaskets that are unbroken will sometimes be left in place by a restorer, until that person parks next to a similar car with beautiful brand new reproduction lenses. The old, faded and dull lenses look very weak by comparison and dirty, cracked gasket edges look shabby sticking out from behind the lens. Considering plastic lenses are an easy fix, you can have new lenses in place for your next show. Put new light bulbs, lenses, gaskets and connectors on your T-Bird and brighten your "outlook!"

Taillight Lenses (2 required)

1955	66-26951^Δ	18.99 ea.
1955	With "FoMoCo" script.....	66-26952^Δ	24.99 ea.

 56-57 Backup light wiring **66-29207^Δ** **49.99** ea.

Light Gasket Kits

If you want to replace all of the gaskets on your car's exterior (which is probably a good idea since they are more than 50 years old), then we have just what you need! We put together these kits to save you money and make it easier for you to get all the gaskets you need. Each kit contains the gaskets for the head lights, parking lights, tail lights, backup lights and the license plate light.

- 1955 Gasket kit for cars with backup lights, kit includes:
 (2) 66-10955, (1 pr.) 66-26954,
 (1 pair) 66-26989,
 (2) 66-26996, (2) 66-27758,
 (1 pair) 66-28504 and
 (1 pair) 66-49722 **66-27740^A** **54.99** kit

LED Taillight Kit

Original '55 tail lamps were dim and hard to see, even at night. Make your 'Bird safer with our tail light kit with ultra-bright LEDs! The LEDs light up in a solid pattern for ultra-bright brake lights, and glow in a solid pattern and dimmer for driving lights. These LED lamps include a pigtail that plugs into the original bulb socket, and looks great once installed. Other than the increased brightness and redness, no one will know that these are LEDs!

Sunburst Effect

These LED Thunderbird tail lights create a unique "Sunburst" effect when the turn signal is active.

Tiny little light bulbs are so affordable and can seem so insignificant. But when you're driving your classic Thunderbird after dark, they are so important! Also, that nagging "dark spot" on your dash will drive you nuts, especially if it is supposed to be illuminating important gauges, like temperature or oil pressure. Besides, no one needs to tell you how important tail lights and turn signal lights are for safety. Don't trust old bulbs that might be near the end of their lives. Replace all of those inexpensive dash bulbs whenever you get behind the instrument cluster or radio panel and never reuse old tail light or turn signal bulbs. Murphy's Law dictates that they will fail at the worst possible time and place (this is well known by most car restorers.) MAC's stocks the hard-to-find light bulbs for your classic car. From the parking lights to the dome light and all the way back to the taillights, we have them all. Whether you need one bulb or all the bulbs, count on MAC's!

Light Bulb Pliers

ALL Light bulb pliers, a convenient tool for removing various sizes of round socket type bulbs **66-56536^A** **24.49 ea.**

ALL Dielectric grease, Permatex brand, .33 oz., get protection from salt, dirt and corrosion with just a tiny amount of this grease. It is so efficient; it will prevent voltage leakage around any electrical connection. Use it in your bulb sockets and spark plug boots and extend their life too. This is great stuff, get yours today **66-52313^A** **6.99 ea.**

Find the bulb you need quickly and easily!

Halogen Taillight Bulb

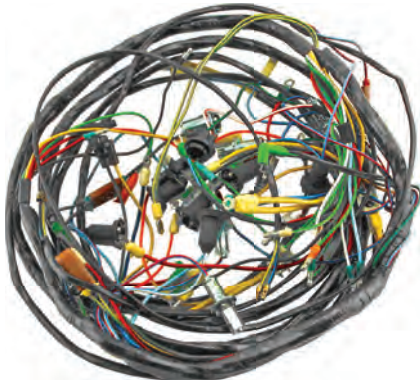

The need to be seen is strong, especially when we are referring to tail lights. We have an easy way to be seen better, replace your 32 watt incandescent tail light bulbs with our 50 watt halogen bulbs.

1955 Single contact, 6-volt, 50 watts .. **66-26292^A** **14.49**

Take a good look at the wiring on your Thunderbird. Does it consist of makeshift plugs, mismatched jumper wires and suspicious looking wads of electrical tape? Time can take a heavy toll on connectors, leaving them so corroded that little or no current will pass through. MAC's wiring harnesses are made to meet the highest standards, so you can unplug the "bad" and plug in the "good." We use the correct color wires with correct color tracers so you can refer to an original wiring diagram for proper routing. The plugs are just like the originals, simply plug them in!

Wiring Harnesses

1956	Parking light and turn signal socket, PVC wire, right	66-29162^Δ	33.99 ea.
1956	Parking light and turn signal socket, PVC wire, left	66-29161^Δ	32.99 ea.

1956	Tail light socket, 2 wires with socket, 7" long (2 required)	66-50443^Δ	13.99 ea.
1957	Tail light socket, 2 wires with socket, 7" long (2 required)	66-50444^Δ	19.99 ea.

1957	Parking light socket and wire, 27" long (2 required)	66-30261^Δ	27.99 ea.
------	--	-----------------------------	------------------

License Plate Light Wires and Socket

- 1955 License plate light wire, 2 black PVC wires, 54" long, without bracket..... **66-27764^A** **8.99** ea.

- 1956 License plate light wire, 2 black PVC wires, 26" long, without bracket..... **66-29170^A** **11.99** ea.

- 1956 License light wire, 16" long **66-29190^A** **9.99** ea.

Dome and Map Light Wires

- 1955 Dome light wire, PVC wire, 4" long..... **66-49675^A** **5.99** ea.
1955 Map light socket, PVC wire, 4" long..... **66-27766^A** **11.99** ea.

Generator to Regulator Wire

- 1957 PVC wire, 29-1/2" long **66-30276^A** **22.99** ea.

Ignition Coil to Distributor Wires

- 1955 PVC wire, 15" long..... **66-50437^A** **6.99** ea.
56-57 14" long..... **66-50497^A** **6.99** ea.

Horn Wires

- 1955 With shell, spring, insulator and rivet, 71" long **66-27793^A** **19.99** ea.
56-57 With shell, spring, insulator and rivet, 71" long **66-29186^A** **22.99** ea.

Heater Wires

- 1955 Heater motor wire, braided wire, 12" long, early 1955 only..... **66-50511^A** **11.99** ea.
56-57 Ignition switch to heater motor, PVC wire, 44" long, with fuse (shown) **66-29187^A** **19.99** ea.
56-57 Heater blower motor wire, PVC wire, 12" long..... **66-50520^A** **14.99** ea.

Oil Pressure Sending Unit to Cowl Wire

- 56-57 28" long..... **66-50515^A** **6.99** ea.

Overdrive Wires

- 1955 59" long..... **66-27794^A** **34.99** ea.
56-57 47" long..... **66-29188^A** **37.99** ea.

Headlight Crossovers

- 1955 PVC wire, 19 terminals, with generator and turn signal wires **66-27799^A** **49.99** ea.
1956 PVC wire, 19 terminals, with generator and turn signal wires **66-29192^A** **64.99** ea.

Parking Light and Turn Signal Crossover

- 1957 PVC wire, 47" long..... **66-30282^A** **29.99** ea.

Wiring Junction Blocks

- 55-56 Single stack, mounts on right apron **66-50481^A** **16.99** ea.

- 55-56 Installs under dash **66-50482^A** **20.99** ea.

- 55-57 Double stack, mounts on left apron **66-50480^A** **19.99** ea.

Neutral Safety Switch Wire

56-57 PVC wire **66-50518^Δ** **32.99** ea.

Shift Light Wires

1955 Without socket, PVC wire, 7-1/2" long **66-27765^Δ** **3.99** ea.
56-57 Without socket, molded end, 7-1/2" long **66-29173^Δ** **5.99** ea.

Turn Signal Switch Wires

1955 6 wires, 34" long **66-27805^Δ** **24.99** ea.
56-57 6 wires, 34" long **66-29193^Δ** **36.99** ea.

Wiring Harness Strap

55-57 Holds wiring to engine compartment, molded black plastic (*as required*) **66-14395^Δ** **0.49** ea.

Ignition Coil to Ignition Resistor Wires

56-57 PVC wire, **except** with dual carburetors, 3-1/2" long (shown) **66-50458^Δ** **6.99** ea.
1957 Only with dual carburetors, 8-1/2" long ... **66-50541^Δ** **6.99** ea.

Instrument Ground Jumper Wire

55-56 PVC wire, 5 terminals **66-27810^Δ** **11.99** ea.

Backup Light Wires (*as required*)

1955 Backup light wire, 2 PVC wires (black and red) **66-27822^Δ** **17.99** ea.
1955 Backup light wire, 1 PVC wire (black and red), 66" long **66-50463^Δ** **7.99** ea.
1955 Backup light socket wire, PVC wire, 13" long, without socket **66-50509^Δ** **6.99** ea.

1956 Without socket, PVC wire, 13" long (shown) **66-50464^Δ** **3.99** ea.
56-57 Backup light wiring **66-29207^Δ** **49.99** ea.

Power Seat Wires

1957 Seat regulator relay wire, 94" long, with Dial-A-Matic power seat **66-30290^Δ** **168.99** ea.
1957 Seat regulator control wire, 69" long, with Dial-A-Matic power seat **66-30292^Δ** **29.99** ea.

Power Window Wires

1955 Power window wiring, right, 12 terminals **66-27815^Δ** **66.99** ea.
1955 Power window and power seat wires, PVC wire, left, 23 terminals **66-27816^Δ** **96.99** ea.

Heater Blower Motor Wires

1955 Braided wire, early 1955 **66-50511^Δ** **11.99** ea.
56-57 PVC wire, 12" long **66-50520^Δ** **14.99** ea.

Electric Clock Feed Wire

56-57 With fuse holder, 8" long **66-28543^Δ** **19.99** ea.

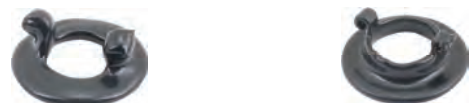

Door Wiring Shields

55-57 Right **66-28072^Δ** **29.99** ea.
55-57 Left **66-28073^Δ** **29.99** ea.

Wiring Grommets

55-57 Grommet, inner apron wiring hole, rubber coated (*4 required*) **66-14209^Δ** **4.99** ea.
1957 Grommet, for parking light wire (*2 required*) **66-14210^Δ** **4.99** ea.

Bulk Wire

ALL #16 cloth covered primary wire, black, sold by the foot, please specify length **66-44042^Δ** **0.99** foot

ALL #16 cloth covered primary wire, green, sold by the foot, please specify length **66-44046^Δ** **0.99** foot

ALL #16 cloth covered primary wire, blue, sold by the foot, please specify length **66-44043^Δ** **0.99** foot

ALL #16 cloth covered primary wire, red, sold by the foot, please specify length **66-44047^Δ** **0.99** foot

ALL #16 cloth covered primary wire, yellow, sold by the foot, please specify length **66-44048^Δ** **0.99** foot

ALL #16 cloth covered primary wire, black with a green tracer, sold by the foot, please specify length **66-44041^Δ** **0.99** foot

ALL #16 cloth covered primary wire, black with a red tracer, sold by the foot, please specify length **66-44044^Δ** **0.99** foot

ALL #16 cloth covered primary wire, black with a yellow tracer, sold by the foot, please specify length **66-44045^Δ** **0.99** foot

Glass Tube Fuses

We have all the glass tube fuses you'll ever need for your classic Thunderbird. Sold in sets of 5, you can replace your bad fuse today and keep spares "just in case."

1955 SFE-20, set of 5 pieces, for the heater..... **66-25368^Δ** **6.99** set
 1955 SFE-14, set of 5 pieces, for the radio..... **66-25367^Δ** **5.99** set

1955 AGA-3, set of 5 pieces, for the clock..... **66-24094^Δ** **6.99** set
 1955 SFE-9, set of 5 pieces, for the turn signals **66-24095^Δ** **3.99** set
 55-57 SFE-9, set of 5 pieces, for the map light **66-24095^Δ** **3.99** set

1955 AGC-30, set of 5 pieces, for the overdrive **66-25027^Δ** **3.99** set
 56-57 SFE-14, set of 5 pieces, for the heater (shown above)..... **66-25367^Δ** **5.99** set
 56-57 SFE-9, set of 5 pieces, for the clock (shown above) **66-24095^Δ** **3.99** set

56-57 AGC-15, set of 5 pieces, for the overdrive **66-22404^Δ** **3.99** set

180° Bullet Splice

55-57 180° bullet splice with black rubber sleeve (as required)..... **66-21406^Δ** **0.59** ea.

Need more help? We carry reprints of several original Ford motor company electrical assembly manuals in our Books and Manuals section. These books show full schematics, harness diagrams and are loaded with technical illustrations. These are reprints of the books that Ford used when engineering T-Birds.

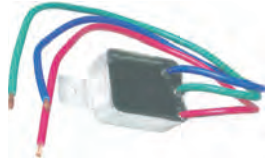

Ignition Switch and Parts

55-57	Switch, does not include the lock cylinder, which is listed below	66-26925^Δ	29.99 ea.
55-57	Lock cylinder and 2 keys	66-31133^Δ	11.99 ea.
55-57	Same as above, except with Ford script keys	66-31134^Δ	149.99 ea.
55-57	Spring, for switch	66-12212^Δ	5.99 ea.

Voltage Reducer

Thinking of changing your '55 from 6 volts to 12? We have a product that will help simplify that procedure. Install our new voltage reducer between the ignition switch and your dash gauges and in an instant you will have working temp, oil and fuel gauges.

1955	Voltage reducer, used when upgrading a 6-volt system to 12 volts, an easy to use diagram is included.....	66-62256^Δ	34.49 ea.
------	---	-----------------------------	------------------

Dash Bezel Tool

55-57	Specially designed for easy removal of retaining nuts for ignition, headlights, windshield wiper and heater control switches	66-11851^Δ	8.99 ea.
-------	--	-----------------------------	-----------------

Neutral Safety Switch

55-57	Includes bracket and wiring	66-29405^Δ	118.99 ea.
-------	-----------------------------------	-----------------------------	-------------------

Headlight Switches and Parts

1955	6-volt	66-28347^Δ	49.99 ea.
56-57	Switch, has fuse carrier, does not include the knob and shaft, Motorcraft	66-29505^Δ	59.99 ea.

55-56	Knob and shaft	66-26927^Δ	29.99 ea.
1957	Knob and shaft	66-30239^Δ	22.99 ea.

55-56	Nut, headlight switch retainer	66-26926^Δ	19.99 ea.
1957	Nut, headlight switch retainer	66-30238^Δ	17.99 ea.

Dimmer Switches and Cover

55-56	With screw type terminals	66-24713^Δ	7.99 ea.
1957	With spade terminals	66-29994^Δ	21.99 ea.
55-57	Rubber cover, a copy of an original accessory	66-38087^Δ	6.99 ea.

Turn Signal Switch and Parts

55-57	Switch	66-29400^Δ	101.99 ea.
-------	--------------	-----------------------------	-------------------

55-57	Switch plate retainer spring, used with 3/16" diameter stud	66-12706^Δ	5.99 ea.
55-57	Switch plate retainer spring, used with 5/16" diameter stud	66-12707^Δ	5.99 ea.

55-57	Knob, press-on type, black plastic	66-26718^Δ	7.49 ea.
1955	Lever	66-27760^Δ	18.99 ea.

1955	Canceling plate	66-27759^Δ	52.99 ea.
------	-----------------------	-----------------------------	------------------

1955	Flasher, 6-volt	66-21123^Δ	7.99 ea.
55-57	Canceling cam	66-49615^Δ	9.99 ea.

55-57	Switch plate pawl	66-12704^Δ	7.99 ea.
-------	-------------------------	-----------------------------	-----------------

55-57	Switch plate pawl spring	66-12705^Δ	7.99 ea.
56-57	Lever	66-29164^Δ	17.99 ea.

56-57	Canceling plate	66-29163^Δ	47.99 ea.
-------	-----------------------	-----------------------------	------------------

Brake Light Switches and Wires

- 55-57 At master cylinder.....**66-33447^A** **9.99** ea.
 55-57 An improved, "modern" version, can be used with DOT-5 (silicone) brake fluid, this switch is activated by a lower pedal pressure, enabling brake lights to "come on" quicker, much safer in today's fast-paced traffic scenarios, also a much longer-lasting switch, includes pigtail wiring harness**66-33448^A** **31.79** ea.

- ALL Two 90° plugs with wire leads with bullet connectors**66-26977^A** **14.99** ea.
 ALL Molded waterproof plug with 2 wire leads**66-11501^A** **24.99** ea.

Courtesy Light Switch

- 55-57 On door jamb**66-19796^A** **8.99** ea.

Heater Control Knobs

- 55-57 Blower motor knob.....**66-50380^A** **22.99** ea.
 56-57 Heater – defroster and temperature control knob, round type (2 required).....**66-28565^A** **11.99** ea.

Heater Blower Motor Switch and Parts

- 55-57 Switch**66-27916^A** **35.99** ea.
 55-57 Retaining nut, for the heater blower motor switch.....**66-12240^A** **13.99** ea.

Cigar(ette) Lighter Parts

- 1955 Cigar(ette) lighter assembly, with socket, 6-volt.....**66-27819^A** **59.99** ea.
 1955 Cigar(ette) lighter element, 6-volt**66-27821^A** **16.99** ea.

- 55-57 Cigar(ette) lighter knob and shaft, without bezel**66-27820^A** **24.99** ea.
 56-57 Cigar(ette) lighter socket and element, 12-volt.....**66-28990^A** **15.49** ea.

- 56-57 Cigar(ette) lighter assembly, with socket, 12-volt**66-30295^A** **43.99** ea.
 56-57 Cigar(ette) lighter element, 12-volt**66-45748^A** **8.99** ea.

Wiper Control

- 55-57 At dash.....**66-30309^A** **77.99** ea.

Wiper Control Retaining Nuts

- 55-56 For the wiper control at the dash.....**66-12240^A** **13.99** ea.
 1957 For the wiper control at the dash.....**66-30310^A** **15.99** ea.

Replacement Horns

- 56-57 12-volt, look very similar to the original, includes one HI and one LO horn with all metal housings and ABS plastic bell shaped domes.....**66-30590^A** **66.99** pr.
 56-57 12-volt, low pitch replacement.....**66-30591^A** **24.99** ea.
 56-57 12-volt, high pitch replacement**66-30588^A** **24.99** ea.

Reproduction Horns

FWe have 6-volt horns for '55 and 12 volt horns for '56 and newer. Featuring the correct snail design, they have "Sparton" on the metal dome just like the originals did.

Wheel Covers (4 required)

Your Thunderbird will instantly look better when you put our new wheel covers on it. The details are all there: the center emblem on the 1955 and '56 full wheel cover has the correct red background with an accurately reproduced, beautifully rendered, Ford crest encased in plastic just like the original. In fact, it's currently being produced on the original Ford dies! The '57 wheel cover has the same attention to detail, as the painted center section is white and the embossments are trimmed in black just like they were in '57. Both the '55 and '56 hub caps have properly painted backgrounds in red and white, respectively. Whatever your Little Bird requires, we have it here at MAC's.

55-56 15-1/8" diameter, includes center medallion **66-26917^A** **129.99** ea.

1957 14" diameter, 38 embossments **66-29503^A** **134.99** ea.

Hub Caps (4 required)

1955 10-1/4" diameter, red in center..... **66-26918^A** **52.99** ea.

1956 10-1/4" diameter, white in center **66-28486^A** **52.99** ea.

Wire Wheel Cover Sets

These sets are just like the original accessory as each wheel requires 2 pieces—the hubcap goes under a separate wire basket. The wire basket is open in the center so the hub cap shows through.

We now offer these decal kits for two reasons. The first and probably most important one to you is to save you money! The second reason is to make it quick and easy for you to order the proper decals for your engine compartment.

These kits come with all the decals in one package. All you need to know is the year of your T-Bird. They are reproductions of the factory stampings, correct down to the smallest detail.

Decal Kits

1955 Decal Kit Contains 1 each of the Following Decals:

Air cleaner service instructions.....	66-47596	Jacking instruction decal.....	66-47275
Air scoop removal decal.....	66-47610	Oil filter canister decal.....	66-47580
Auto trans. glove box decal.....	66-47573	Tire pressure decal.....	66-47572
Folding top instruction decal.....	66-47618	Voltage regulator decal.....	66-47591
Heater box decal.....	66-47266		

1955 Decal kit.....**66-47718^Δ** **20.99** kit

1956 Decal Kit Contains 1 each of the Following Decals:

Air cleaner service instructions.....	66-47596	Jacking instruction decal.....	66-47275
Air scoop removal decal.....	66-47610	Oil filter canister decal.....	66-47580
Auto trans. glove box decal.....	66-47573	Starter decal.....	66-46979
Folding top instruction decal.....	66-47618	Tire pressure decal.....	66-47572
Heater box decal.....	66-47266	Voltage regulator decal.....	66-47192
Ignition coil decal.....	66-47202	Generator decal.....	66-47483

1956 Decal kit.....**66-47719^Δ** **20.99** kit

1957 Decal Kit Contains 1 each of the Following Decals:

Air cleaner service decal.....	66-47590	Ignition coil decal.....	66-47202
Air scoop removal decal.....	66-47610	Jack instruction decal.....	66-47281
Auto trans. glove box decal.....	66-47573	Starter decal.....	66-46979
Folding top instruction decal.....	66-47618	Voltage regulator decal.....	66-47192
Generator "C" decal.....	66-47493	Tire pressure decal.....	66-47567
Heater box decal.....	66-47266		

1957 Decal kit.....**66-47720^Δ** **20.99** kit

1958 Decal Kit Contains 1 Each of the Following Decals:

Voltage Regulator.....	66-46882	Air Cleaner Interceptor.....	66-47299
Generator w/air.....	66-46899	Ignition Coil.....	66-47356
A/C Evaporator Box.....	66-46909	A/C charge.....	66-47390
Generator Warning.....	66-46918	Convertible top.....	66-47398
Antifreeze tag.....	66-46942	Air Cleaner Service Instructions.....	66-47590
Starter.....	66-46979	Power Punch battery.....	66-70542
Voltage Regulator w/ air.....	66-47278		

1958 Decal kit.....**66-69722^Δ** **59.99** ea.

1959 Decal Kit Contains 1 Each of the Following Decals:

Voltage regulator.....	66-46882	Generator w/o air.....	66-47317
A/C Evaporator Box.....	66-46909	Ignition Coil.....	66-47356
Generator Warning.....	66-46918	A/C charge.....	66-47390
Antifreeze tag.....	66-46942	Convertible top.....	66-47398
Starter.....	66-46979	Air cleaner service.....	66-47590
New Car Window Sticker.....	66-47050	Transistor Radio.....	66-68966
New car price list.....	66-47087		

1959 Decal kit.....**66-69724^Δ** **54.99** ea.

1960 Decal Kit Contains 1 each of the following decals:

Generator w/air.....	66-46899	Voltage Regulator Warning.....	66-47193
A/C Evaporator Box.....	66-46909	Voltage Regulator w/air.....	66-47278
Generator Warning.....	66-46918	Generator w/o air.....	66-47317
Antifreeze tag.....	66-46942	Ignition Coil.....	66-47356
Starter.....	66-46979	Voltage Regulator 352 w/air.....	66-47323
New Car Window Sticker.....	66-47051	A/C Charge.....	66-47417
New car price list.....	66-47089	Air Cleaner Service Instructions.....	66-47590

1960 Decal kit.....**66-69726^Δ** **64.99** ea.

1961 Decal Kit Contains 1 each of the Following Decals:

Ignition coil.....	66-47202	"FoMoCo" antifreeze tag.....	66-46942
Air cleaner, 390 CID.....	66-47394	Oil filler cap.....	66-47032
Air cleaner, service instruction.....	66-47590	Battery test ok.....	66-47276
Voltage regulator.....	66-46882	Jack instruction.....	66-47371
Caution fan.....	66-46935	A/C compressor.....	66-47417
Voltage regulator warning, pair.....	66-47221		

1961 Decal kit.....**66-47721^Δ** **24.99** kit

- 65-66 Key blank, double-sided trunk.....**66-40375^A** **5.99** ea.

Ford Car Parts and Accessories Text on CD

Remember the books you saw on the parts counter at every Ford dealership in the sixties and seventies? When you asked for a part, the guy behind the counter grabbed one of those 8" thick books and looked it up for your application. If you didn't know how something is put together. Now you have at your fingertips an exploded view that will help you disassemble and reassemble almost any system of your car. Many of the illustrations show you more detail than a shop manual does. You can print out the pages you need and take them out into your shop or garage to use as a reference. These CD's can be an invaluable resource for the casual restorer or the professional shop owner, making almost every task easier to accomplish.

Windows operating systems only.

- 65-72 Includes text and illustrations.....**66-32388^A** **31.99** ea.

All Ford Products Engine Equipment Assembly Manuals

These books are officially licensed collections of Ford technical illustrations of external engine components (alternator, power steering pump, choke lines-almost anything that mounts outside of the block), reprinted from original Ford assembly manuals.

- | | | | |
|------|----------------|-----------------------------|------------------|
| 1963 | 38 pages..... | 66-32370^A | 17.99 ea. |
| 1964 | 46 pages..... | 66-32371^A | 17.99 ea. |
| 1965 | 33 pages..... | 66-32372^A | 17.99 ea. |
| 1966 | 157 pages..... | 66-32373^A | 18.99 ea. |

Source Guides and Interchange Books

- 50-65 **Ford Products Interchange Manual**, by Auto Interchange Systems, 160 pages, 253 photos, lists identically used parts on all American Ford products from 1950-65, designed to save time locating the parts you need, invaluable for the owner or restorer.....**66-53716^A** **47.99** ea.
- ALL **Ford Restoration Sources**, a comprehensive listing of parts and literature, dealers, repair and restoration companies, specialty salvage, appraisers and clubs, all listed by section for ease of use. An excellent resource for the restorer. 100 pages.....**66-32277^A** **29.99** ea.

Thunderbird Specialty Books

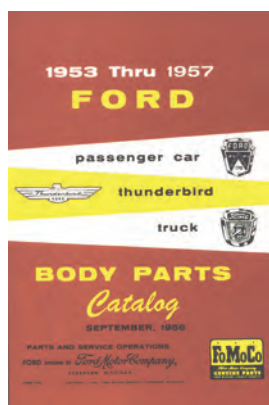

This 304-page book by Ray Miller tracks the Thunderbird from the earliest prototype through to the 1966 model year. With the heaviest concentration on the '55 through '57 Birds, you will see photographs that show every detail of these iconic machines. Following that are excellent sections on the Big Birds of 1958 through 1966. The majority of the photographs are of original cars, so you, the restorer, can get the details right. A must have book for any lover of the Thunderbird line.

"THUNDERBIRD!" is not an amateur's photo album...Rather, it is what it set out to be, an accurate and authoritative study of the characteristics that make for a typical "model year." Future restorers will benefit from its compact, succinct and definitive presentations. It is a book to be enjoyed by the curious, welcomed by the purist and relished by the aficionado. We give to you for your enjoyment."

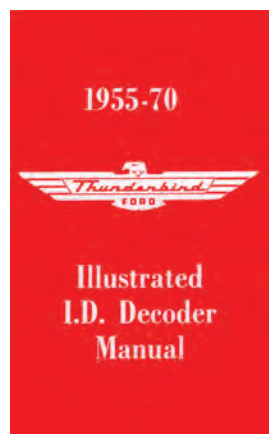

- Ray Miller

ALL **THUNDERBIRD! An Illustrated History of the Ford T-Bird**, includes a special full-color section, 304 pages, with more than 1,000 photographs 66-66823^A 63.79

53-57 **Ford and Thunderbird Body Parts Catalog**, 456 pages of text and technical illustrations for the Thunderbird 66-67001^A 51.99 ea.

ALL **1955-70 Thunderbird Illustrated I.D. Decoder Manual**, softbound, 59 pages, more than 20 illustrations. This small decoder book makes the perfect companion for the auto auction scene. When that special "find" of the auction is available for viewing, you can verify the data plate codes and tuck this book in your shirt pocket when you are done 66-32570^A 9.99 ea.

Shop Manuals

The following manuals are a comprehensive source for all aspects of servicing parts, assemblies and systems of the Ford Thunderbird. Ford Motor Company sent these to Ford dealerships to instruct mechanics on how to remove and replace most major components on new Thunderbirds. These are correct reprints of those original shop manuals. Each manual outlines procedures for replacement, adjustment and trouble-shooting, from basic operations like transmissions, brakes and chassis to accessories and instrumentation. No Thunderbird enthusiast or restorer should be without one!

Shop Manuals on CD

If you are planning on working on your car, the factory shop manual can be the most useful tool you bring into the garage. The problem is, it's big and bulky ... until now, that is. Now you can have a complete factory shop manual on a single CD. Decide what project you are going to work on, call up the shop manual on your computer, do some research and then print out only the pages you need. What could be simpler? What could be more convenient? Note: Requires Windows to use.

Wiring Diagram Manuals

The following manuals contain highly detailed, easy-to-follow diagrams for Thunderbird wiring. Each one has the specific information for the chassis, instrumentation and turn signals of your car, as well as additional material. Wiring can be dangerous and can lead to problems if not installed properly, so having one of these manuals could save you a lot of time and money.

Owner's Manuals

The following owner's manuals are reprints of the original manual that was included with the car. They are a tremendous resource of information about your Thunderbird and are great for displaying at car shows. Each manual covers everything from driving the car to its maintenance and specifications, using numerous illustrations. In addition to their value as sources of information, these manuals are also attractive for the collector.

Car Covers

We understand how much time and money goes into making your Thunderbird look its best. So why buy a one-size-fits-all cover that doesn't REALLY fit anything? To better protect your investment from the elements we offer custom-fit covers, specifically made for your year. With a choice of Poly-Cotton, Tan Flannel or Technalon-2 you can get the one best suited for your storage facility and your budget.

Poly-Cotton

GOOD—Best for protecting cars for a short time in a slightly protected area. This is a durable blend of polyester for sun and water resistance and cotton to assure a soft touch to any paint finish. Available in gray. 90 day warranty.

1955	Poly-Cotton car cover.....	66-43902 ^Δ	200.99 ea.
1955	Polycotton car cover with logo	66-73225 ^Δ	237.99 ea.
1956	Poly-Cotton car cover.....	66-43814 ^Δ	200.99 ea.

Seat Back Adjusting Kits

Kits are made of billet aluminum and will not break like stock plastic. Also have a correct fit unlike others on the market. One kit will do one seat. Please check and see if you need coarse thread or fine thread as they were both offered throughout the years.

58-63	With fine threads.....	66-367562^Δ	17.99 ea.
58-63	With coarse threads	66-367558^Δ	17.99 ea.

Seat Belts

If you haven't already installed seat belts in your classic ride, we highly recommend it. Our universal style seat belts feature a chrome lift latch and are available in 14 colors to match almost any interior. Sold per passenger, each belt includes washers, bolts, nuts and basic instructions on how to install. The 60" size is standard, for a little extra breathing room, order the 74" length. These seat belts do not include instructions on where to mount. Proper installation is at the risk and responsibility of the customer.

Seat Belt Ordering Instructions:

The part numbers for each color are located under the color swatch, with corresponding numbers for length (ex: **66-53000**, is for the 60" belt, while **66-53001** is for the 74" belt).

ALL	60" Belts.....	SEE BELOW	27.99 ea.

Interior Kick Panels

From 1958 through 1960 all interior kick panels were vinyl covered. The partial oval indentation on the lower part has been accurately reproduced on the 1958 and 1959 panels as is the four stripe indentation on the 1960.

Quarter Trim Panels

1958 and 59 quarter trim panels are made with Bison grain vinyl to match our seat covers. For 1960, quarter trim panels have horizontal and vertical embossed lines with buttons to match vinyl seats. 1960 quarter trim panels are made with Pebble grain vinyl to match our seat covers.

Door Trim Panels

All 1958s and 1959s with Vinyl Seats

1958-59 door trim panels are Bison grain vinyl and have built-in arm rests and embossing on the lower section, as original. The first color listed is the color of the upper part of the door panel, the second color is the lower. The two-digit trim code is shown under "trim" on the patent plate, on the left door hinge pillar.

1958	Black #1 and white #2, trim code XH (shown)	66-30943^Δ	652.49	pr.
1958	Red #8 and white #2, trim code XG.....	66-30946^Δ	825.99	pr.
1958	Blue #4 and white #2, trim code XE.....	66-30944^Δ	759.99	pr.

1960	Dark turquoise #17 and light turquoise #18, trim code 57.....	66-44779^Δ	657.99	pr.
1960	Dark green #19 and light green #20, trim code 53.....	66-44776^Δ	665.99	pr.
1960	Dark beige #21 and light beige #22, trim code 54.....	66-44771^Δ	657.99	pr.
58-60	Door trim panel lower retainer, secures the bottom of the door panel (2 required).....	66-29853^Δ	19.99	ea.

1960 with Leather Seats

Solid color door panels were used only with leather seat covers. Our panels are covered with pebble grain vinyl.

1960	Black #12, trim code 86.....	66-44774^Δ	657.99	pr.
1960	Red #14, trim code 85.....	66-44777^Δ	675.99	pr.
1960	Dark turquoise #17, trim code 87.....	66-44780^Δ	652.99	pr.
1960	Dark beige #21, trim code 84.....	66-44772^Δ	652.99	pr.

continued on next page

Carefully remove all of the bright trim from your original set of door panels and install it on our reproduction panels to finish them off.

1961–Early 1962

The 1961 through early 1962 door panels listed below do not have arm rests: you must re-use your originals. In late 1962 Ford changed the door panels to the 1963 style, which has built-in arm rests.

61-62	Black (shown).....	66-33832^A	652.49 pr.
61-62	White.....	66-33834^A	652.49 pr.
61-63	Door trim panel lower retainer, secures the bottom of the door panel (2 required).....	66-33661^A	19.99 ea.

Late 1962–63 Combo Panels

These door panels are only for late 1962–63 cars with built-in arm rests. Early 1962 models do not have built-in arm rests. See important note below.

62-63	Black.....	66-34833^A	652.49 pr.
62-63	White (shown).....	66-34835^A	674.99 pr.
61-63	Door trim panel lower retainer, secures the bottom of the door panel (2 required).....	66-33661^A	19.99 ea.

Late 1962–63 Combo Panels

Important note for late 1962–1963 Thunderbird owners: These combo door trim panels are the 1963 style with a front depression shaped and sized to accommodate the currently available 1961–1962 dash pad. Only use these combo interior door panels if you intend to install the currently available 1961–62 dash pad on your 1963 vehicle. Your original trim must be transferred to these new vinyl panels.

62-63	Black (shown).....	66-35964^A	669.99 pr.
62-63	White.....	66-35966^A	652.49 pr.
61-63	Door trim panel lower retainer, secures the bottom of the door panel (2 required).....	66-33661^A	19.99 ea.

1964 through 1966

These reproduction door panels do not include the original bright trim. It must be transferred over from original panels. Only Landau door panels will accept the upper door wood grain panels that were unique to that model.

1964	Black, except Landau (shown).....	66-36766^A	652.49 pr.
1964	White, except Landau.....	66-36770^A	652.49 pr.
1964	Black, Landau.....	66-36768^A	729.99 pr.
1964	White, Landau.....	66-36769^A	652.49 pr.
1965	Black, except Landau.....	66-37770^A	652.49 pr.
1965	White, except Landau.....	66-37776^A	652.49 pr.
1965	Black, Landau.....	66-37773^A	674.99 pr.
1965	White, Landau.....	66-37775^A	674.99 pr.
1966	Black, all models.....	66-39921^A	652.49 pr.
1966	White, all models.....	66-39923^A	656.99 pr.

If your car was originally equipped with carpeting on the lower part of the doors, we sell door carpets (in pairs) as a separate item in the Carpet section.

Door Panel Retainer Sets and Hardware

61-63	4 pieces, chrome, these secure the door panels at the edge and are usually pretty rusty.....	66-34866^A	84.99 set
61-63	Rear retainer screw set, 4 oval-head Phillips screws.....	66-13677^A	3.99 set

61-63	Front retainer screw set, 8 oval-head Phillips screws.....	66-13676^A	6.99 set
64-66	8 pieces, chrome, these secure the door panels at the edge and are usually pretty rusty.....	66-36863^A	49.99 set

Door Panel Pull Cups, Brackets and Hardware (2 required)

58-59	Paint to match.....	66-30949^A	24.99 ea.
62-63	Paint to match, late 1962–63.....	66-30949^A	24.99 ea.
65-66	Bracket, steel, this attaches to the back side of the door panel and adds some rigidity to the door pull area, no hardware is included.....	66-37771^A	19.99 pr.

Vinyl Pads for Door Trim Panel Arm Rest Pull, 1965 and 1966 (2 required)

This vinyl pad fits in the bottom of the well that is the built-in door pull on all '65 and '66 T-Bird door panels.

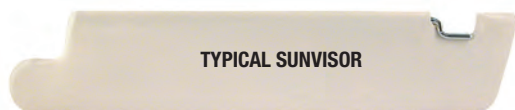

65-66	Black.....	66-37806^A	3.99 ea.
65-66	Bone white.....	66-37812^A	3.99 ea.
65-66	Parchment, ideal for dyeing.....	66-37810^A	3.99 ea.

Sun Visors

The sunvisors listed below have been reproduced in the correct grain vinyl. All original embossments have been faithfully recreated. Sorry, no other Thunderbird sunvisors are currently available.

Headliners

Perforated vinyl headliners were used from 1958 to 1965. In 1966, Crater (or Moonskin) vinyl was used on cars with a roof console. Cars without the roof console continued to use perforated vinyl headliners. Think about the last time you cleaned the headliner in a car it's the most neglected piece of trim in any vehicle. We have great prices on original type headliners in black, white or bone. Compare and we think you'll see our headliners are the best value around! No instructions are included so you may want to consult a qualified trim shop for installation.

58-65 Perforated Vinyl

58-66 Perforated vinyl **66-882255^Δ** **69.99** ea.

1966 Crater (Moonskin) Vinyl

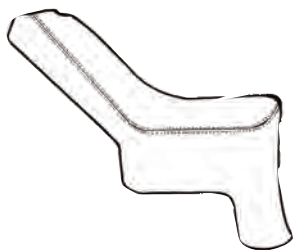

In 1966, the Town Hardtop and Town Landau models had an overhead (roof) console as standard equipment. The roof console necessitated a change in the headliner. Cars equipped this way had a crater grain headliner that was glued to pieces of panel board on the roof. While we don't have the panel board, we do have original type foam back crater grain material that you can glue onto your original roof pieces. Available in original colors.

1966 Crater (Moonskin) vinyl **66-70580^Δ** **134.99** ea.

Rear Arm Rest Covers

Arm rest covers are just about always split and cracked with age, with the grain pattern worn smooth from years of constant contact. Put brand new arm rests and covers on your door panels for that brand-new-car look, as well as comfort! Visit our website to view all available color options. 1958-59 rear arm rest covers are made with Bison grain vinyl, and 1960 rear arm rest covers are made with Pebble grain vinyl to match our seat covers.

Rubber Floor Mats

The reason these reproduction floor mats look just like the floor mats Ford provided when your 'Bird was brand new is because N.O.S. mats were used for the patterns. Made of heavyweight rubber, they feature the correct white T-Bird logo at the top and 58-60 versions have Thunderbird in script from left to right across each mat. These mats are as authentic as it gets! Visit our website complete listing of colors.

Carpets

All of our carpets are constructed using only top quality materials. Our 100% nylon carpets will last longer and resist fading better than the OEM carpets. Carpets for 1958 through 1963 are the "cut and sewn" style, "cut" meaning there are multiple pieces involved and "sewn" referring to some of the edges being serge bound. Beginning in 1964, Thunderbird carpets were only 2 pieces that were molded to the shape of the floor. We replicate that process to give you a carpet that looks, feels and fits just like the factory intended. No matter what year, all feature serge bound edges, thick underlay padding, correct heel and toe pads and include a dimmer switch ring that you install. Get rid of that old worn, faded carpeting and enhance the interior of your T-Bird with a brand new carpet set from MAC's. Beginning in 1964, your Thunderbird might have had carpet on the lower part of the door panel. MAC's door carpet sets include the vinyl. We recommend that door and floor carpets be purchased at the same time to assure a good color match.

58-66 Carpet set, choose from our list of carpet colors below..... **66-15916^Δ** **178.99** set

Synthetic Jute Backing

Used under the floor mat, a great seller with many applications.

ALL 1/2" thick x 36" wide x 72" long **66-26251^A** **25.95** ea.

Sound Deadener

For years, we have been selling the original Dynamat and can boast thousands of satisfied customers. We are now proud to offer the next generation of Dynamat sound deadeners: Xtreme. Xtreme is a step up from the original formula and is Dynamat's best product at controlling vibration. It damps 4 times as much as the original Dynamat and, as an added bonus, it weighs 50% less. It is available in conveniently sized 18" x 32" sheets and with peel and stick application; it goes on quickly and easily. Do yourself a favor and order some today!

ALL 18" x 32" **66-48760^A** **23.49** ea.

We suggest 66-52362, great for filling in the gaps between sound deadener sheets or firewall insulation.

ALL Under coat, 17 oz. spray, rubberized formula protects, seals and insulates **66-52362^{A*}** **12.99** ea.

Insulation Sheet

A well-insulated firewall, transmission tunnel and floor pans are a must for any restoration or street rod. The 66-65343 insulation sheet, with its space-age reflective foil bonded on both sides is rated R18.3 (700° F heat resistance). It can also be used in kick panels, inside door panels and under carpeting.

ALL 48" x 72" x 5/16" **66-65343^A** **29.99** ea.

Tools

Two essentials for putting more insulation in your collector car – a roller to get the insulation into every nook and cranny and aluminum tape to fill in the gaps between sheets of insulation and along the edges to help them "lay down."

ALL Hardwood roller, 1-1/4" wide, with black painted hardwood handle **66-52302^A** **10.49** ea.

ALL Aluminum tape, 1-1/2" wide x 30' long x 2 mil thick **66-52997^A** **14.99** ea.

3M Super Trim Adhesive

ALL 19 oz. spray, the best adhesive for securing headliners **66-52376^A** **19.99** ea.

Insulation Kits

Welcome to the world of AcoustiShield! This is an insulation and sound damping system that will control the heat, noise and vibration in the passenger compartment. Kits are pre-cut and include easy-to-follow instructions, so most of the hard work is already done. We also carry the individual kits, so if you don't need a master kit, you can purchase a kit for just the area you want to work on.

AcoustiShield kits are oversized and require additional shipping charges.

61-63	Ignition switch bezel, "ACC", "OFF", "ON", "START" for ignition switch.....	66-34998 ^Δ	11.99 ea.
58-60	Bezel retainer nut, for ignition switch.....	66-28490 ^Δ	13.99 ea.

Aluminum Dash and Console Trim

All that aluminum trim was beautiful when your T-Bird left Detroit. But now, time has taken its toll with scratches, dents and discoloration. We are pleased to offer new reproductions of these trim items in all their original glory! See the Hardware section for console mounting hardware. No woodgrained or tinted versions are available.

61-62	Console aluminum trim	66-34856^Δ	74.99 ea.
61-63	Dash aluminum, left	66-33657^Δ	44.99 ea.
61-63	Dash aluminum, center, with A/C	66-33862^Δ	49.99 ea.
61-63	Dash aluminum, right, with A/C	66-33861^Δ	95.99 ea.
61-63	Dash aluminum, right, without A/C	66-33656^Δ	124.99 ea.
61-63	Console ashtray aluminum trim	66-33863^Δ	24.99 ea.
1963	Console aluminum trim, without power windows	66-34856^Δ	74.99 ea.
1963	Console aluminum trim, with power windows	66-35992^Δ	74.99 ea.

Console Molding Clip *(as required)*

61-66	66-33658^Δ	0.95 ea.
-------	-------	-----------------------------	----------

Dash Emblem

61-63	"Thunderbird"	66-33655^Δ	24.99 ea.
-------	---------------------	-----------------------------	------------------

Dash Pad Parts and Hardware

62-63	Ends, "ears", black vinyl clad metal	66-34855^Δ	34.99 pr.
62-63	End plates, black vinyl clad metal	66-34857^Δ	53.99 pr.

Constant Voltage Regulator

Located on the back of the instrument cluster, this unit controls the voltage going to your gauges. If all of your gauges read the maximum setting then this is definitely the culprit!

60-66	Constant voltage regulator, Please note: you must disconnect the battery before installing this	66-31408^Δ	24.99 ea.
-------	---	-----------------------------	------------------

Speedometer Cables

58-60	Housing and core (shown)	66-37486^Δ	39.99 ea.
64-65	Housing and core, without cruise control, before 11-13-64	66-36710^Δ	49.99 ea.
1966	Housing and core, with cruise control, lower	66-35507^Δ	29.99 ea.

Speedometer Cable Lubricant

ALL	Graphite-in-oil formulated especially for long-life, all-temperature lubrication of speedometer cable	66-21782^Δ	3.99 ea.
-----	---	-----------------------------	-----------------

Speedometer Driven Gears (at end of cable)

Always match up the number of teeth and the color with your original gear. Usage varied during the year. Also, you will only get an absolutely correct speedometer reading if you are using the correct (original diameter) tire size, transmission and rear axle ratio.

58-63	18 teeth, white, type 3a	66-44060^Δ	19.99 ea.
64-66	16 teeth, wine, type 3a, Genuine Ford	66-44490^Δ	9.99 ea.
64-66	17 teeth, white, type 3a	66-35508^Δ	11.49 ea.

58-66	Socket (shown)	66-28990^Δ	15.49 ea.

Glove Box Parts

Consider yourself lucky if you have any glove box liner at all. They were made of cardboard and didn't react well when we jammed sunglasses, a couple of pens, some pencils (because the pens never worked), air pressure gauges, matches, the owners manual and about 10 maps in there. We have brand new glove box liners, all with stainless steel clips already installed.

- | | | | |
|-------|---|-----------------------------|------------------|
| 58-60 | Liner, the installation clips are installed | 66-30983^A | 31.99 ea. |

Aftermarket Inside Rear View Mirror

This mirror looks like a reproduction, but minor differences in the arm and bracket make it very close to original, but not exactly the same. Those differences make it a low cost alternative to our correct reproduction mirrors. It comes to you nicely chromed and fully assembled. Just glue the flat bracket to your windshield with our 66-10907 adhesive, wait a day and then hang the mirror. It's that simple!

- | | | | |
|-------|--|-----------------------------|------------------|
| 61-66 | Inside rear-view day/night mirror, comes complete with mirror, mirror arm and windshield bracket | 66-11886^A | 48.99 ea. |
|-------|--|-----------------------------|------------------|

Door Scuff Plates, Extensions, Emblem and Hardware

The first thing you see when you open the door is the scuff plate. Most are in pretty rough shape and can make a decent interior look shabby. Replace them today with our top-quality reproductions.

- 58-60 The emblem is stamped into the scuff plate, as original **66-31002^Δ** **119.99** pr.

58-60	Spring (2 required).....	66-29874^A	2.49 ea.

Door Lock Cylinders and Keys

Each lock cylinder comes with a pair of matching keys. If you purchase more than one lock cylinder, they will each use different keys. For lock cylinder sets that all use the same key, see door lock and ignition key cylinder sets, listed on the next column.

58-60	Right, includes lock with cover and 2 Ford script keys (shown).....	66-29866^A	37.99 ea.
58-60	Left, includes lock with cover and 2 Ford script keys.....	66-29868^A	37.99 ea.

58-60	Includes 2 door locks with covers and 2 Ford script keys, both locks use the same key.....	66-29865^A	92.99 pr.
61-64	Right or left, includes 2 Ford script keys (2 required) (shown).....	66-35213^A	24.99 ea.

65-66	Does 1 door (2 required) (shown).....	66-45627^A	11.99 ea.
65-66	Does 2 doors, both locks use the same key	66-45628^A	15.99 pr.

Door Lock and Ignition Key Cylinder Sets

Each set contains 1 ignition key cylinder and 2-door lock cylinders—all tumblers use the same key.

58-60	Includes 2 keys.....	66-26458^A	69.99 set
61-64	Includes 2 keys.....	66-35216^A	33.99 set

65-66	Includes 2 keys.....	66-42776^A	39.99 set
-------	----------------------	-----------------------------	------------------

Key Blanks *(as required)*

58-64	Ignition and doors, single side.....	66-31551^A	4.99 ea.

-------	--	-----------------------------	------------------

65-66	Ignition, N.O.S. with T-Bird logo on head.....	66-37794^A	4.99 ea.
65-66	Trunk, N.O.S. with T-Bird logo on head (not shown).....	66-37795^A	4.99 ea.

See our accessories section for key fobs

Door Lock Cylinder Retaining Clips

58-60 **66-31013**^Δ **7.99** pr.

65-66 (2 required) **66-37267**^Δ **5.99** ea.

Lower Door Drain Seal (1 to 6 required)

61-66 Lower door drain seal,
3 per door **66-36104**^Δ **5.99** ea.

Bumpers

Always check your car to see how many door bumpers are needed (usually 2 per door) and what size because of varying applications.

58-60 Door bumper (2 required) **66-30859**^Δ **3.99** ea.

58-60 Door bumper, 7/16" high
(as required) **66-14349**^Δ **6.99** pr.

61-63 Door bumper, lower, *Genuine Ford*
(2 required) **66-14254**^Δ **3.99** ea.

64-66 Door bumper (as required) **66-36857**^Δ **3.99** ea.

Door Hinge Pins and Bushings

If your door "drops" when you open it, your hinges are usually the cause. Many times, installing new bushings and pins will end your door hinge problems. Each hinge uses 1 pin and 2 bushings—pin can be cut to length as needed.

58-66 Pin, 3-9/16" x 11/32" diameter,
cut to required length as needed
(1 to 4 required) **66-31237**^Δ **3.99** ea.

58-66 Bushing, sintered bronze
(2 to 8 required) **66-35123**^Δ **0.95** ea.

spring steel (as required) **66-14294**^Δ **0.99** ea.

Inside Door Handle Spring (2 required)

58-63 **66-23480**^Δ **0.99** ea.

Inside Door Handle Pivot Shaft Assemblies

61-63 Right **66-33665**^Δ **49.99** ea.

61-63 Left **66-33666**^Δ **49.99** ea.

64-66 Right **66-36846**^Δ **49.99** ea.

64-66 Left **66-36847**^Δ **44.99** ea.

Window Crank Handles

- 1958 Chrome, black knob, for front or rear windows, clip 66-14294 required for installation (4 required)..... **66-29883^A** **30.99** ea.
- 59-60 Chrome, white knob, for front or rear windows, includes "C" clip (4 required)..... **66-30683^A** **32.99** ea.

- 61-63 Chrome, chrome knob, for the front windows, clip 66-14294 required for installation (2 required) (shown)..... **66-34862^A** **29.99** ea.
- 61-63 Chrome, chrome knob, quarter window, includes "C" clip (2 required)..... **66-34874^A** **29.99** ea.

- 64-66 Chrome, for the front windows, clip 66-14294 required for installation (2 required)..... **66-36858^A** **11.99** ea.
- 58-66 Window crank "C" clip, square type spring, steel (as required)..... **66-14294^A** **0.99** ea.

This tool makes removing door handle and window crank "C" clips a simple task.

- 58-66 Door handle and window crank "C" clip removal tool, align tool with handle shaft for easy removal of "C" clips..... **66-56526^A** **5.99** ea.

Window Crank Handle Knobs (as required)

Locking Pin

- 59-60 White, includes locking pin..... **66-30685^A** **7.49** ea.
- 65-66 Black, includes mounting pin (shown)..... **66-37274^A** **9.99** ea.

Window and Door Handle Nylon Plates

This part doesn't look like it's important, but leave it off and see what happens. Its job is to keep the handles from rubbing on your door panel upholstery. Installs between handle and door panel.

- 58-63 For door and quarter window cranks (4 required)..... **66-29887^A** **5.99** ea.

- 1964 For vent, door and quarter window cranks (6 required)..... **66-35223^A** **7.99** ea.

Inside Handles Escutcheon and Plates

- 61-62 Plate, for quarter window cranks, chromed plastic (2 required) (shown)..... **66-33897^A** **11.99** ea.
- 61-62 Plate, for door handles and door window cranks, chromed plastic (4 required) (shown)..... **66-33898^A** **10.49** ea.
- 1963 Plate, for door handles and door window cranks, chromed plastic (4 required)..... **66-33897^A** **11.99** ea.
- 1963 Plate, for quarter window cranks, chromed plastic (2 required)..... **66-33898^A** **10.49** ea.
- 64-66 Escutcheon, die-cast chromed reproduction, pair (shown)..... **66-36856^A** **14.99** pr.

Power Window Motor

Newly manufactured, not rebuilt. Will work perfectly for years.

- 62-64 With 3 wire flat connector..... **66-36095^A** **249.99** ea.

Power Window Switches and Wiring Assemblies

You don't have to take your console apart every season to remove and clean the switches anymore. Install these beautiful reproductions and they should last a lifetime.

- 1958 Switch, black knob, left front and right rear windows (2 required)..... **66-30875^A** **34.99** ea.
- 59-60 Switch, white knob, right front and left rear windows (2 required)..... **66-44742^A** **39.99** ea.
- 59-60 Switch, white knob, left front and right rear window (2 required)..... **66-44743^A** **40.99** ea.
- 61-62 Switch and wiring, chrome knob, all windows (7 required)..... **66-33708^A** **39.99** ea.
- 1963 Switch, chrome knob, on quarter trim panel (2 required) (not shown)..... **66-35939^A** **39.99** ea.

- 1963 Switch and wiring, left front and right rear windows (2 required, shown)..... **66-35941^A** **40.99** ea.
- 1963 Switch and wiring, right front and left rear windows (2 required)..... **66-35942^A** **40.99** ea.
- 64-66 Switch and wiring, in console, front windows (2 required)..... **66-36688^A** **40.99** ea.
- 64-66 Switch and wiring, in console, rear windows (2 required)..... **66-36686^A** **40.99** ea.
- 64-66 Switch and wiring, chrome knob, on quarter trim panel for quarter windows (2 or 4 required)..... **66-36684^A** **40.99** ea.
- 65-66 Switch and wiring, 3 wire type for right power vent window..... **66-36684^A** **40.99** ea.
- 65-66 Switch and wiring, 2 wire type for left power vent window..... **66-36686^A** **40.99** ea.

Power Window Switch Plate Assemblies

Anyone who has tried to disassemble one of these power window switch plates will tell you our newest offering is a great idea. They are fully assembled and ready to plug in.

- | | | | |
|-------|--|------------------------------|-------------------|

| 58-60 | Door wiring shield, left | 66-28073 ^Δ | 29.99 ea. |

Power and Manual Window Roller Assemblies (as required)

The window roller assembly attaches to the end of the window regulator arm. It's the part that slides back and forth in the channel, allowing the window to glide up and down smoothly. If your window tilts forward, back or isn't level when you roll it up, a damaged or broken roller might be the cause.

- | | | | |
|-------|--|------------------------------|-----------------|

Carpets, Inc.**

The World's Leading Automotive Replacement Carpet Manufacturer

REPLACEMENT FLOORING

FLOOR MATS

TRUNK MATS

Custom Made to Meet or Exceed OEM Specifications

Fast Shipping • Made with Quality Craftsmanship

Nothing makes a bigger impact to the interior of your vehicle like replacing the carpet. ACC is the industry leader of auto replacement carpet and floor mats. Trust Eckler's and ACC to provide the highest quality carpets and mats for your next project.

ECKLER'S
Automotive Restoration & Performance Parts

www.MacsAutoParts.com
(877) 815-5799

MAC's has assembled an exhaustive selection of weatherstripping, one of the largest on the market today.

While not the most exciting of parts, these seals are some of the most important pieces for your restoration. Nothing could be worse, when you

think you are finally done, than having the elements come raining in all over your new interior!

MAC's is your one stop source for quality weatherstripping for your Thunderbird!

Body to Bumper Seals

- 58-60 Front..... **66-31092^Δ** **17.99** pr.
 58-60 Seal retainer, use with body to bumper seals 66-31092 (2 required)..... **66-31093^Δ** **11.99** ea.

We recommend our 66-52344 adhesive because it's the best there is!

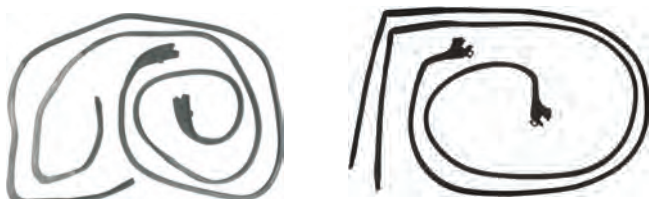

- ALL Rubber weatherstrip and felt glass channel adhesive, black, 3M brand, 5 oz. tube..... **66-52344^Δ** **8.49** ea.

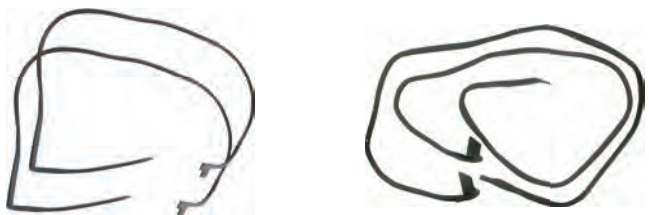

Nothing says "old" like cracked and shrunken weatherstripping and old rubber parts on your classic ride. Doors don't shut properly, windows don't seal well and rattles abound. MAC's has a complete listing of the "soft" restoration parts to make your T-Bird's doors seal up like new again.

Door Seals and Parts

MAC's door seals are made from the finest weather-resistant extruded sponge rubber. The molded ends are heat-bonded, not glued, to the extrusion. Metal inserts are used as original. 1 pair does both doors.

58-60 Rubber.....**66-31003^A** **89.99** pr.
61-62 Rubber.....**66-33881^A** **89.99** pr.

Lower Glass Channel Liner

58-66 Rubber.....**66-69423^A** **7.99** ea.

Vent Bar Channels

The front of your door glass slides up and down in this channel. When it gets worn your door glass moves back and forth and rattles all day long. Install a new vent bar channel or vent bar channel seals and your ears won't believe the difference! The vent bar channels listed below are the door glass run at the front of the door.

C4SZ-6321538-PR

58-60**66-31010^A** **71.99** pr.
64-66**66-36840^A** **49.99** pr.

Note: the vent bar channels listed above do not include any brackets. Brackets would have to be swapped over from your worn out original vent bar channels.

The vent bar channel below is a little different; the door glass for 61-63 is curved and we can only install a new glass run in your original curved vent bars. Send your original vent bars to us first and we'll install new linings with a stainless steel bead just like Ford designed it originally. Enter this part number in our easy-to-use website for complete instructions, and a downloadable form.

61-63 Allow 3 to 4 weeks
turnaround time.....**66-33663^A** **144.99** pr.

Upper Vent Bar Channel Seals

58-60 Includes rivets.....**66-29944^A** **18.99** pr.

61-63 Includes hardware.....**66-34860^A** **19.99** pr.
64-66 Includes rivets.....**66-39942^A** **19.99** pr.

We carry the best adhesive you can buy to help secure window, roof and trunk seals to your car.

ALL Door seal and felt glass channel adhesive, black, 3M brand, 5 oz. tube.....**66-52344^A** **8.49** ea.

ALL Trunk lid seal adhesive, yellow, 3M brand, 5 oz. tube.....**66-52468^A** **9.99** ea.

To help get your seals and weatherstripping separated from the glass, use this! Loosen up tough, hardened old glue and weatherstrip adhesive with this terrific quick release agent. It makes quick and easy work out of an otherwise miserable job. Your new weather-stripping will have a better fit when the buildup of old glue is removed. Get rid of that old glue the easy way, with quick release agent from MAC's.

ALL 14 oz. spray can.....**66-52485^{A*}** **14.99** ea.

oversize/overweight—requires additional shipping charges

Prop 65 warning for California residents, see inside front cover for details

Vent Window Seals

1958–66 Thunderbird vent window seals are made in 2 pieces. One piece (the “vent window seal”) seals the front angled edge across the bottom. A separate piece is made for the vertical back edge of the vent window. Both are listed below. Because they are used quite often, vent window seals are usually so worn that they leak water and air.

Keep water from staining your door panels and stop that annoying whistling at highway speeds by replacing those vent window seals today, you'll be happy you did. To seal the whole vent you will need to purchase both the window seal and the back edge seal listed below.

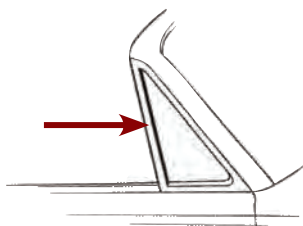

58-60	66-31007^A	119.99 pr.

Belt weatherstripping is what keeps water and other debris from going down into the door cavity and rusting out the door bottom. After 50+ years of opening and closing the windows these weatherstrips are usually pretty worn out. Get rid of the rattles and stop the leaks—replace them now using our economical kits!

Belt Weatherstrip Kits

Includes inner and outer pieces.

--	-----------------------------	-----------------

Roof Side Rail Seals

When the roof rail seals leak, your door panels and carpet get the worst of it—replace them today to keep your doors and floors dry. 1958–63 kits do not include the convertible top arm pads (listed separately).

Convertible

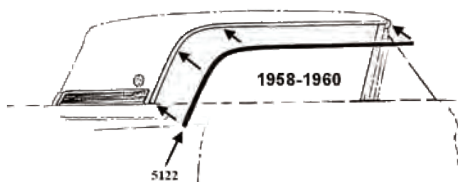

- 58-60 Kit, 6 pieces **66-31067^A** **289.99** kit
 61-63 Kit, 7 pieces, includes front header seal and T-bolts **66-33941^A** **224.99** kit

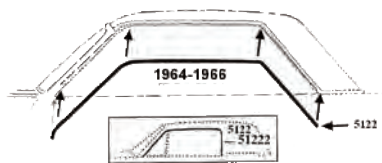

- 64-66 Kit, 7 pieces, includes top arm pads and header seal **66-36939^A** **199.99** kit

Hardtop

- 58-60 Complete with metal core, hardtop only, right and left **66-31039^A** **199.99** pr.
 61-63 Complete with metal core, hardtop only, right and left **66-33911^A** **199.99** pr.

- 64-66 With metal eyelet molded inside tip for windshield post screw, hardtop, except 1966 Town Hardtop 63C and Town Landau 63D, right and left **66-36894^A** **94.99** pr.
 1966 With metal eyelet molded inside tip for windshield post screw, Town Hardtop 63C and Town Landau 63D only, right and left **66-39945^A** **119.99** pr.

Roof Rail Seal Hardware

- 64-66 Roof rail seal screw set, 24 round washer-head screws, 1 set does both sides **66-13629^A** **14.99** set

Convertible Front Header Seals

All of these seals attach to the underside of the convertible top.

- 58-60 "U" shaped channel, rubber with metal core, attaches to front of top **66-31068^A** **96.99** ea.

- 58-60 Bow seal, rubber, attaches to front of #1 top bow **66-31069^A** **23.99** ea.

Convertible Top Outer Front Seals

This seal attaches to the outer front edge of the top. When the top is up, this seal rests on the windshield header.

- 61-66 Rubber, black **66-33943^A** **43.99** ea.
 61-66 Rubber, white **66-33944^A** **43.99** ea.
 61-66 Rubber, beige **66-33942^A** **43.99** ea.

Convertible Top Arm Pads

Convertible top arm pads attach to the bottom of the top arm. When your top is down they rest on the painted surface of the body. These are rubber pads with a heavy steel core.

- 58-60 Rubber, not included in the roof rail seal kit (shown) **66-31070^A** **94.99** pr.
 61-63 Rubber, not included in the roof rail seal kit **66-33946^A** **79.99** pr.

- 64-66 Rubber, included in the roof rail seal kit **66-36940^A** **64.99** pr.

We carry the best adhesive you can buy to help secure window, roof and trunk seals to your car.

- ALL Door seal and felt glass channel adhesive, black, 3M brand, 5 oz. tube **66-52344^A** **8.49** ea.
 ALL Trunk lid seal adhesive, yellow, 3M brand, 5 oz. tube **66-52468^A** **9.99** ea.

To help get your seals and weatherstripping separated from the glass, use this! Loosen up tough, hardened old glue and weatherstrip adhesive with this terrific quick release agent. It makes quick and easy work out of an otherwise miserable job. Your new weather-stripping will have a better fit when the buildup of old glue is removed. Get rid of that old glue the easy way, with quick release agent from MAC's.

- ALL 14 oz. spray can **66-52485^{A*}** **14.99** ea.

***HAZARDOUS MATERIAL**—can only be shipped by ground/surface within the U.S. because of government regulations.

truck freight—requires additional shipping charges

oversize/overweight—requires additional shipping charges

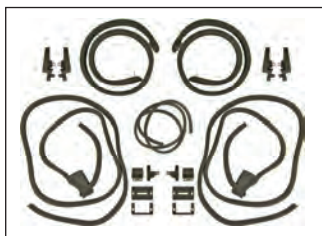

Prop 65 warning for California residents, see inside front cover for details

Convertible Trunk Weatherstrip kits

58-60 4 pieces **66-31061^Δ** **79.99** kit
 61-63 4 pieces **66-33938^Δ** **79.99** kit

64-65 17 pieces, before 2-15-65 **66-36928^Δ** **268.99** kit
 65-66 17 pieces, from 2-15-65, hardware included **66-39960^Δ** **268.99** kit

DON'T FORGET THE ADHESIVE !

Your weatherstrip deserves the best and our 66-52344 adhesive is the best, order a tube today.

Convertible Top Arm Seal

These seals attach beneath the package tray (also called the flip lid). The flat top frame arm goes through the slot in this seal.

64-66 **66-36933^Δ** **8.99** pr.

Quarter Window Seal

58-60 Quarter window seal **66-31024^Δ** **8.99** pr.

Quarter Window Front Seals

On most cars the seal between the door glass and the quarter glass is attached to the vertical front edge of the quarter glass. If you have a leak between your windows this new seal will cure the problem immediately.

58-60 Rubber, with metal insert, coupe or convertible (shown) **66-31249^Δ** **31.99** pr.
 61-63 Rubber, with metal insert, coupe or convertible **66-36008^Δ** **29.99** pr.
 64-66 Rubber, with metal insert, coupe or convertible **66-36871^Δ** **29.99** pr.

Quarter Post Seals

58-60 Rubber, coupe or convertible **66-31021^Δ** **24.99** pr.
 61-63 Rubber, coupe or convertible **66-34867^Δ** **19.99** pr.
 64-66 Rubber, coupe or convertible **66-36866^Δ** **14.99** pr.

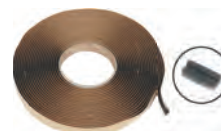

Back Window Seals

58-60 Rubber, coupe **66-31026^Δ** **144.99** ea.
 61-63 Rubber, coupe (shown) **66-33901^Δ** **96.99** ea.
 64-65 Rubber, coupe **66-36882^Δ** **84.99** ea.

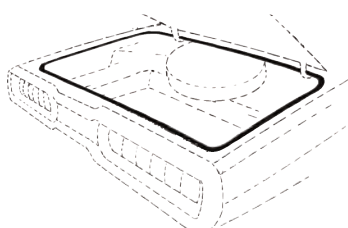

1966 Rubber, body style 63A only, the Town Hardtop (63C) and Town Landau (63D) did not have a rubber back window seal (shown) **66-36882^Δ** **84.99** ea.

1966 Ribbon sealer, 3/8" wide x 15' long, Town Hardtop body style 63C and Town Landau body style 63D **66-68071^Δ** **21.99** ea.

Coupe Trunk Lid Seals

For your trunk seal our 66-52468 adhesive is the best.

58-63 210" long **66-44668^Δ** **32.99**
 64-66 210" long **66-35248^Δ** **30.99** ea.

Rear Body Panel Seals

Pre-punched holes.

64-66 Coupe, black **66-36879^Δ** **19.99** ea.
 64-66 Coupe, gray **66-36880^Δ** **25.99** ea.
 64-66 Clip (16 required) **66-36875^Δ** **0.99** ea.

Rear Bumper Splash Panels

64-66 Rubber, coupe **66-36876^Δ** **14.99** pr.

oversize/overweight—requires additional shipping charges

Prop 65 warning for California residents, see inside front cover for details

Why does a convertible top move slowly and weakly as the car gets old? Why doesn't it snap tightly in place anymore? Time and usage wear down the critical components that operate your top, that's why!

Any hydraulic system requires maintenance to keep working properly; especially when the components are subjected to years of weather, use and neglect ... not to mention temperature extremes. Old tops with stiffened vinyl fabric are simply less pliable and resist folding. Corrosion and the degrading of fluids also contribute to the weakening of the system.

The best plan is to replace the hydraulic pump, motor, cylinders and all hoses with brand new top quality replacements from MAC's Antique Auto Parts. You'll love the way your hydraulic system springs to life and quickly raises or lowers your top at the push of a button. While you're working on the mechanics of your convertible top, don't forget the vital detail components, like top arm pads, a new rubber weather-stripping kit and more.

The experts at MAC's Antique Auto Parts have gone to great lengths to source the items you'll need to get that convertible back in "tip-top" shape!

Convertible Top Circuit Breakers

This is the master circuit breaker that controls the power to the top motor and relays. It is mounted under the hood.

61-62	50 amp.....	66-34812^Δ	33.99 ea.
63-66	60 amp.....	66-35935^Δ	54.99 ea.

Convertible Top Latch (2 required)

64-66	Latch assembly, includes chrome handle and "J" hook.....	66-36936^Δ	99.99 ea.
-------	--	-----------------------------	------------------

Convertible Top Latch Handle and "J" Hook

If your Bird is like many that we've seen, the ears are broken off the top latch handle or the "J" part of the "J" hook is missing. This makes latching your top down tightly impossible. We carry brand new reproductions of these two items so check yours out and if they need replacing, we can help!

64-66	Handle, chrome (2 required).....	66-36935^Δ	32.99 ea.
64-66	"J" hook, chrome (2 required).....	66-36938^Δ	11.99 ea.

Convertible Top Switch, Handle and Escutcheon Plate

61-62	Convertible top switch.....	66-33713^Δ	39.99 ea.
1960	Switch handle, chrome, "TOP" embossed in black.....	66-50434^Δ	17.99 ea.

61-62	Escutcheon plate for convertible top switch, chromed plastic.....	66-33641^Δ	11.99 ea.
-------	---	-----------------------------	------------------

Convertible Top Relays

All 1961 through 1966 T-Birds use 8 relays to control the various functions required to raise and lower the top. The 1960 T-Bird used 10 relays! A bad relay will bring the whole process to a grinding halt. We now carry reproduction relays to keep your top in working order. Our "Top Adjustment and Repair Manual" will help you troubleshoot and pinpoint problems—see our Book Section.

1960	3 contact posts, right	66-44750^Δ	66.99 ea.
1960	3 contact posts, left (not shown)	66-44751^Δ	64.99 ea.
1960	2 contact posts, stamping # 66-44752 (8 required).....	66-44752^Δ	49.99 ea.

58-66	Weatherstrip adhesive, 3M brand, yellow, 5 oz. tube.....	66-52468 ^A	9.99 ea.
-------	--	-----------------------	----------

Convertible Roof Rail Seal Kits

Does water run down the inside of your T-Bird when you wash it? If that's the case your roof rail seals need to be replaced. Roof rail weatherstripping keeps wind, noise and rain out of your classic car, for a quieter, more comfortable experience. Roof rail weatherstripping is located at the roof edge where your side windows roll up for a tight seal. Aged and cracked seals can ruin the appearance of your car. MAC's carries the finest quality seals made today—from the correctly shaped extrusions, to the permanently bonded corners and pre-installed mounting studs, our seals are the best. Keep the elements where they belong, outside!

1958-63 kits do not include the convertible top arm pads. These items are listed separately.

58-60	6 pieces	66-31067 ^A	289.99 kit
61-63	7 pieces, includes front header seal and "T"-bolts.....	66-33941 ^A	224.99 kit
64-66	7 pieces, includes top arm pads and header seal.....	66-36939 ^A	199.99 kit

58-66	T-bolt for convertible roof rail seals (as required).....	66-14192 ^A	3.99 ea.
64-66	Roof rail weatherstrip screw set, 24 round washer-head screws, 1 set does both sides.....	66-13629 ^A	14.99 set
ALL	Weatherstrip adhesive, black, 3M brand, 5 oz. tube, perfect for door and roof rails seals.....	66-52344 ^A	8.49 ea.

"A" Pillar Seals and Hardware

58-60	Rubber seal	66-31053 ^Δ	53.99 pr.
61-63	Rubber seal	66-33930 ^Δ	59.99 pr.

64-66	Rubber seal	66-39959 ^Δ	49.99 pr.
-------	-------------------	-----------------------	-----------

Convertible Top Outer Front Seals

This seal attaches to the outer front edge of the top.

61-66	Black, rubber	66-33943 ^Δ	43.99 ea.
61-66	White, rubber	66-33944 ^Δ	43.99 ea.
61-66	Beige, rubber	66-33942 ^Δ	43.99 ea.

You will probably need to replace your top pads when you have your new top installed. Select from our choices below.

Convertible Top Arm Pads

Convertible top arm pads attach to the bottom of the top arms. When your top is down they rest on the painted surface of the body. These are rubber pads with a heavy steel core. Top arm pads are included in 1964-66 convertible roof rail seal kits; for 1958-63, the pads are only sold separately.

58-60	Rubber	66-31070 ^Δ	94.99 pr.
61-63	Rubber (not shown)	66-33946 ^Δ	79.99 pr.
64-66	Rubber, see note above	66-36940 ^Δ	64.99 pr.

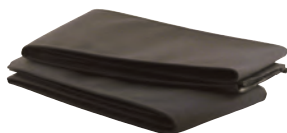

Convertible Front Header Seals

We suggest that you use 66-52344 Black Weatherstrip Adhesive, on all of these seals that attach to the underside of the convertible top.

58-60	"U" shaped channel, rubber with a metal core, attaches to front of top	66-31068 ^Δ	96.99 ea.
58-60	Rubber, attaches to front of #1 top bow	66-31069 ^Δ	23.99 ea.

Convertible Top Pads

58-63	Convertible top pads, 65" long, black, install front to back along bow curves	66-61422 ^Δ	60.95 pr.
64-66	Convertible top specially-tapered pads, black	66-12876 ^Δ	63.99 pr.

Tack Strip (as required)

This premium quality, long lasting hard rubber material replaces the original cardboard tack strip. No more crumbling and flaking, this product will outlast your car. We sell it by the foot, so please measure how much you will need before placing your order.

58-66	1/2" wide x 3/8" thick	66-56239 ^Δ	1.99 ft.
58-66	5/8" wide x 1/8" thick	66-56240 ^Δ	2.99 ft.

Convertible Top Kits

We are proud to offer the best convertible tops that money can buy! Each is constructed using only premium quality 32-36 oz. vinyl and features a zippered-in clear plastic back window, matching vinyl bow covering, wire-on trim, tips, screws and is available in either white or black. Pads are not included but are available separately. Our tops are covered for 6 years on materials and workmanship* so your satisfaction is guaranteed!

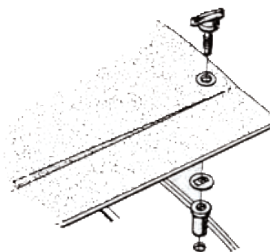

*Because of the difficulty of installation, the warranty is void if the top is not professionally installed.

Trunk Interiors

Our standard trunk interiors are made of fleece backed vinyl that is die-cut to the original size and shape. These sets include the mat, all the boards and curtain in the correct print for each year. They do not include the spare tire cover. Spare tire covers are available in a separate listing, below.

All trunk interiors are oversized and require additional shipping charges.

*Early 1966 Thunderbirds used 1965 pattern #124; the mid-year and late 1966 uses our pattern #126.

Originally, a material called Burtex was used for all trunk interiors in 1958 through 1966. Unavailable for a long period, it has recently been reproduced and we are proud to announce that Concours correct trunk interiors are now available. Included are the floor mat and all the covered side boards.

Take a good look at your lights, lenses and overall brightness of your lighting system. Old faded lenses and corroded reflectors cause your lights to look dim. The brightness of your light bulbs is generally affected by ground wires and sockets while their brilliance is enhanced by the plastic lenses.

Bright and beautiful lights are an asset to any nice car and MAC's has the parts to restore the beauty of your light systems.

You will love the restored appearance that new bezels, lenses and gaskets will add to your car. Find all of the parts you need in MAC's comprehensive listings for your T-Bird. Hint: Always take pictures of your car with the lights on, it will enhance the beauty of your ride.

Headlight Adjuster Assemblies (8 required)

	61-63 Includes screw and plastic nut.....	66-34924 ^Δ	5.99 ea.
	64-65 Includes screw and plastic nut.....	66-35719 ^Δ	3.99 ea.

1965	Lens bezel, chrome, fits around outside of lens with vertical bars (2 required)	66-37737 ^A	89.99 ea.

prices subject to change • check MacsAutoParts.com for the latest prices

Old lenses and gaskets that are unbroken will sometimes be left in place by a restorer, until that person parks next to a similar car with beautiful brand new reproduction lenses. The old, faded and dull lenses look very weak by comparison and dirty, cracked gasket edges look shabby sticking out from behind the lens. Considering plastic lenses are an easy fix, you can be sure that BOTH cars will have new lenses. Put new light bulbs, lenses, gaskets and connectors on your Bird and brighten your "outlook!"

Taillight Lenses

All lenses will fit for right or left sides.

58-59	Clear lens in center (2 required).....	66-30861^A	39.99 ea.

LED Taillight Lenses and Flasher

In the sixties, lighting technology wasn't remotely close to what it is today. Compared to today's cars, sixties tail lights were dim at best. Our LED tail light lenses are the solution to that problem. They are built with super bright LEDs to give you modern lighting brightness and to make sure no moisture or other contaminants get inside, the solid-state circuit boards are epoxy coated, ensuring long life. All that and installation that is a snap because all you have to do is plug them into any socket designed for an 1157 bulb just like your factory tail lights are.

1964	Red lens with 68 red LEDs (2 required).....	66-36668^A	99.99 ea.
ALL	Turn signal flasher, recommended when running LED tail lights for proper turn signal operation, provides necessary load when using LED tail lamps or inserts, the black lead goes to a good ground (shown).....	66-21128^A	14.99 ea.

Outside Rear-View Mirrors

Outside rear-view mirrors have been subject to every bit of weather your car has ever experienced. The chrome gets dull and eventually starts to pit. The glass gets cloudy and scratched over time. Take a look at one of our reproduction mirrors and you'll see a deep, lustrous chrome finish and the glass offers a perfect reflection.

| 64-66 | Stainless steel (2 required) | 66-14413^A | 1.99 ea. |

Bumper Q's

One of the toughest and most expensive-to-remedy rust problems on 61-63 T-Birds is the rear bumper Q's. Debris and water collects in the lower portion and eventually rusts through. Once that has happened, re-chroming is no longer an option. In the past you had to search to find a good used pair, buy them and then spend even more money getting them re-chromed. Not anymore! We carry beautiful brand new, fully chromed Q's that will make your car look beautiful.

- | | | | |
|-------|------------|-----------------------------|-------------------|
| 61-63 | Right..... | 66-33799^A | 349.99 ea. |

58-60	Bullet filler.....	66-30910 ^A	36.99 pr.
-------	--------------------	-----------------------	-----------

Lower Back Panel Splash Shields

64-66	To rear bumper, convertible fills gap between deck lid and bumper, molded rubber with metal insert.....	66-36926 ^A	124.99 ea.
-------	---	-----------------------	------------

Rear Bumper Center Plastic Emblems, Housing and Parts

1964	Plastic emblem, "Thunderbird" in block letters.....	66-36735 ^A	43.99 ea.
1965	Plastic emblem, Thunderbird emblem.....	66-37748 ^A	43.99 ea.
64-65	Center emblem housing, chrome (shown).....	66-36734 ^A	79.99 ea.
64-65	Retainer plate, rear bumper center emblem.....	66-36736 ^A	13.99 ea.
64-65	Mounting pad, rear bumper center emblem.....	66-36737 ^A	3.99 ea.

With more than 40 years of the sun's rays on them, your emblems have likely lost most of their shine. The paint fades, which makes them look dull and they just don't do your beautiful Bird justice. Replace them with quality like-new reproductions from MAC's!

"Eyebrow" Moldings and Hardware

- 
- 
- 61-63 Hood molding, right "eyebrow" over the headlight door..... **66-33647^Δ** **41.99** ea.

Tri-Power Air Cleaner Emblem

- 
- 62-63 For "M" engine only..... **66-33679^Δ** **34.99** ea.

Peak Moldings and End Caps

These peak moldings were a great styling look but they were easily damaged. Straightening and refinishing them is a costly, time-consuming job better left to professionals.

We now have a better solution: our reproduction moldings! Now you can finally have new peak moldings from the front bumper all the way to the rear bumper. Made from the original stainless steel, they are ready to install. Clips are not included.

- 61-63 Fender, right, stainless steel **LS**..... **66-33642^Δ** **104.99** ea.
- 61-63 Fender, left, stainless steel **LS**..... **66-33643^Δ** **104.99** ea.

Each fender uses 5 of 66-33896, 5 of 66-34873 and 1 of 66-33785 clips.

- 61-63 Door, right, stainless steel..... **66-33882^Δ** **79.99** ea.
- 61-63 Door, left, stainless steel..... **66-33883^Δ** **79.99** ea.

Each door uses 3 of 66-33896 and 3 of 66-34873 clips.

- 61-63 Quarter, right or left, stainless steel (2 required) **LS**..... **66-33672^Δ** **99.99** ea.

Each quarter uses 7 of 66-33896, 7 of 66-34873 and 1 of 66-33785 clips.

- 61-63 Quarter end cap, right, chrome die-cast..... **66-33673^Δ** **32.99** ea.
- 61-63 Quarter end cap, left, chrome die-cast..... **66-33674^Δ** **32.99** ea.

All the clips you might need to install the above moldings are listed below.

Molding Clips

The clips that hold the peak moldings do a great job when they are new. Once you remove them and try to reuse them, you'll find that many have stretched. We can send you as many as you need, in both original types-metal or plastic.

- 
- 
- 
- 61-63 Metal tooth type, used on fender and quarter panel peak moldings (as required)..... **66-33896^Δ** **3.99** ea.
- 61-63 Plastic anti-rattle type, used on fender and quarter panel peak moldings (as required)..... **66-34873^Δ** **1.49** ea.
- 61-63 End clip, used on the front fenders and rear quarters (4 required)..... **66-33785^Δ** **3.99** ea.

- 64-66 17 or 18 per side..... **66-44101^A** **3.99** ea.

Body Side Molding Kits

Beginning in 1961, Ford offered a body side molding kit as an accessory. Until recently, if you were missing a piece on your car, that's the way it stayed, as replacement pieces were very hard to find. These beautiful stainless steel reproductions include all the moldings and clips necessary to add this popular accessory to your Bird.

1961	10 pieces ^{US}	66-33895^A	279.99	kit

Fender Hardware

61-63	Fender hardware kit, complete kit: 4 faceted-flange lock nuts, 16 flat washers, 21 faceted-flange-head black oxide finish bolts, 15 black oxide finish hex-head bolts with captive flat washers and 16 black oxide finish threaded "U" nuts, 1 kit does both sides.....	66-13542^A	74.99	kit
61-63	Fender bolt set, 8 faceted-flange-head black oxide finish bolts and 8 flat washers, 1 set does 1 fender (2 sets required).....	66-13543^A	12.99	set
64-66	Export brace hardware kit, 6 hex nuts, 6 lock washers, 8 black oxide finish faceted-flange lock nuts and 8 black oxide finish hex-head bolts with captive flat washers.....	66-13540^A	14.99	kit
64-66	Fender hardware kit, 8 threaded "U" nuts, 8 hex-head bolts with captive flat washers and 2 hex washer-head screws, 1 kit does 1 fender (2 kits required).....	66-13544^A	24.99	kit

Trim and Molding Hardware

Pal nuts are self-threading, for 3/16" studs.

1960	Pal nut, for 66-44718 roof side emblem (6 required).....	66-14364^A	0.49	ea.
------	--	-----------------------------	-------------	-----

Attaching hardware is listed with the part whenever possible.

Outside Door Handles

Outside door handles take a beating from wind and weather, replace yours today with one of our richly chromed reproductions. MAC's door handles are die-cast and triple chrome plated. Door handle buttons are included.

58-60	Includes buttons, right and left.....	66-31015^A	139.99	pr.
These door handles do not include the push buttons.				
64-66	Right, chrome (shown).....	66-36849^A	74.99	ea.
64-66	Left, chrome.....	66-36851^A	74.99	ea.

Outside Door Handle Push Buttons and Bezel

58-60	Button, right.....	66-31018^A	21.99	ea.
58-60	Button, left (not shown).....	66-31019^A	21.99	ea.
61-63	Includes chrome button, spring and bracket, right or left (2 required).....	66-33886^A	49.99	ea.
61-63	Bezel, chrome, right or left (2 required).....	66-33668^A	22.99	ea.
64-66	Button, right or left (2 required).....	66-36883^A	19.99	ea.

Outside Door Handle Pads

Each set includes 4 pieces, enough to do 2 handles.

58-60	Rubber, 4-piece set.....	66-31017^A	9.99	set
64-66	Rubber, 4-piece set.....	66-36853^A	11.99	set

Rust is common in the floors and the lower body of all the '58 through '66 Thunderbirds. MAC's patch panels are stamped from 19 to 20 gauge cold-rolled steel, unless noted otherwise. We stock a large variety of patch panels to help make that Bird beautiful again!

Test fit first. Painted or modified sheet metal is not returnable.

Fender Lower Rear Patch Panels

The 1958-60 front fender lower rear patch panel goes from the front door edge almost to the center of the wheel-well opening and measuring from the bottom up about 25 inches.

58-60	Left ^{US}	66-30891^A	127.99	ea.
61-63	Right (shown).....	66-33772^A	139.99	ea.
61-63	Left.....	66-33773^A	119.99	ea.
64-66	Right (shown).....	66-36695^A	114.99	ea.
64-66	Left.....	66-36696^A	114.99	ea.

Splash Shields

58-60	At rear of right front fender.....	66-30892^A	95.99 ea.
58-60	At rear of left front fender.....	66-30893^A	95.99 ea.
58-60	Seal set, 6-piece set does both sides.....	66-30895^A	33.99 set

Battery Box Apron Patch Panels

The battery box apron patch panel is designed to repair the front fender apron under the battery box where standing water and battery acid combine to rust away the sheet metal and leave your battery hanging. The nut plates for mounting the battery tray are included.

61-63	66-33774^A	139.99 ea.
64-66	66-36698^A	139.99 ea.

Rocker Panels

58-60	Right (shown)	66-30985^A	54.99 ea.
58-60	Left	66-30987^A	54.99 ea.
58-60	Right, extends back to wheel opening.....	66-30986^A	97.99 ea.
58-60	Left, extends back to wheel opening.....	66-30988^A	97.99 ea.

61-63	Right (shown)	66-33864^A	139.99 ea.
61-63	Left	66-33865^A	156.99 ea.
64-66	Right (shown)	66-36803^A	74.99 ea.
64-66	Left	66-36804^A	78.99 ea.

Floor Pan Cover Plate

64-66	(10 required).....	66-40409^A	3.49 ea.
-------	--------------------	-----------------------------	-----------------

Rubber Drain Valves

63-66	For rear floor pan extension (2 required).....	66-35188^A	16.99 ea.
64-66	For rocker panel.....	66-36204^A	6.99 pr.

Sheet Metal Supplies

ALL	Metal primer, brown, use for big or small jobs, 12 oz. spray can.....	66-52307^{A*}	8.99 ea.
ALL	Aluminum metal primer, green, zinc phosphate, 12 oz. spray can.....	66-52346^{A*}	12.99 ea.
ALL	Cold galvanizing, provides durable film with more than 90% zinc. Bonds to bare metal for a durable finish. 15 oz. spray can.....	66-52357^{A*}	13.99 ea.

Great care is taken to stamp out our floor pans so that they will look like the original floor. They are correctly shaped and have stiffening grooves that match the originals.

Front and Rear Floor Pans

The 1958-60 front floor pans repair the area under the driver and front seat passenger's feet. The panels extend 3" up the firewall and back to the front seat. These beauties are stamped with the correct stiffening grooves, like the originals.

58-60	Front, right (shown).....	66-30994^A	109.99 ea.
58-60	Front, left.....	66-30992^A	109.99 ea.
58-60	Rear, right (shown).....	66-30995^A	149.99 ea.
58-60	Rear, left.....	66-30993^A	156.99 ea.

The 1961-66 front floor pans repair the area under the driver and front seat passenger's feet. The panels extend 5" up the firewall and are stamped with stiffening grooves like the originals.

61-63	Front, right.....	66-33871^A	104.99 ea.
61-63	Front, left.....	66-33869^A	119.99 ea.
64-66	Front, right [OS].....	66-36810^A	124.99 ea.
64-66	Front, left [OS].....	66-36808^A	117.99 ea.

The 1961-66 rear floor pans repair the area of the floor between the front and the rear seat from the inner rocker panel to the transmission tunnel. They are stamped with the correct stiffening grooves like the originals.

61-63	Rear, right [OS].....	66-33872^A	195.99 ea.
61-63	Rear, left [OS].....	66-33870^A	195.99 ea.

64-66	Rear, right.....	66-36811^A	119.99 ea.
64-66	Rear, left.....	66-36809^A	161.99 ea.

Floor Pan Plug (as required)

61-63	Rubber, 1-1/4".....	66-14193^A	2.49 ea.
-------	---------------------	-----------------------------	-----------------

Doorskin Patch Panels

These patch panels repair the lower 5-1/2" of the doors and include the end flanges to fold over.

64-66	Lower, right (shown)	66-36830^A	114.99 ea.
64-66	Lower, left	66-36831^A	114.99 ea.

***HAZARDOUS MATERIAL**—can only be shipped by ground/surface within the U.S. because of government regulations.

truck freight—requires additional shipping charges

oversize/overweight—requires additional shipping charges

Prop 65 warning for California residents, see inside front cover for details

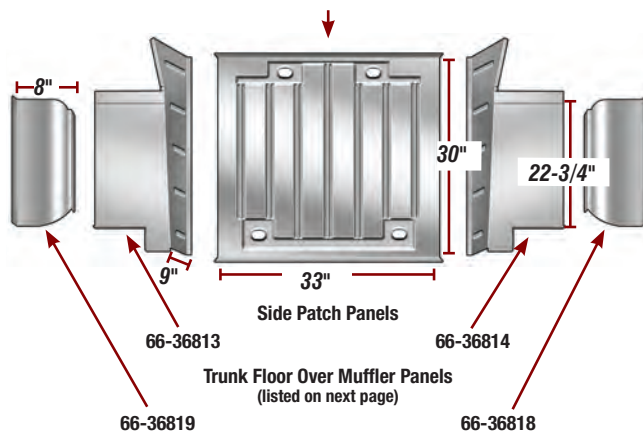

Trunk Floor Parts

Patch panels are stamped from 19 to 20 gauge cold-rolled steel. Painted or otherwise modified sheet metal is not returnable regardless of the reason.

Patch Panels

58-59	For fuel tank sending unit access, stamped steel	66-27284 ^Δ	11.99 ea.
58-60	Center, 20-5/8" x 24-1/2"	66-30996 ^Δ	208.99 ea.
58-60	Right.....	66-30998 ^Δ	249.99 ea.
58-60	Left.....	66-30997 ^Δ	249.99 ea.

1964-66 Trunk Floor Sheet Metal
Center Floor Pan Patch Panel
66-36812

64-66	Pan, center, 30" x 33"	66-36812 ^Δ	299.99 ea.
64-66	Pan, right	66-36814 ^Δ	209.99 ea.
64-66	Pan, left.....	66-36813 ^Δ	199.99 ea.

Trunk Floor Over Muffler

61-63	Right.....	66-33659 ^Δ	293.99 ea.
61-63	Left.....	66-33660 ^Δ	299.99 ea.
64-66	Right, 8" x 22-3/4"	66-36818 ^Δ	144.99 ea.
64-66	Left, 8" x 22-3/4"	66-36819 ^Δ	144.99 ea.

Trunk Floor Extensions

Rear trunk floor extensions repair the outer wheelhouse at the rear and run from the bottom rear of the quarter panel to the trunk floor.

58-60	Right (shown)	66-31000 ^Δ	156.99 ea.
58-60	Left	66-31001 ^Δ	156.99 ea.
61-63	Right (shown)	66-35993 ^Δ	156.99 ea.
61-63	Left	66-35994 ^Δ	156.99 ea.
64-66	Right (shown)	66-36816 ^Δ	144.99 ea.
64-66	Left	66-36817 ^Δ	143.99 ea.

Wheelhouse Patch Panels

These patch panels repair the bottom front of the outer wheelhouse.

61-63	Lower front, right	66-33891 ^Δ	89.99 ea.
61-63	Lower front, left.....	66-33892 ^Δ	89.99 ea.
The outer wheelhouse top cap patch panel repairs the area where the outer wheelhouse meets the quarter. This panel is about 4" wide and runs from the bottom front of the wheelhouse, over the top of the wheelhouse and stops where it meets the rear wheelhouse extension.			
64-66	Outer wheelhouse top cap patch panel, right (shown)	66-36864 ^Δ	111.99 ea.
64-66	Outer wheelhouse top cap patch panel, left.....	66-36865 ^Δ	114.99 ea.

Fender Skirt, Seals and Pins

58-60	Seals, rubber	66-31051 ^Δ	14.99 pr.
61-63	Seals, die-cut rubber (shown).....	66-33928 ^Δ	32.99 pr.
64-66	Seals, die-cut rubber	66-36913 ^Δ	24.99 pr.
58-66	Staple kit for skirt seals, 20 pieces	66-13383 ^Δ	3.99 kit
58-66	Pin, these are inserted through holes in the wheel lip and help to locate the skirts in their correct position (as required)	66-14334 ^Δ	3.49 ea.

When you are restoring one of these beautiful Thunderbirds, you might encounter rust in areas that no patch panels are available for. To repair them properly you need to clean up the rust and coat the surface so that rust doesn't spread. We recommend the number one name in rust prevention, POR-15. See our full line of the great POR products in our accessories section.

Quarter Patch Panels

All patch panels have to be welded onto your car. Most will require some reshaping to assure a good fit. This kind of work is best left to experienced shops to achieve the best results.

Lower Rear

- 58-60 Right, 65" long x 18" high, long enough to overlap front patch panel listed below (shown) **66-13292^A** **189.99** ea.

- 58-60 Left, 65" long x 18" high, long enough to overlap front patch panel listed below **66-13353^A** **144.99** ea.

- 64-66 Right, 40" long x 8-1/2" high (shown) **66-13299^A** **189.99** ea.

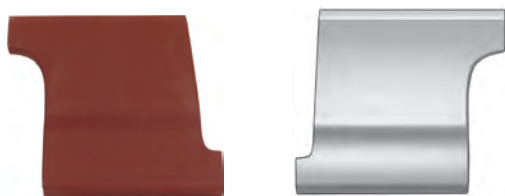

- 64-66 Left, 40" long x 8-1/2" high **66-13360^A** **196.99** ea.

Lower Front

- 58-60 Right, 33" long x 20" high, long enough to overlap rear patch panel listed above **66-13293^A** **129.99** ea.

- 58-60 Left, 33" long x 20" high, long enough to overlap rear patch panel listed above **66-13354^A** **124.99** ea.

- 61-63 Right **66-13298^A** **149.99** ea.

- 61-63 Left **66-13359^A** **149.99** ea.

- 64-66 Right **66-13302^A** **119.99** ea.

- 64-66 Left **66-13363^A** **149.99** ea.

Half-Height

- 61-63 Lower, right, 80" long x 21" high (shown) **66-13297^A** **149.99** ea.

- 61-63 Lower, left, 80" long x 21" high **66-13358^A** **149.99** ea.

- 64-66 Lower, right, 80" long x 22" high (shown) **66-13300^A** **399.99** ea.

- 64-66 Lower, left, 80" long x 22" high **66-13361^A** **399.99** ea.

Full Height

A full height quarter panel is only the vertical surface of the quarter panel. It does not include the horizontal surface that carries over to the trunk.

- 64-66 Right (shown) **66-13301^A** **424.99** ea.

- 64-66 Left **66-13362^A** **424.99** ea.

Truck shipping charges are pre-paid and can range from \$150.00 to \$250.00.

Sheet Metal Supplies (as required)

Metal Primer

- ALL Brown, use for big or small jobs, 12 oz. spray can **66-52307^{A*}** **8.99** ea.

Aluminum Metal Primer

- ALL Green, zinc phosphate, 12 oz. spray can **66-52346^{A*}** **12.99** ea.

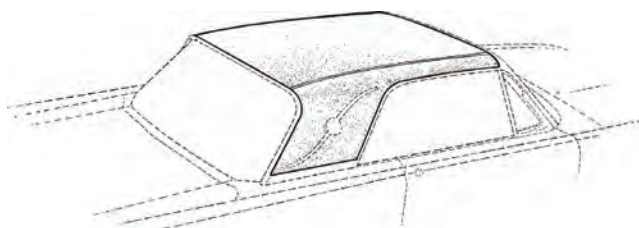

Cold Galvanizing

- ALL Provides durable film with more than 90% zinc. Bonds to bare metal for a durable finish. 15 oz. spray can **66-52357^{A*}** **13.99** ea.

Vinyl Tops

Our vinyl tops come to you as a single piece, ready to install. Original type long grain Cobra vinyl is used and the overlapped seams are heat bonded for durability just like the originals were. The top is made larger than necessary so you can trim to fit for the best look.

61-63	Black, correct for '62 and '63, but will fit '61, a vinyl top was not available on a '61 T-Bird	66-34880^Δ	272.99 ea.
64-65	Black	66-36905^Δ	249.99 ea.

61-65	Adhesive, 3M brand, 19 oz. spray	66-52376^{Δ*}	19.99 ea.
-------	--	------------------------------	------------------

ALL	Vinyl top dressing, for black tops only, gives a "new" look to an old top, quart	66-52374^{Δ*}	34.99 ea.
-----	--	------------------------------	------------------

Levant Grain Vinyl Tops

Our non-original Levant grain vinyl tops are available in 3 colors. The 1966 Town Hardtop and Town Landau models (without quarter windows) have their own version for a better fit.

61-63	Black	66-89214^Δ	223.99 ea.
61-63	Buckskin	66-89220^Δ	284.99 ea.
61-63	White	66-89218^Δ	217.99 ea.
64-66	Black	66-71051^Δ	324.99 ea.
64-66	Buckskin	66-71053^Δ	304.99 ea.
64-66	White	66-71055^Δ	319.99 ea.
1966	Black, Town Hardtop and Landau	66-89208^Δ	259.99 ea.
1966	Buckskin, Town Hardtop and Landau	66-89211^Δ	283.99 ea.
1966	White, Town Hardtop and Landau	66-89212^Δ	259.99 ea.

Wiper Motor Kit

Tired of trying to fix that old inefficient vacuum wiper motor? We have the answer—an electric conversion! While it's not "correct" for the show car, it's a much-needed improvement over the factory system. If you have ever been caught in the rain, you'll know why we think this 12-volt motor is the set-up to have.

58-60	Includes the motor, necessary wiring and a new switch	66-30901^Δ	259.99 kit
-------	---	-----------------------------	-------------------

If you want to use the original knob, you can. Just add our shaft extension and your original knob and bezel will work just fine.

58-60	Wiper switch shaft extension, except intermittent wipers	66-11523^Δ	29.99 ea.
-------	--	-----------------------------	------------------

We can also help if you would like the convenience of intermittent wipers.

58-60	Intermittent wiper switch	66-11527^Δ	96.99 ea.
58-60	Intermittent wiper switch shaft extension	66-11524^Δ	27.99 ea.

Wiper Motor Hydraulic Hoses

Beginning in 1963, Ford installed a newly developed hydraulic windshield wiper system on the T-Bird. It used the high pressure of the power steering system to create a variable speed action. Another benefit of this was the "increased pressure" of the blades against the windshield. These hoses are rarely found in good shape, but MAC's has taken care of that by offering a beautiful reproduction to eliminate the need for that search.

1963	From motor to steering gearbox (not shown)	66-35949^Δ	47.99 ea.
1964	From motor to steering gearbox	66-36731^Δ	47.99 ea.
65-66	From motor to steering gearbox	66-37747^Δ	39.99 ea.

Return Tube Sets

1963	2 pieces, steel, from wiper motor to steering gearbox	66-35950^Δ	33.99 set
1963	Same as above, except stainless steel	66-35951^Δ	34.99 set

Wiper Blades (2 required)

58-60	13" long, black plastic replacement	66-11870^Δ	7.99 ea.
61-62	16" long, black plastic replacement	66-11872^Δ	9.99 ea.
63-66	18" long, black plastic replacement	66-11873^Δ	9.99 ea.

Wiper Blades—Stainless Steel Type (2 required)

A nicely finished stainless steel housing makes this look like an original blade. It's 13" length makes it perfect for the '58 through '60 T-Bird.

58-60	13" long, stainless steel	66-30621^Δ	19.99 ea.
-------	---------------------------------	-----------------------------	------------------

Wiper Blade Refills

61-62	16", universal replacement	66-11881^Δ	7.99 pr.
63-66	18", universal replacement	66-11882^Δ	7.99 pr.

Windshield Wiper Arm Bezels

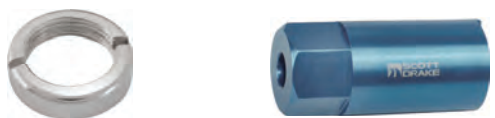

64-65	Right.....	66-36713^A	17.99 ea.
64-65	Left.....	66-36714^A	17.99 ea.

Windshield Wiper Arm Clip (2 required)

1966	From 10-18-65.....	66-38217^A	5.99 ea.

Vent Window Air Deflector (Windwing)

61-63	Plastic, does not include the mounting channel.....	66-33667^A	54.99 pr.
-------	---	-----------------------------	------------------

**PUT THE POWER BACK IN YOUR FORD ENGINE!**

Restore the kind of power that Ford Motor Co. engines are famous for with new top-quality replacement parts.

MAC's sells parts specifically for Ford and Mercury engines and through our years of experience we have discovered the parts that will work best for your

car. We have searched for the finest quality components and for sources that will allow us to offer you excellent pricing. Get the pistons, valves, timing sets, camshafts, rings, oil pumps, cylinder sleeves, bearings, gasket sets and other parts that you need for a top-notch engine restoration.

How many do I need to order? All engine components listed are sold each, except:

SET—1 set does one engine (piston rings, camshaft bearings and main bearings).

PAIR—1 pair makes one unit (split items, such as connecting rod bearings = order one pair for each connecting rod).

1958-60 352 V8**Cylinder Head Dowel Set**

1961 through 12-23-63, with Hydraulic lifters **66-41843^A** **3.99** ea.

12-23-63 through 1965, with Hydraulic lifters **66-37008^A** **3.99** ea.

Rocker Arm Shaft (2 required)

Standard replacement **66-44319^A** **29.99** ea.

Rocker Arm

Non-adjustable, use with

hydraulic lifters (16 required) **66-30749^A** **44.99** ea.

1962-63 390 with 3x2 bbl**Cylinder Head Dowel Set**

4-piece set..... **66-31317^A** **9.99** set

Intake Valve (8 required)

Stem diameter, .3716". Standard **66-44315^A** **11.99** ea.

Heavy-duty Exhaust Valves (8 required)

Stem diameter, .3715" overall length is 5.436".

Standard..... **66-46515^A** **6.99** ea.

Cam Bearing Set

Standard size **66-39291^A** **44.99** set

1966 390 V8**Cylinder Head Dowel Set**

4-piece set **66-31317^A** **9.99** set

Heavy-duty Exhaust Valves (8 required)

Stem diameter, .3715" overall length is 5.436".

Standard..... **66-46515^A** **6.99** ea.

Valve Lifter (16 required)

Hydraulic **66-41833^A** **6.99** ea.

Cam Bearing Set

Standard size **66-39291^A** **44.99** set

Push Rod (16 required)

With hydraulic lifters..... **66-37008^A** **3.99** ea.

Rocker Arm Shaft

Standard replacement (2 required) **66-44319^A** **29.99** ea.

Rocker Arm (16 required)

Non-adjustable, for hydraulic lifters..... **66-30749^A** **44.99** ea.

How many do I need to order? All engine components listed are sold each, except:

SET— 1 set does one engine (piston rings, camshaft bearings and main bearings).

PAIR—1 pair makes one unit (split items, such as connecting rod bearings = order one pair for each connecting rod).

1966 428 V8

Cylinder Head Dowel Set

4-piece set..... **66-31317^A** **9.99** set

Exhaust Valves (8 required)

Stem diameter .3715", length 5.436".

Standard, 5.436" long..... **66-46515^A** **6.99** ea.

Valve Springs (16 required)

Intake with damper..... **66-35314^A** **5.99** ea.

Exhaust with damper..... **66-35314^A** **5.99** ea.

Valve Lifter (16 required)

Hydraulic..... **66-41833^A** **6.99** ea.

Cam Bearing Set

1966 Timing chain..... **66-48064^A** **19.99** ea.

1966 Timing set, 3 pieces:

iron camshaft gear, crankshaft gear and timing chain, camshaft nose spacer cast into hub **66-36230^A** **34.99** set

430 V8 (1959-60)

59-60 Crankshaft gear, 20 teeth..... **66-30812^A** **42.99** ea.

ZDDPlus Motor Oil Additive

Today's readily available motor oil is formulated specifically for new cars and their roller rocker arms. An additive, ZDDP (zinc), has been reduced over the years to a level where using current oil in a flat tappet equipped engine can cause excessive wear on your camshaft. ZDDPlus restores ZDDP to the level that existed when your classic car engine was designed. Adding a 4 oz. bottle each time you change your oil will significantly reduce camshaft wear. It's compatible with all the new formula, high quality oil, so add ZDDPlus to your oil change routine and give your engine the protection it deserves.

ALL Oil additive, 4 oz. bottle..... **66-68217^A** **9.99** ea.

Oil Pressure Sending Units

Keeping tabs on the vital fluids in your engine is important. When the dash gauge doesn't work, it's usually the sending unit that is at fault. Remember to use some teflon tape on the threads when you are replacing the sender, (but be sure not to let the tape extend beyond the threads and interfere with the sensor portion of the sending unit!)

58-63	66-28936^Δ	7.99 ea.
64-66	66-43613^Δ	29.99 ea.
ALL	Teflon tape, use on the threads of the oil pressure and water temperature senders, 3/4" wide x 520" total length.....		
		66-56242^Δ	2.49 ea.

Oil Pump

An oil pump that works properly, circulating oil to those precious bearings as well as the rest of your drivetrain, is vital to the life of your engine. This pump is brand new, not rebuilt.

58-66	352, 390 and 428.....	66-44322^Δ	43.99 ea.
-------	-----------------------	-----------------------------	------------------

Oil Pump Shaft

58-66	352, 390 and 428 (shown)	66-30755^Δ	13.99 ea.
-------	--------------------------------	-----------------------------	------------------

Oil Pump Inlet Tube Gasket

58-66	352, 390, 428 and 430	66-49391^Δ	4.99 ea.
-------	-----------------------------	-----------------------------	-----------------

PCV Hose, Valves and Rubber Grommet

65-66	PCV hose, formed to the correct shape, 390 only	66-37377^Δ	13.99 ea.
65-66	PCV valve, 390 and 428	66-48089^Δ	8.99 ea.
65-66	PCV valve grommet.....	66-14399^Δ	6.99 ea.

Oil Filter Mount and Gasket

58-66	Oil filter mount, 352, 390 and 428, Genuine Ford.....	66-44162^Δ	136.99 ea.

Gasket and Seal Set Contents (see illustration on next page)

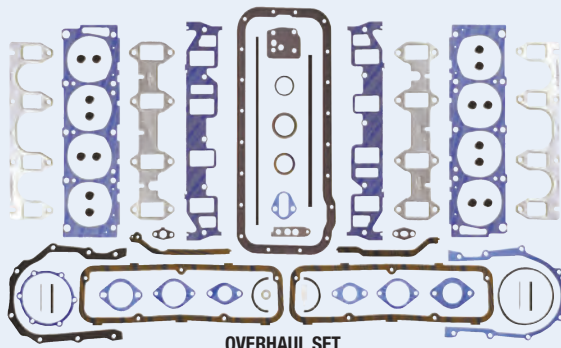

Head Set: Contains all necessary gaskets and seals required to remove and replace the cylinder head(s) and to grind the valves. Does not contain carburetor, carburetor PCV adapter block, or large tin "bathtub" intake manifold gaskets.

Valve Cover Set: Contains valve cover gasket(s) and any necessary seals or grommets required for installation.

Timing Cover Set: Contains all gaskets and seals needed for removal and replacement of the timing cover. Will contain oil pan gasket replacement ends if the oil pan gasket must be replaced for proper installation.

Rear Main Seal Set: Contains rear main bearing seal and any attaching part gaskets or side seals.

Oil Pan Gasket Set: Contains oil pan gasket(s), oil drain plug gasket and oil pick-up tube gasket if required for removal and replacement of oil pan.

OVERHAUL SET

See the next page for gasket and seal locations diagram

See our manifold and parts section for exhaust manifold gaskets

Sealers

ALL Head gasket sealant, fills in small scratches and imperfections, eliminates hot spots and prevents seizing of connections and fittings, resists heat up to 525°, use on exhaust manifolds, cylinder head gaskets and carb base gaskets, 9 oz. spray can **66-52355^{*}** **14.99 ea.**

ALL Gasket sealer, used to replace cork, rubber, silicone, felt and other cut gaskets to form a leak-proof seal. Resists oil, grease, water, antifreeze mixture and transmission fluid. More flexible than conventional gaskets, it can be used on water pumps, exhaust manifolds, valve covers, timing gear covers, transmission pans, water neck outlets or any place a high-performance gasket is needed, 3 oz. tube **66-23701^A** **7.99 ea.**

ALL Permatex "Form-a-Gasket," silicone, replaces almost any cut gasket, 3 oz. tube **66-52364^A** **6.99 ea.**

ALL All-purpose gasket sealant, this is a general-purpose gasket maker and sealant. It works well with cork and paper gaskets, locking out fuel, anti-freeze and oil, 4 oz. can with brush in lid **66-52339^{*}** **6.99 ea.**

Permatex Gasket Remover

Quickly removes all types of baked-on gaskets, adhesives and sealants.

ALL 4 oz. spray can with brush **66-52366^{*}** **15.99 ea.**

***HAZARDOUS MATERIAL**—can only be shipped by ground/surface within the U.S. because of government regulations.

truck freight—requires additional shipping charges

oversize/overweight—requires additional shipping charges

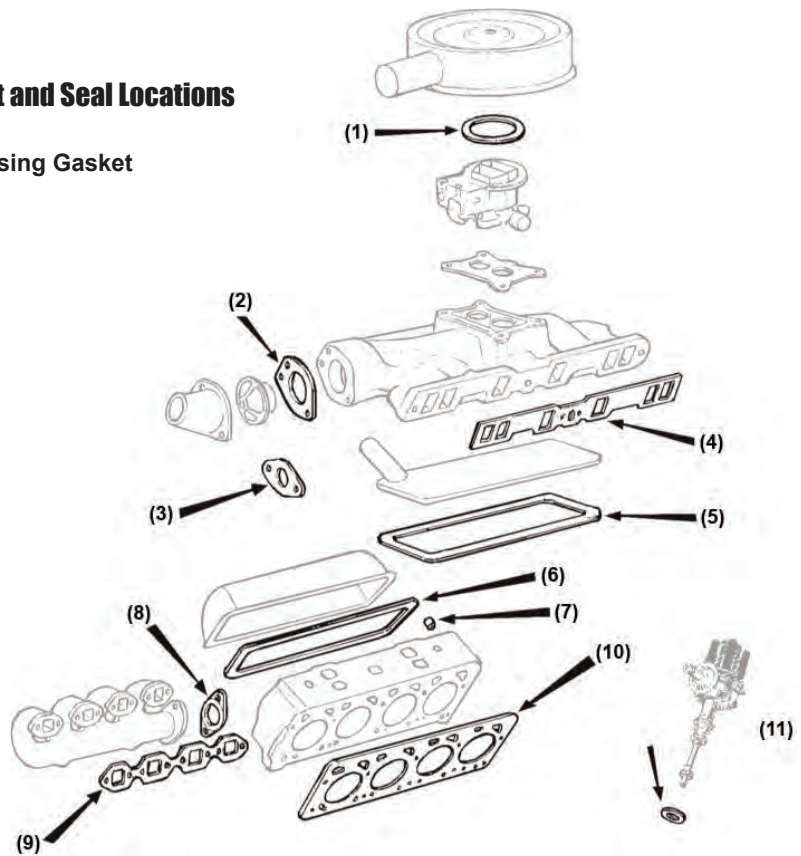

Prop 65 warning for California residents, see inside front cover for details

TYPICAL 8 CYLINDER GASKET and SEAL LOCATIONS

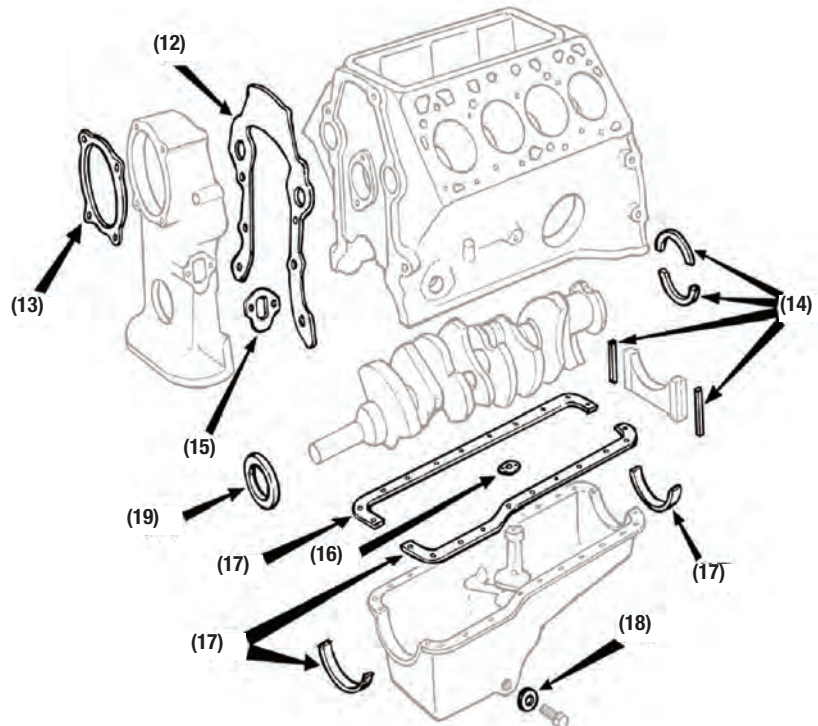

Typical 8 Cylinder Engine Gasket and Seal Locations

- (1) Air Cleaner Mounting Gasket
- (2) Water Outlet / Thermostat Housing Gasket
- (3) Water Bypass Gasket
- (4) Intake Manifold Gasket
- (5) Pushrod Cover Gasket
- (6) Valve Cover Gasket
- (7) Valve Stem Seals
- (8) Exhaust Flange Gasket
- (9) Exhaust Manifold Gasket
- (10) Cylinder Head Gasket
- (11) Distributor Mounting Gasket

Typical Conversion Set:

- (12) Timing Cover Gasket
- (13) Water Pump Mounting Gasket
- (14) Rear Main Seals
- (15) Fuel Pump Mounting Gasket
- (16) Oil Pump Mounting Gasket
- (17) Oil Pan Gaskets
- (18) Oil Drain Plug Gasket
- (19) Timing Cover Seal

BluePrint® Dressed 347 Stroker Crate Engine 415 HP/415 FT LBS

- Dressed engine
- Hp and torque: 415 HP / 415 ft lbs
- Compression ratio: 10.0:1
- Aluminum heads and hypereutectic pistons
- Roller cam
- Cast steel crank
- Includes dual plane satin aluminum intake manifold, 600CFM carburetor and distributor
- Includes valve covers, painted oil pan and brass freeze plugs
- Dyno tested and shipped with results
- Every Blueprint engine is backed by their exclusive 30 month/50,000 mile warranty

ALL 66-362273^Δ 5899.99 ea.

BluePrint® 347 Stroker Crate Engine

- HP and torque: 415 HP 415 ft lbs
- Compression ratio: 10.0:1
- Roller cam
- Cast steel crank
- Aluminum heads and hypereutectic pistons
- Includes valve covers, painted oil pan and brass freeze plugs
- Dyno tested and shipped with results
- Every Blueprint engine is backed by their exclusive 30 month/50,000 mile warranty

Block: Hand picked seasoned blocks bored .040 over. Square and parallel decked. Align honed main bearing bore. Cylinders honed on computer controlled machine to within .0002 straightness and roundness. Cylinders are sonic tested for thickness.

ALL Base 66-362248^Δ 5099.99 ea.
ALL Dressed with fuel injection 66-362275^Δ 6999.99 ea.

BluePrint® Base 427 Stroker Crate Engine

- HP and torque: 525 HP / 510 ft lbs
- Compression ratio: 10.0:1
- Aluminum heads
- Forged crank
- Roller cam
- Dyno tested and shipped with results
- Includes valve covers, oil pan and timing cover and harmonic balancer
- Every Blueprint engine is backed by their exclusive 30 month/50,000 mile warranty

ALL 66-362279^Δ 11255.99 ea.
NOTE: Not for use in pollution controlled vehicles.

BluePrint® 331 Stroker Crate Engine

- Hp and torque: 375 HP/390 ft lbs
- Compression ratio: 9.7:1
- Aluminum heads
- Hypereutectic pistons
- Roller cam
- Cast steel crank
- Includes oil pan, timing cover, valve covers and brass freeze plugs
- Dyno tested and shipped with results
- Every blueprint engine is backed by their exclusive 30 month/50,000 mile warranty

ALL Base 66-362222^Δ 4300.99 ea.
ALL Dressed with carburation 66-362244^Δ 5799.99 ea.
NOTE: Not for use in pollution controlled vehicles.

BluePrint® 408 Stroker Crate Engine

- 408CI stroker crate engine
- Hp and torque: 425 HP / 455 ft lbs
- Compression ratio: 9.8:1
- Aluminum heads
- Hypereutectic pistons
- Roller camshaft
- Cast steel crankshaft
- Includes oil pan, timing cover and valve covers
- Dyno tested and shipped with results
- Exclusive 30 month/50,000 mile warranty

ALL Base 66-362276^Δ 5230.99 ea.
ALL Dressed with carburation 66-362277^Δ 5930.99 ea.

ALL Dressed with fuel injection 66-362278^Δ 6995.99 ea.
NOTE: Not for use in pollution controlled vehicles.

Exhaust Manifolds and Studs

Thunderbird exhaust manifolds are prone to cracking. Many times, after they have been repaired, they crack again. Don't go through that cycle—save yourself all that down time and wasted labor and buy a brand new manifold from MAC's.

58-60	352, right.....	66-20314^Δ	249.99 ea.
58-60	352, left.....	66-20315^Δ	287.99 ea.

58-66	Exhaust flange flat gasket.....	66-69604^Δ	3.99 ea.

Permatex Anti-Seize Lubricant

A blend of aluminum, copper and graphite lubricants. Perfect for easy removal of spark plugs and cylinder or exhaust head bolts.

ALL	1 oz. tube.....	66-52311^Δ	5.99
-----	-----------------	-----------------------------	-------------

Exhaust Manifold Studs, Bolts and Lock Washers

From the factory, special lock washers were used on the exhaust manifold bolts to prevent loosening. If you are missing those special lock washers, we now have several easy ways to remedy that situation. We carry them individually, in sets, or even in sets with the bolts included. Remember we are only a mouse click away. Decide what you need and place your order, we are here to help you every way we can.

62-65	Exhaust manifold flange stud (shown).....	66-69401^Δ	3.99 ea.

58-66	Manifold choke tube cover plate kit, includes cover plate, gasket and machine screw, 352, 390 and 428.....	66-20539^Δ	8.99 kit

Changing your filters regularly will keep your classic running smoother and longer. We carry genuine Motorcraft filters as well as the popular Hastings brand for your convenience.

So plan out a Saturday morning with a cup of coffee for you and several quarts of your favorite motor oil, an oil filter, an air filter and even a fuel filter for your car.

You'll be rewarded knowing that the maintenance you do today will help to keep you from doing a much more extensive repair job down the road.

Oil Filters

Air Filters

Any engine will run better if it "breathes" better. An easy way to improve the breathing ability of your engine is to replace the air filter. The quick fix for many is to use compressed air to blow the dirt out of the filter, but experts agree that, in many cases, this only imbeds the dirt deeper into the filter.

Fuel Filters

Dirt in your fuel lines is a problem, if that dirt gets to your carburetor, it's a major problem. Once dirt gets into your carb, you might have no other choice but to rebuild it and that takes time and can be costly. Save yourself the trouble and expense, install a new fuel filter.

Can there be a more overworked or more under appreciated part of your T-Bird than the lowly motor or transmission mount? Every time we rev our high-powered engines, the poor mounts are stretched almost to the point of tearing apart. Every little oil leak seems to find its way to the sensitive rubber part of every mount, while exhaust and engine heat combine to cook mounts into an early grave. Yet, these motor and transmission mounts have the vital tasks of keeping the drivetrain properly centered and safely anchored under every condition, while also isolating engine vibrations from the chassis and passenger compartment!

Motor Mounts

- 58-63 Motor mount, except 430, right or left (2 required) **66-40193^A** **32.99** ea.
59-60 Motor mount, 430, right or left (2 required) **66-31451^A** **44.99** ea.

60-62 Front bearing **66-24368^A** **6.99** ea.
60-62 Rear bearing **66-28473^A** **11.99** ea.
60-62 Front end plate **66-28474^A** **9.49** ea.

Generator Overhaul Kits

Give yourself peace of mind knowing that a burned out bearing or worn out brushes aren't going to leave you stranded out on the road—install a new set of brushes and front and rear bearings today!

- 60-61 Includes one each of the following:
66-33429 brush set,
66-19599 front bearing,
66-28473 rear bearing and
2 of 66-19955 brush springs **66-44210^A** **29.99** kit

- 60-62 Includes one each of the following:
66-33429 brush set,
66-19599 front bearing and
66-28473 rear bearing **66-34316^A** **22.99** kit

Generator Splash Shield

61-62 Rubber **66-33430^A** **27.99** ea.

Armature Insulating Varnish

ALL Red insulating varnish, spray on your armature and it will quickly dry to a tough film that protects against moisture and corrosion, resists acids, oils, alkalis and heat, 16 oz. spray can **66-52325 *** **8.99** ea.

PowerGen

Your friends will be fooled. They'll wonder why your headlights don't dim at idle. Tell them you have a secret. Tell them you stuffed an alternator into your generator housing. Tell them you have PowerGen—90 amps at highway speeds but, most importantly, 60 big amps at idle! This is the new way to go—get the reliability of an alternator, but the classic look of a stock generator.

These are the one-wire type, meaning the "GEN" light in the dash will not work.

58-62 With offset hinge mount, black powder coat, one wire type **66-10875^A** **470.99** ea.
 58-62 With offset hinge mount, polished aluminum, one wire type (shown) **66-10861^A** **577.99** ea.
 58-62 With offset hinge mount, chrome, one wire type **66-10847^A** **599.99** ea.

The following have a second terminal so the "GEN" light in the dash will work

58-62 With offset hinge mount, black powder coat, two wire type **66-10876^A** **519.99** ea.
 58-62 With offset hinge mount, polished aluminum, two wire type **66-10862^A** **556.99** ea.
 58-62 With offset hinge mount, chrome, two wire type **66-10848^A** **630.99** ea.

Remanufactured Alternator

Alternators are sold on an exchange basis. A \$40.00 core fee will be charged. This fee will be refunded if an acceptable core is received, in the rebuilder's original box, within 90 days of the original purchase date.

65-66 Single pulley, 42 and 55 amp **66-10885^A** **76.99** ea.

Alternator Repair Kit

65-66 Includes bearings, brushes and the correct insulators **66-41726^A** **17.99** kit

Alternator Front Bearing

63-66 Except 70, 90 or 100 amp alternator **66-24368^A** **6.99** ea.

Alternator Voltage Regulators

Reproduction

All reproduction voltage regulators are lettered as original with the "FoMoCo" or "Autolite" logos and the correct engineering numbers in the original colors. All are rated for use with alternators up to 55 amps.

1963 "FoMoCo" logo, black body with yellow lettering **66-36026^A** **53.99** ea.
 1964 Except convertible or air conditioning, "FoMoCo" logo, black body with silver lettering **66-37032^A** **56.99** ea.
 1964 Voltage regulator, all convertible or with air conditioning, "FoMoCo" logo, black body with yellow lettering **66-36967^A** **56.99** ea.
 1965 Before 12-64, except convertible or air conditioner, "FoMoCo" logo, black body with silver lettering **66-37073^A** **51.99** ea.
 1965 Before 12-64, convertible or with air conditioner, "FoMoCo" logo, black body with yellow lettering **66-37847^A** **56.99** ea.
 65-66 After 12-64, except convertible or air conditioner, "Autolite" logo, black body with silver lettering **66-37072^A** **57.99** ea.
 65-66 After 12-64, convertible or all with air conditioning, "Autolite" logo, black body with yellow lettering (shown) **66-37846^A** **63.99** ea.

DON'T FORGET! We carry decals for 1958-66 voltage regulators in our Decals and Tags section.

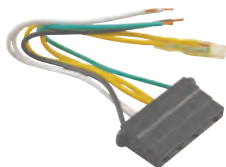

prices subject to change • check MacsAutoParts.com for the latest prices

Sorry, we do not carry any voltage regulators that will work with the factory transistorized ignition.

Alternator Voltage Regulator Plug and Wires

MAC's has a simple solution to repairing that corroded plug on your voltage regulator, our aftermarket plug and wires. Splice the wires into your harness and plug it in!

63-66 Plug and wires, for voltage regulator, to replace corroded plug **66-37136^Δ** **7.99** ea.

Battery Maintenance

ALL Battery mat, absorbs and neutralizes battery acid and vapors, 8" x 12", trim to fit..... **66-31966^Δ** **6.49** ea.

ALL Battery protector, seals terminals and prevents corrosion, cuts current loss, 5 oz. spray can **66-52324^{*}** **5.99** ea.

ALL Battery post corrosion arrestors, for top post or side post battery terminals, these washers absorb and neutralize battery acid..... **66-33434^Δ** **3.99** pr.

ALL Accumate Automatic Battery Charger, an advanced fully automatic battery charger and maintainer for all 6 and 12-volt lead-acid batteries. It will bring your battery to full charge and then go into stand-by mode. If your battery goes below a pre-determined level, the charging process is immediately restarted. Uses normal 110-volt household current outlet and carries a 2-year factory warranty..... **66-10895^Δ** **69.99** ea.

Battery Disconnects and Bracket

MAC's battery disconnect will give you and your car a measure of security.

ALL Battery disconnect..... **66-21374^Δ** **13.99** ea.

ALL Battery disconnect, remote mount so it's hidden from view **66-21375^Δ** **24.99** ea.

ALL Bracket, for remote mount battery disconnect **66-21376^Δ** **7.99** ea.

Battery Trays

Get rid of that rusty tray!

58-60 Brackets welded on as original..... **66-30845^Δ** **49.99** ea.

61-66 Before 12-1-65, for use with bottom hold-down clamp..... **66-34800^Δ** **24.99** ea.

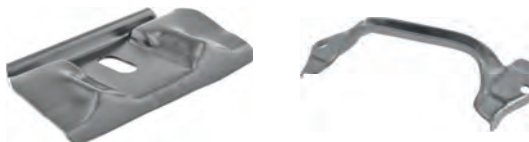

1966 After 12-1-65, for use with top hold-down clamp..... **66-42671^Δ** **34.99** ea.

Battery Hold-down Clamps

58-60 Battery hold-down clamp, black powder coat, group 27 battery..... **66-30842^Δ** **29.99** ea.

58-60 Battery hold-down clamp, group 29 battery **66-28475^Δ** **24.99** ea.

61-66 Battery hold-down clamp, clamps over lip at bottom of battery, before 12-1-65..... **66-37471^Δ** **6.99** ea.

1966 Battery hold-down clamp only, clamps on top of battery, after 12-1-65 **66-37083^Δ** **6.99** ea.

Y-Block PowerMaster PowerMax Plus Starter

- Three position indexing
- 3.7:1 gear reduction ratio
- Power for up to 14:1 compression
- Weight: 10.5 lbs

With its gear-reduction drive, this PowerMaster PowerMax Plus starter really cranks out the power—170 ft.-lbs. of torque. It can handle engines with compression ratios as high as 14.0:1. If your stock starter clears your oil pan, this will too. With three position indexing, it might clear an extra capacity kicked out oil pan as well.

55-66 **66-390820^A** **199.99** ea.

Remanufactured Starter Motors

These starters are sold on an exchange basis. A \$40.00 core fee will be charged. The core fee will be refunded if an acceptable core is received within 90 days of purchase date, in the rebuilder's original package.

58-61 3 bolt mount, includes drive **66-28483^A** **144.99** ea.
62-64 3 bolt mount, includes drive **66-34801^A** **129.99** ea.

Starter Relays (Solenoid)

Reproduction

For that extra touch of authenticity, one of our reproduction starter relays is as good as it gets. They all feature a finely detailed black case, correct lugs, correctly styled hardware and have the correct markings stamped into the metal bracket on top, just like the originals.

- 1965 Used in early 1965, fine thread lugs, stamped "2701966" and "FoMoCo" in script.....**66-28489^A** **47.99** ea.
65-66 Used from late 1965-1966, fine thread lugs, stamped "2701966" and "FoMoCo" in block letters.....**66-28488^A** **47.99** ea.

Replacement-Type

- 58-66**66-28487^A** **14.99** ea.

Ignitor® Ignition Substitute

Never Fight with a set of points again!

Install the IGNITOR by Pertronix. The breakerless electronic ignition substitute. Get longer plug life, better fuel economy and increased horsepower!! (Not for transistorized ignition).

- 58-66 The IGNITOR, all engines.....**66-11296^A** **83.99** ea.

Flame-Thrower® Ignition Coils

The Flame-Thrower is a high-performance 40,000 volt ignition coil. It is the best coil to use with our Pertronix Ignitor breakerless points and condenser replacement (not for transistorized ignition)..

Decals are easily removed for a stock look!

- 58-66 Flame Thrower ignition coil, black, all engines**66-11282^A** **41.99** ea.
58-66 Flame Thrower ignition coil, chrome, all engines**66-11281^A** **43.99** ea.

Flame Thrower® Wire Set

We carry Flame-Thrower spark plug wires, the perfect complement to the Ignitor and Flame-Thrower coil listed above. These are high performance wires in "disguise" as they are all black with no markings.

- 58-66 Flame Thrower wire set, 7.0 mm for a stock look.....**66-11385^A** **57.99** set

The ignition coil is where the high voltage, which fires your spark plugs, is created. A weak spark at the coil will result in weak ignition at the spark plugs, which can result in fouled plugs or other engine performance issues.

Take a look at the coil in your car. Is it very old? Is the metal case dented, damaged, swollen or rusted? What about the bakelite tower at the top? Are there any tiny cracks or chips around the crown? Is there any corrosion inside the tip?

If you answered "yes" to any of the above vital questions, order a brand new ignition coil. MAC's offers a correct-appearing reproduction coil with black body and mustard-colored top for restorers and a Flame Thrower® Pertronix coil for high performance Ford lovers who want a little extra spark in their classic car.

Ignition Coils

Choose from our replacement type that is perfect for the "daily driver" to our concours correct mustard top coil reproduction.

- 58-66 All black, not for transistor ignition **66-28491**^A **29.99** ea.
58-66 Black body with mustard top, not for transistor ignition **66-28492**^A **67.99** ea.

Ignition Coil Brackets

- 64-66 Stainless steel, replacement type **66-36329**^A **14.99** ea.
64-66 Painted black, replacement type **66-36328**^A **13.49** ea.
64-66 Chrome, replacement type **66-26215**^A **14.99** ea.

Ignition Coil Resistor (Ballast Resistor)

- 58-59 **66-30567**^A **9.99** ea.

Reproduction Spark Plug Wire Sets

These reproduction sets are newly manufactured parts made to appear like the O.E.M. equipment. In some cases the availability of material, color, or reproduction techniques might have resulted in very minor differences from the original. These are not O.E.M. duplicates, but are the closest reproduction available.

- 60-64 352 and 390 **66-11366**^A **63.99** set
65-66 352, 390 and 428 without smog equipment **66-11375**^A **59.99** set

Replacement Spark Plug Wire Set

- 58-66 Spark plug wire set, 352, 390 and 428, **Motorcraft** **66-49104**^A **49.99** set

Spark Plug Wire Separators (as required)

- 58-66 Spark plug wire separator, comb-shaped, holds 4 plug wires in place **66-28495**^A **2.49** ea.
58-66 Spark plug wire separator, clips on valve cover, holds 4 plug wires in place **66-30835**^A **5.99** ea.

**SAVE \$\$\$—
BUY THE SET!**

- 58-66 Spark plug wire separator set, includes 2 comb-shaped and 2 that clip on the valve covers **66-28496**^A **5.99** set

58-66 18mm, 352, 390, 428 and 429, **Autolite** **66-69198**^A **3.99** ea.

- ALL Permatex Anti-Seize Lubricant, a blend of aluminum, copper and graphite lubricants. Perfect for easy removal of spark plugs and cylinder or exhaust head bolts, 1 oz. tube **66-52311**^A **5.99** ea.

When you consider how many different systems must operate within a distributor, you can easily see why they are so critical to the performance of any internal combustion engine. First, there is the primary ignition circuit, then the secondary ignition circuit, the timing system, the vacuum system, the lubrication system...whew!

So many things can go wrong; it is amazing that they work as well as they do! Here at MAC's, we know how important it is for your classic to start, run and perform like a new car. Because we believe that the distributor plays such a vital role in the way your engine runs, we offer these exceptional quality remanufactured distributors.

Our quality control starts with the cores we use for remanufacturing, which ensures that you will receive a quality remanufactured unit when you place your order.

Remanufactured Distributors

This remanufactured distributor is sold on an exchange basis. A \$50.00 core fee will be charged. The core fee will be refunded if an acceptable core is returned within 90 days of purchase date. Your core must be returned in the rebuilder's original package.

This modern service replacement uses the '60 and up style condenser. For future tune-ups, remember to use the 60-66 condenser, our 66-31331.

- 58-60 352, single vacuum **66-11304**^A **119.99** ea.

60-66 Replacement type, with centered linkage arm.....**66-37105^Δ** **23.99** ea.

Distributor Caps

- 58-66 Black, all engines, replacement, aluminum contacts.....**66-29509^Δ** **9.99** ea.
58-66 Black, all engines, reproduction, brass contacts.....**66-29511^Δ** **11.99** ea.

Distributor Cam Lube

Add longer life to your distributor cam and points, apply sparingly every 2-2,500 miles!

- 58-66 Made with silicone for superior lubrication and long life, generous 7/8 oz. tube.....**66-20966^Δ** **7.99** ea.

Distributor Tune-up Kits

- 58-59 Kit, 352 and 430, kit includes:
(1) 66-20944, (1) 66-29514 and
(1) 66-29518 (shown).....**66-30833^Δ** **14.99** kit
60-66 Kit, 352, 390, 428 and 430, kit includes:
(1) 66-20944, (1) 66-29514 and
(1) 66-31331.....**66-44831^Δ** **17.99** kit

Individual Parts

- 58-66 Points, 352, 390, 428 and 430.....**66-20944^Δ** **5.99** ea.
58-59 Condenser, 352 and 430.....**66-29518^Δ** **6.99** ea.

- 60-66 Condenser, 352, 390, 428 and 430.....**66-31331^Δ** **9.99** ea.
58-66 Rotor, 352, 390, 428 and 430.....**66-29514^Δ** **6.99** ea.

Firewall Covers

Is your firewall cover leaving clumps of itself on your floor? It's about time you took the next step. Our firewall covers look very close to original and do a far better job of insulating you from heat and noise.

- 58-60 ABS plastic, no holes to drill, 15 clips required (66-15410 or 66-14487 listed below) **66-30976^Δ** **174.99** ea.
61-63 ABS plastic, backed with fiber insulation, 6 clips required (66-15410 or 66-14487 listed below) **66-33856^Δ** **214.99** ea.
64-66 OEM style rubber with fiber insulation, 6 clips required (66-15410 or 66-14487 listed below) **66-36796^Δ** **169.99** ea.

Firewall Cover Clip (as required)

- 58-66 Holds firewall cover to firewall, 1-1/8" overall length.....**66-15410^Δ** **3.99** ea.
58-66 Firewall cover clip, plastic replacement type, 7/8" reach with a 1-1/8" overall length.....**66-14487^Δ** **2.49** ea.

Firewall Grommets, Retainer and Seal

- 58-60 Grommet, mounts on left side of firewall.....**66-30878^Δ** **3.99** ea.
61-64 Grommet, for A/C hoses at firewall.....**66-44207^Δ** **7.49** ea.
58-60 Retainer.....**66-19230^Δ** **9.99** ea.

Cowl Vent Drain Tubes

1964 was a transition year and could originally have had either length tube. Compare your 1964 cowl vent tube to the pictures before placing your order.

- 61-64 Cowl vent drain tubes, rubber, use 66-33949 below to install.....**66-33858^Δ** **32.99** pr.
64-66 Cowl vent drain tubes, rubber, use 66-33949 below to install.....**66-36797^Δ** **32.99** pr.

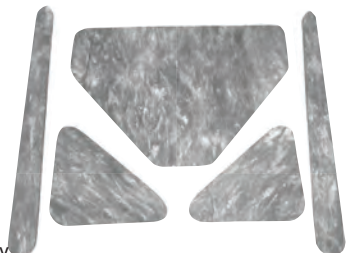

- 61-66 Cowl vent drain tube clamp, like original with "Wittek Chicago" stamped into it.....**66-33949^Δ** **24.99** pr.

***HAZARDOUS MATERIAL**—can only be shipped by ground/surface within the U.S. because of government regulations.

Hood Insulation Pad Sets

Some early production 1965 Thunderbirds used the 3-piece 1964 style hood pad set, check yours before ordering.

- | | | | |
|-------|--|-----------------------------|------------------|
| 58-60 | Die-cut, 6 pieces, originally did not have hood pads..... | 66-44697^A | 48.99 set |
| 61-63 | Die-cut fiberglass, 5 pieces..... | 66-33778^A | 48.99 set |
| 64-65 | Die-cut fiberglass, 3 pieces, verify number of pieces..... | 66-36701^A | 48.99 set |
| 1965 | Die-cut fiberglass, 5 pieces (shown)..... | 66-37744^A | 48.99 set |
| 1966 | Die-cut fiberglass, 5 pieces..... | 66-39909^A | 48.99 set |

- | | | | |
|-----|--|-----------------------------|------------------|
| ALL | Super trim adhesive, 19 oz. spray can..... | 66-52376[*] | 19.99 ea. |
|-----|--|-----------------------------|------------------|

Hood Bumpers

If your hood isn't aligned correctly with the fenders it could be as simple as having bad, worn out hood bumpers. Refresh those hood bumpers with some of our "correct" reproductions.

- | | | | |
|-------|---|-----------------------------|------------------|
| 58-60 | Push-in type, attaches to hood, set of 4..... | 66-29598^A | 11.99 set |
| 58-60 | Screw-in stud with rubber tip, attaches to cowl..... | 66-27023^A | 7.99 pr. |
| 58-60 | Screw-in type, attaches to the center of the cowl..... | 66-14313^A | 8.99 pr. |
| 61-64 | Screw-in stud with rubber tip, attaches to radiator support, 3/8"-24, concurs quality (2 required)..... | 66-36702^A | 5.99 ea. |

- | | | | |
|-------|---|-----------------------------|-----------------|
| 61-66 | Screw-in type, wedge shape, attaches to fender (4 required)..... | 66-34818^A | 3.99 ea. |
| 65-66 | Screw-in stud with rubber tip, attaches to radiator support, economy version..... | 66-38185^A | 8.99 pr. |
| 1966 | Screw-in stud with rubber tip, attaches to radiator support, 3/8"-24, concurs quality, gold cadmium plated stud (2 required)..... | 66-38184^A | 6.99 ea. |

See our hardware section for all hood hardware kits

When you try to raise your hood and it goes up at an angle you have worn out hood hinges. The pivot points get elongated and although the hinge still functions, it's an accident waiting to happen.

Hood Hinges, Spring and Hardware (2 required)

- | | | | |
|-------|--|-----------------------------|-------------------|
| 61-66 | Hood hinge, yellow cadmium-plated like original, right and left..... | 66-33781^A | 214.99 pr. |
| 61-66 | Hood hinge spring..... | 66-33780^A | 17.99 ea. |

- | | | | |

Lokar Flexible Transmission Dipstick

Now you have some flexibility with Lokar's teflon-lined flexible braided stainless steel transmission dipstick. This kit comes complete with a braided stainless steel outer housing and heat-resistant, E-Z to read, flexible inner dipstick measuring cable. The inner cable is molded with the appropriate transmission fluid level markings and is sealed tight with double O-rings. This kit is available in both a versatile firewall mount version which can be mounted anywhere under the hood, or a transmount version that mounts directly to the transmission bell-housing. It comes in your choice of bare stainless steel or black, and includes a dipstick funnel adapter to assist in filling transmission fluid. Complete installation instructions are included as well. As an added bonus, the billet aluminum handle and billet aluminum fittings complement Lokar's flexible engine dipsticks perfectly. All Lokar products are backed by a lifetime warranty and proudly made in the USA. As always, you can count on MAC's to provide you with the high-quality parts you want and need for your classic Ford.

ALL	Firewall mounted	66-91928^Δ	157.99 ea.
ALL	Transmount	66-91929^Δ	90.95 ea.

63-66	Front and rear (2 required)	66-15163^Δ	46.99 ea.

Get your vintage T-Bird driving and handling like it did when it was new with all new steering and suspension parts. Those old and worn bushings, ball joints, tie rod ends, idler arms, and springs have no doubt seen their share of bad weather, roads and driving conditions.

Do yourself a favor, check your front end components, or have a

professional mechanic do it. If you need new inner or outer tie rods we likely have them. While you're at it, don't forget the connecting sleeves; we have those too!

Inner Tie Rods

1958	Right (shown)	66-29673 ^A	47.99 ea.
1958	Left	66-29674 ^A	49.99 ea.

From 1961 to 1963, Thunderbirds had a small diameter shaft on the frame bracket. It proved to be a weak link, so when a reproduction was being planned it was decided to use the larger diameter shaft from the 1964 model. That shaft, along with the larger bushing, makes this reproduction much stronger than the original.

61-63	Power steering	66-33841 ^A	249.99 ea.

Rebuilt Steering Gearboxes

Because good rebuildable cores have gotten very hard to find our best option is to rebuild yours. This ensures that it is 100% correct, and most still installed are good enough to rebuild.

For complete details and a printable service form please enter the MAC's part number into our easy to use Thunderbird website.

When sending in your core, please drain it as much as possible and double-wrap it; that is, put it in a bag and seal it with tape, then take that bag and put it in another bag and seal that with tape. Trash bags work very well for this.

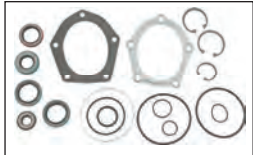

61-62	61 through early 62, with pin type steering shaft coupler, casting #C1SR 3550 D	66-33837 ^Δ	579.99 ea.
1962	Mid 62 through year end, with bolt on type steering shaft coupler, casting #C2SR 3550 B	66-34840 ^Δ	599.99 ea.
63-64	Casting #C2VR 3550 A or #C3VR 3550 A	66-37049 ^Δ	599.99 ea.
65-66	Casting #C5VR 3550 A, #C6VR 3550 A, #C6VR 3550 B, # C6VR 3550 C or #C8VR 3550 A	66-42411 ^Δ	599.99 ea.

Steering Gearbox Insulator (Mount) (3 required)

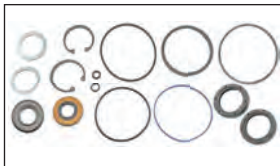

63-66	This is the steel encased rubber mount from the gearbox to the frame, always check these when you are changing the gearbox, vague steering can be a symptom of bad insulators	66-35980 ^Δ	56.99 ea.

64-66	Hex jam nut, 5/8"-18	66-26541 ^Δ	0.49 ea.

Remanufactured Power Steering Pumps

The heat and pressure inside of a power steering system can lead to excessive wear and annoying, hard-to-find leaks. Due to lack of rebuildable cores we must rebuild your original power steering pump. When sending in your pump, **DO NOT SEND THE RESERVOIR**. Your rebuilt pump will not include a reservoir. Only the pump is being rebuilt. Eaton pumps however were made in 2 styles and are referred to as "front mount" and "rear mount". These are not interchangeable. This service is for a front mount only.

For complete details and a printable service form please enter the MAC's part number into our easy to use Thunderbird website.

NOTE: Rear-mounted type not used on 1958-65 Thunderbirds.

- 58-65 Remanufactured Eaton power steering pump, front mounted (see illustration) **66-44255^A** **159.99** ea.

- 65-66 Remanufactured Ford power steering pump, this is a later year replacement style with the small filler neck **66-45756^A** **284.99** ea.

Eaton Pump Note: When returning your Eaton pump core, do not send the reservoir. Your remanufactured pump will not include a reservoir.

Power Steering Pump Pulleys

- 61-65 Without air conditioning, Eaton pump **66-33695^A** **64.99** ea.

- 65-66 5-3/16" diameter, 390 and 428 V8, with air conditioning, Ford pump **66-40378^A** **69.99** ea.

Eaton Power Steering Reservoir Filter and Parts

This filter fits inside the reservoir of your Eaton power steering pump, many pumps that we've seen don't have any filter at all. It's just like any filter and should be changed periodically.

- 58-60 Lid seal, for the Eaton pump **66-44068^A** **4.99** ea.

- 58-65 Seat for filter retaining spring, for the Eaton pump **66-26797^A** **3.99** ea.

- 61-64 Lid seal, with air conditioning (reservoir is on the fender apron), for the Eaton pump **66-44069^A** **3.99** ea.

- 61-65 Lid seal, without air conditioning, for the Eaton pump **66-44068^A** **4.99** ea.

Over the years there is a good chance your power steering pump and reservoir were replaced. Since it may have been replaced by a different year, we offer two different size filters to fit either application. Please measure your filter before placing your order to be sure you get one that fits.

- 58-65 Filter, 3" OD x 1" ID x 1-3/8" high **66-25260^A** **11.99** ea.
58-65 Filter, aftermarket replacement, 2-1/2" OD x 1" ID x 1-1/2" high (shown) **66-29677^A** **24.99** ea.

Power Steering Pump Filler Caps

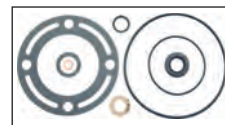

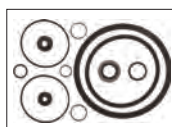

- 60-65 For Eaton pump, includes dipstick, zinc plated **66-35095^A** **11.99** ea.
60-65 Same as above, **except** chrome plated (shown) **66-35096^A** **17.99** ea.
65-66 For angled, wide neck Ford power steering pump, with dipstick, zinc plated **66-37200^A** **14.99** ea.
65-66 Same as above, **except** chrome plated (shown) **66-37201^A** **9.99** ea.

Gasket

- 58-65 For Eaton pump **66-26793^A** **2.49** ea.

Power Steering Pump Seal Kits

- 58-65 12 pieces, Eaton pump **66-34844^A** **17.99** kit
65-66 8 pieces, Ford pump **66-45002^A** **10.99** kit

Power Steering Cylinders and Parts

New Power Cylinders

1958	1/4" ports (shown)	66-30028^Δ	249.99 ea.
1959	1/4" ports, 352 engine	66-31343^Δ	249.99 ea.
59-60	1/4" ports, 430 engine	66-31343^Δ	249.99 ea.
1960	5/16" ports, 352 engine (shown)	66-44759^Δ	249.99 ea.

Remanufactured Power Cylinders

These remanufactured power cylinders are not sold with a core. We rebuild yours. Allow 3 to 4 weeks for rebuilding. Prices are only an estimate but are typically close unless we find extensive problems.

For complete details and a printable service form please enter the MAC's part number into our easy to use Thunderbird website.

61-62	Specialty reinforced rubber line, with no fittings.....	66-52296^Δ	15.99 ea.

Few people realize just how much pressure is inside a typical power steering system. But if you have ever seen a power steering hose burst, you know that it can send hot, oily fluid spraying all over everything and if the hood is open, will spray many feet in all directions.

Age, heat and corrosive elements all contribute to the weakening of all power steering hoses and fittings. Look closely at the power steering hoses on your classic T-Bird. If you see age cracks, worn places, rusted fittings, or stiffened areas, replace them with brand new power steering hoses now... before they fail.

Power Steering Pump Pressure Lines

Heat, friction, dirt and time are all enemies of your classic car's vital wheel bearings and grease seals. Wheel bearings are a particular problem area in many collector cars, which are often driven less than typical daily transportation vehicles. It is not uncommon for collector cars to sit unmoved for months or even years.

This inactivity allows the rubber grease seals to harden and set. Then, when the car starts being driven again, the seals can fail allowing grit and moisture inside the wheel bearing surfaces. Furthermore, old wheel bearing grease can harden and dry out, thus losing its lubrication qualities. When that happens, you find yourself driving down the road when

a wheel bearing starts to groan and grind against the excessive friction. Inevitably, this happens at the worst possible time.

Inspect your wheel bearings carefully. If they exhibit any signs of rust, wear or slight pitting of the rollers, replace them immediately. (Remember to always replace both the inner and outer bearings of one wheel at the same time).

However, if your inspection finds perfectly good wheel bearings, then wipe out all the old grease and replace it with today's super low-friction wheel bearing grease. Work it carefully into both inner and outer wheel bearings, install new grease seals and you're on your way, confident that all is well with your wheel bearings!

Front Hub Grease Caps (2 required)

58-62	1-25/32" ID	66-26920^Δ	6.99 ea.
63-66	Genuine Ford, 1-31/32"	66-51232^Δ	6.99 ea.

Front Hub Grease Cap Tool

58-62	Perfect tool for installing your grease caps.....	66-56518^Δ	13.99 ea.
-------	---	-----------------------------	------------------

Front Wheel Grease Seals (2 required)

58-62	1-15/16" ID x 2-1/2" OD	66-27552^Δ	5.99 ea.
63-66	1-15/16" ID x 2-3/4" OD	66-39180^Δ	8.99 ea.

Front Spindle Washer (2 required)

58-66	Front spindle washer.....	66-34329^Δ	1.99 ea.
-------	---------------------------	-----------------------------	-----------------

Inner Front Wheel Bearing Sets (2 sets required)

1 set does 1 wheel.

58-64	1 bearing and 1 race	66-26929^Δ	17.99 set
65-66	1 bearing and 1 race	66-30072^Δ	17.99 set

Outer Front Wheel Bearing Sets (2 sets required)

1 set does 1 wheel.

58-62	1 bearing and 1 race	66-26931^Δ	17.99 set
63-66	1 bearing and 1 race	66-35930^Δ	17.99 set

Front Brake Backing Plate Gasket (2 required)

61-64	Die-cut gasket paper.....	66-26716^Δ	2.49 ea.
-------	---------------------------	-----------------------------	-----------------

Wheel Stud and Lug Nut (20 required)

58-66	Wheel stud, front and rear wheels with drum brakes, 1/2"-20 x 1-5/8".....	66-25024^Δ	3.99 ea.
58-66	Lug nut, 1/2"-20	66-25661^Δ	0.49 ea.

Rear Wheel Bearings and Gaskets

58-66	Bearing, stamped 88128, 1-17/32" ID x 3-5/32" OD (2 required)	66-33759^Δ	29.99 ea.
-------	---	-----------------------------	------------------

Some '61s used a smaller bearing. Be sure to get stamping # or have measurement ready when you call.

1961	Bearing, stamped RW207CE or F207AKK29, 1-3/8" ID x 2-53/64" OD (2 required).....	66-29993^Δ	36.99 ea.
------	--	-----------------------------	------------------

58-60	Gasket for rear wheel bearing retainer (4 required)	66-24711^Δ	2.49 ea.
1961	Gasket for rear wheel bearing retainer (2 required)	66-24710^Δ	1.99 ea.
62-66	Gasket for rear wheel bearing retainer (4 required)	66-24711^Δ	2.49 ea.

Wheel Bearing Grease

Premium Timken brand wheel bearing grease in a 1 lb. tub with special additives to prevent rust and reduce wear. A must have for installing new bearings and cups

ALL	1 lb. container.....	66-50761^Δ	7.99 ea.
-----	----------------------	-----------------------------	-----------------

Bearing Grease Packer Kit

Applies fresh grease evenly to virtually any bearing. The old grease is forced out onto the cone for easy clean up.

ALL	Universal, 4-1/2" diameter cone	66-68206^Δ	11.99 kit
-----	---------------------------------------	-----------------------------	------------------

Seal Puller

Use on any oil or grease seal. Place the tip behind the seal, press and pull.

ALL	Universal, two tip sizes fit almost all applications	66-68182^Δ	9.99 ea.
-----	--	-----------------------------	-----------------

Brake Pedal Mounting Bracket Bushing and Insulator

- 60-61 Brake and clutch mounting bracket bushing, plastic, before 3-21-61 (4 required)..... **66-30012^A** **0.99** ea.
 58-60 Brake pedal bushing to spring insulator ... **66-27094^A** **19.99** ea.

Brake Pedal Arm Bumper

- 58-64 Rubber, replacement type **66-51301^A** **3.49** ea.

Brake, Clutch and Emergency Brake Pedal Pads

Ask an old used car salesman and they will tell you that one of their favorite tricks for determining the condition of any used car is to look at the foot pedal pads. Worn brake pedal or gas pedal pads are quick tip-offs to worn-out cars. By contrast, brand new pedal pads tend to add to the "new car" look of any interior. Take a look at our low, low prices and be assured that our quality is high.

- 1958 Brake pedal pad, does not include the "SWIFT SURE" band..... **66-27961^A** **29.99** ea.
 58-60 Brake pedal pad, manual transmission, brake or clutch pedal (2 required) **66-29667^A** **6.99** ea.
 58-61 Brake pedal and pad, automatic transmission, manual brakes (shown)..... **66-25191^A** **19.99** ea.
 58-62 Brake pedal pad, automatic transmission, power brakes, serviceable but not "correct" for 1958-60 **66-33725^A** **8.99** ea.
 63-64 Brake pedal pad, with stainless steel trim, power brakes **66-35967^A** **49.99** ea.

- 61-64 Emergency brake pedal pad **66-31207^A** **6.99** ea.
 65-66 Emergency brake pedal pad **66-42237^A** **10.49** ea.
 65-66 Emergency brake pedal pad trim, stainless steel **66-42239^A** **18.99** ea.

Brake Drums (2 required)

Front

- 58-60 For 11-1/32" x 2-1/2" brake shoes, hub not included **66-34994^A** **87.99** ea.
 61-62 For 11-1/32" x 3" brake shoes, hub not included (shown) **66-37098^A** **42.99** ea.
 63-64 For 11-3/32" x 3" brake shoes, hub not included **66-35927^A** **142.99** ea.
 58-64 For 11 1/32" x 2.84" brake shoes **66-388606^A** **42.99** ea.

Rear

- 59-62 For 11-1/32" x 2-1/2" brake shoes..... **66-34994^A** **87.99** ea.
 63-66 For 11-3/32" x 2-1/2" brake shoes..... **66-35928^A** **152.99** ea.

Brake Shoes

All of our relined brake shoes are sold on an exchange basis. A \$40.00 core fee will be charged. This core fee will be refunded if an acceptable exchange is received within 90 days of purchase date.

Front

Always measure your drum diameter and brake shoe width before ordering, to be sure you get the correct set of shoes.

- 58-60 11-1/32" x 2-1/2" brake shoes (shown) **66-35059^A** **49.99** set
 61-62 11-1/32" x 3" brake shoes **66-34830^A** **43.99** set
 63-64 11-1/32" x 3" brake shoes **66-35957^A** **90.99** set

Rear

- 1958 11" x 2" brake shoes..... **66-30937^A** **42.99** set
 59-62 11-1/32" x 2-1/2" brake shoes **66-35059^A** **49.99** set
 63-66 11-3/32" x 2-1/2" brake shoes **66-35062^A** **42.99** set

Brake Shoe Return Springs

- 58-60 Front, 5" long (4 required) **66-27088^A** **2.99** ea.
 1961 Front, requires 66-27088 below (2 required) **66-33721^A** **11.99** ea.
 1961 Front, requires 66-33721 above, 5" long (2 required) **66-27088^A** **2.99** ea.
 62-64 Front, 5" long (4 required) **66-27088^A** **2.99** ea.
 58-66 Rear, 5" long (4 required) **66-27088^A** **2.99** ea.

- 58-60 Lower, this goes from shoe to shoe (2 required) **66-29657^A** **3.99** ea.

- ALL Brake spring pliers, for removal and installation..... **66-56524^A** **29.99** ea.

Your original brake hardware is at least 50 years old—now is the time to replace any or all of it. We carry return springs, adjusting springs, hold down kits, self adjuster cables, self adjuster repair kits, even the backing plate bolts.

Brake Shoe Adjusting Springs

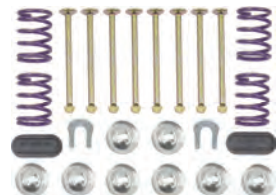

- 58-60 Front or rear (2 or 4 required) **66-50765^A** **4.99** ea.
 61-62 Front (2 required)..... **66-33723^A** **3.99** ea.
 1962 Rear (2 required)..... **66-33723^A** **3.99** ea.
 63-64 Front or rear (2 or 4 required) **66-35959^A** **5.99** ea.
 65-66 Rear (2 required)..... **66-35959^A** **5.99** ea.

Brake Shoe Hold Down Kits

The springs, clips and other parts that operate your brake shoes are subject to tremendous heat, corrosion and other elements, which tend to weaken them severely. Replace all springs, adjusters and other hardware while you're doing your brake job to ensure proper performance.

These easy to use kits include hold down springs, nails, washers and the rubber dust covers. Kit components are not all sold separately.

- 1958 24 pieces, rear (shown) **66-24976^A** **9.99** kit
 58-60 20 pieces, front..... **66-27091^A** **11.99** kit
 61-64 20 pieces, front..... **66-33473^A** **17.99** kit
 61-66 20 pieces, rear..... **66-27091^A** **11.99** kit

Emergency Brake Cable Levers

58-60	Inside drum, right.....	66-33729^Δ	44.99 ea.
58-60	Inside drum, left.....	66-33730^Δ	37.99 ea.

Emergency Brake Link Springs (2 required)

58-62	Before 2-1-63.....	66-24725^Δ	7.99 ea.
65-66	Never before available from 2-1-63.....	66-34641^Δ	5.99 ea.

Brake Shoe Adjuster Repair Kits (1 or 2 required)

Kits contain a star wheel assembly, lever, brake adjusting hole plug, self-adjuster cable and the cable guide. You will need 1 kit per wheel.

61-66	5 pieces, right, front or rear.....	66-44662^Δ	14.99 kit
61-66	5 pieces, left, front or rear.....	66-44663^Δ	9.99 kit

Brake Shoe Star Wheel Self Adjuster Assemblies (2 required)

58-60	Front, right or left.....	66-27090^Δ	14.99 ea.
58-60	Rear, right or left.....	66-27090^Δ	14.99 ea.
61-62	Front or rear, right.....	66-30633^Δ	14.99 ea.
61-62	Front or rear, left.....	66-33472^Δ	14.99 ea.
65-66	Front or rear, right.....	66-30633^Δ	14.99 ea.
65-66	Front or rear, left.....	66-33472^Δ	14.99 ea.

Brake Self Adjuster Cables

61-62	Front or rear brakes (4 required).....	66-33726^Δ	3.99 ea.
65-66	Rear brakes (2 required).....	66-33726^Δ	3.99 ea.

Brake Adjustment Hole Plug

(2 or 4 required)

58-66	Rubber, drum brakes.....	66-19322^Δ	3.99 ea.
-------	--------------------------	-----------------------------	-----------------

Brake Shoe "C" Clip (Horseshoe Lock) (2 required)

58-66	Brake shoe "C" clip (horseshoe lock), secures parking brake lever to brake shoe.....	66-20084^Δ	0.49 ea.
-------	--	-----------------------------	-----------------

Brake Shoe to Wheel Cylinder Link (8 required)

58-66	66-29659^Δ	6.99 ea.
-------	-------	-----------------------------	-----------------

If your master cylinder is the heart of the brake system, then the wheel cylinders are surely the muscles. They directly convert hydraulic pressure into the mechanical motion that presses the brake shoes against the rotating brake drum surface, stopping the vehicle with a huge amount of friction. If a wheel cylinder freezes up or begins to leak, the entire system ceases to function properly. We have all experienced the frustration of bleeder valves that are stuck, or worse, that break. Be sure your brake system is in tip-top shape with brand new wheel cylinders!

Front Brake Wheel Cylinders

Always change wheel cylinders in pairs.

1958	Right, 1-1/8" bore (shown).....	66-29660^Δ	20.99 ea.
1958	Left, 1-1/8" bore.....	66-29661^Δ	20.99 ea.
59-60	Right, 1-3/32" bore (shown).....	66-31476^Δ	20.99 ea.
59-60	Left, 1-3/32" bore.....	66-31477^Δ	20.99 ea.
61-64	Right, 1-3/32" bore (shown).....	66-34947^Δ	17.99 ea.
61-64	Left, 1-3/32" bore.....	66-34948^Δ	18.99 ea.

Wheel Cylinder Bleeder Screw (2 or 4 required)

58-66	66-19837^Δ	0.99 ea.
-------	-------	-----------------------------	-----------------

Rear Brake Wheel Cylinders

Always change wheel cylinders in pairs.

1958	Right, 7/8" diameter (shown).....	66-35065^Δ	7.99 ea.
1958	Left, 7/8" diameter.....	66-35066^Δ	7.99 ea.
59-60	Right, 29/32" diameter (shown).....	66-31423^Δ	15.99 ea.
59-60	Left, 29/32" diameter.....	66-31424^Δ	15.99 ea.

61-62	Right, 7/8" diameter (shown).....	66-35065^Δ	7.99 ea.
61-62	Left, 7/8" diameter.....	66-35066^Δ	7.99 ea.
63-66	Right, 15/16" diameter (shown).....	66-29665^Δ	7.99 ea.
63-66	Left, 15/16" diameter.....	66-29666^Δ	7.99 ea.

Wheel Cylinder Rebuild Kits (2 kits required)

Many wheel cylinders can be honed and rebuilt with our inexpensive kits. Inspect your cylinders for excessive wear.

Front

1958	For 1-1/8" diameter wheel cylinders.....	66-19838^Δ	7.99 kit
59-64	For 1-3/32" diameter wheel cylinders.....	66-35064^Δ	17.99 kit

Rear

1958	For 7/8" diameter wheel cylinders.....	66-19323^Δ	9.99 kit
59-60	For 29/32" diameter wheel cylinders.....	66-35771^Δ	8.99 kit
61-62	For 7/8" diameter wheel cylinders.....	66-19323^Δ	9.99 kit
63-66	For 15/16" diameter wheel cylinders.....	66-26441^Δ	7.99 kit

It is always a good idea to replace brake hoses if you're uncertain of their condition. Hard-to-see stress cracks or inner deterioration can lead to leaks and brake failure. !

Brake Hoses

Front (2 required)

1958	17-1/2", inner (shown)	66-19319 ^Δ	12.99 ea.
1958	15", inner	66-30005 ^Δ	19.99 ea.

Brake Line Copper Washer (as required)

58-66	66-19834 ^Δ	2.49 ea.
-------	-------	-----------------------	----------

Brake Proportioning Valve Rebuild Kit

65-66	66-37778 ^Δ	14.99 kit
-------	-------	-----------------------	-----------

Brake Master Cylinders

If you want to save hours of time cleaning, honing and rebuilding your old master cylinder, give us a call and order one of our brand new master cylinders. Guaranteed to be expertly assembled from only premium quality parts, it will provide you with years of trouble-free service.

58-60	1" bore, attaches with 4 bolts	66-27092 ^Δ	89.99 ea.
-------	--------------------------------------	-----------------------	-----------

1961	1" bore, before 6-9-61	66-44245 ^Δ	64.99 ea.
61-64	7/8" bore, from 6-9-61	66-33827 ^Δ	55.99 ea.
65-66	15/16" bore	66-37762 ^Δ	108.99 ea.

Master Cylinder Rebuild Kits

Check out these convenient and affordable master cylinder rebuild kits. If your unit is still in great shape, with no pitting or rust inside, they're a cost-efficient alternative to new cylinders.

58-61	1" bore, before 6-9-61	66-27085 ^Δ	22.99 kit
-------	------------------------------	-----------------------	-----------

61-64	7/8" bore, from 6-9-61	66-33822 ^Δ	24.99 kit
65-66	15/16" bore, before 1-3-66	66-37756 ^Δ	29.99 kit
1966	7/8" bore, from 1-3-66 to 4-1-66	66-33822 ^Δ	24.99 kit

Master Cylinder Filler Caps and Gaskets

58-60	Cap, made by Wagner	66-25190 ^Δ	14.99 ea.
61-64	Cap, gold anodized like original, gasket included, reproduction	66-38318 ^Δ	14.99 ea.
61-64	Cap, chrome, gasket included, reproduction	66-38316 ^Δ	14.99 ea.
65-66	Cap, gold anodized, gasket included (not shown)	66-37764 ^Δ	14.99 ea.

65-66	Cap, chrome, gasket included	66-37763 ^Δ	14.99 ea.
58-60	Gasket	66-19836 ^Δ	2.49 ea.
58-60	Master cylinder filler cap tool	66-56525 ^Δ	7.99 ea.

Master Cylinder Parts

58-60	Boot	66-10640 ^Δ	3.99 ea.
58-59	Outlet fitting bolt	66-20305 ^Δ	15.99 ea.
58-64	Push rod bushing, (2 required)	66-26443 ^Δ	5.99 ea.
65-66	Push rod bushing, 5/16" long	66-37497 ^Δ	2.49 ea.

Brake Light Switches and Wires

- 58-64 Brake light switch, screws into master cylinder **66-33447^Δ** **9.99** ea.
- 58-64 Low pressure brake light switch, this comes on at a lower pressure allowing your brake lights to come on sooner, much safer in today's fast-paced traffic scenarios **66-33448^Δ** **31.79** ea.
- 58-64 Correct molded waterproof plug with 2 wire leads, for C1AZ-3480-A switch..... **66-11501^Δ** **24.99** ea.
- ALL Economy replacement wiring, consists of 2 90° plugs with wire leads with bullet connectors, while this is not a correct part, it will work if you remove the bullet connectors and splice the wire leads into your harness, for 66-33447 switch..... **66-26977^Δ** **14.99** ea.

Most manufacturers recommend the use of DOT 3 or 4 for all classic car braking systems.

Disc Brake Rotor (2 required)

Stop searching for used rotors! Our rotors are newly manufactured to original specs.

- 65-66 Does not include hub..... **66-37725^Δ** **64.99** ea.

Front Disc Brake Calipers

- 65-66 Left, includes crossover line **66-92022^Δ** **169.99** ea.
- 65-66 Right, includes crossover line **66-92021** **169.99** ea.

Disc Brake Pad Set and Retainer

- 65-66 Disc brake pad set **66-37755^Δ** **29.99** set
- 65-66 Disc pad retainer or shield (2 required)..... **66-37783^Δ** **12.99** ea.

Caliper Transfer Tubes

- 65-66 Stainless steel (shown) **66-37785^Δ** **34.99** pr.

Disc Brake Caliper Seal Kit (2 required)

- 65-66 Includes 4 seals and 4 "O" rings **66-37985^Δ** **15.99** kit

Disc Brake Hardware Kit

- 65-66 4 pieces..... **66-12667^Δ** **15.99** kit

O.E.M. Steel and Stainless Steel Brake Line Kits

Original equipment steel lines are steel tubing, double-wrapped for strength, copper plated and specially coated to resist corrosion. Stainless steel lines are seamless 304-grade double-annealed tubing with a 6000 PSI bursting strength. All lines are pre-bent to original specifications for an exacting fit. Allow 5 to 6 weeks for delivery.

All brake line kits are oversized and require an additional shipping charge.

Brake Line Connectors

- 58-60 Brass, a special bolt (listed below) attaches this to the master cylinder, the brake light switch and one brake line thread into this..... **66-30936^Δ** **19.99** ea.
- 58-60 Special bolt, goes through the 66-30936 brass block..... **66-20305^Δ** **15.99** ea.
- 58-60 Copper washer, used on both sides of the 66-30936 block (2 required) **66-20301^Δ** **1.99** ea.
- 61-64 Brass, threads into the master cylinder, 3 brake lines thread into this..... **66-33825^Δ** **19.99** ea.
- 65-66 Brass, threads into the master cylinder, 2 brake lines thread into this..... **66-37759^Δ** **19.99** ea.

Bulk Brake Line

- ALL Steel, 3/16" diameter, 25' roll **66-67960^Δ** **18.99** ea.

Power Brake Booster Rebuild Kit

- 58-60 For under-dash Kelsey-Hayes bellows-type booster..... **66-30935^Δ** **79.99** kit

Power Brake Booster Pushrod Seal

- 60-64 At firewall, rubber **66-44062^Δ** **11.99** ea.

Brake Booster to Master Cylinder Spacer, Clip

- 61-64 Nylon plate, for screw type booster..... **66-33824^Δ** **19.99** pr.
- 61-64 Clip, nylon plate to booster..... **66-12756^Δ** **7.99** ea.

Power Brake Booster Check Valve

- 61-66 Includes gasket, not for boosters with screw-in type check valve..... **66-36174^Δ** **38.99** ea.

Remanufactured Power Brake Boosters and Master Cylinder Assemblies

Due to lack of rebuildable cores we must remanufacture your original power booster, or booster/master cylinder assembly. Simply send it in and in approximately 3 to 4 weeks we will send back your professionally rebuilt unit. We will disassemble, clean and replace any defective parts then bench test the unit for proper operation. Please remove all switches, fittings and attaching hardware before shipping. If your master cylinder has a metal screw-on cover, it will likely be replaced with a plastic cover. If you want to keep your original metal cover, do not send it in. **NOTE:** Parts for the Kelsey-Hayes bellows type under dash booster used from 1958-60 are no longer available.

For complete details and a printable service form please enter the MAC's part number into our easy to use website at MacsAutoParts.com.

- 59-60 Remanufactured power brake booster with master cylinder, dealer installed, **rebuild only**.....**66-51898^Δ** **274.99** ea.
- 1961 Remanufactured power brake booster with master cylinder, screw type, screws hold 2 halves of the booster chamber together, screws point toward radiator, **rebuild only**.....**66-51835^Δ** **209.99** ea.

Originally, T-Birds from 1961-63 used the screw type power brake booster, while 1964 used the band type. These two types however, are interchangeable.

- 61-64 Remanufactured power brake booster with master cylinder, clamp band type, **rebuild only**.....**66-51872^Δ** **224.99** ea.
- 61-64 Remanufactured Bendix power brake booster with master cylinder, screw type, screws hold 2 halves of booster chamber together, screws point into vacuum chamber, **rebuild only**.....**66-51874^Δ** **224.99** ea.

- 1965 Remanufactured power brake booster with master cylinder, push rod 2-7/8" to center of eye, twist lock type, **rebuild only**.....**66-51844^Δ** **209.99** ea.
- 65-66 Remanufactured Midland power brake booster with master cylinder, clamp band type, **rebuild only**.....**66-51883^Δ** **224.99** ea.

Universal Adjustable Proportioning Valve

This adjustable, anodized proportioning valve regulates rear brake pressure, helping to maintain correct brake bias between front and rear brakes. The easy to turn handle makes it simple to either increase or decrease rear brake pressure. This new valve is compatible with 3/16" and 1/4" Brake lines. A proportioning valve is necessary for all disc brake conversions, and having an adjustable one allows you the ability to regulate the rear brake pressure for the best possible performance.

- 58-66**66-73878^Δ** **62.99** ea.

Front Emergency Brake Cables

- 58-60 42" long.....**66-30951^Δ** **33.99** ea.
- 61-66 64" long.....**66-33835^Δ** **39.99** ea.

Emergency Brake Adjusting Nut

- 58-66 Emergency brake adjusting nut.....**66-19321^Δ** **7.99** ea.

Emergency Brake Equalizer Bracket and Rod

- 58-59 Bracket (shown).....**66-31095^Δ** **32.99** ea.
- 58-66 Rod, 7-1/2" long.....**66-69654^Δ** **11.99** ea.

Exhaust Manifolds and Studs

Thunderbird exhaust manifolds are prone to cracking. Many times, after they have been repaired, they crack again. Don't go through that cycle—save yourself all that down time and wasted labor and buy a brand new manifold from MAC's.

58-60 352, right.....**66-20314^A** **249.99** ea.

58-60 352, left (shown).....**66-20315^A** **287.99** ea.

61-62 390, flat flange type*, right.....**66-33697^A** **284.99** ea.

61-62 390, flat flange type*, left.....**66-33698^A** **284.99** ea.

63-64 390, donut type tapered flange*, right.....**66-35923^A** **284.99** ea.

63-66 390, donut type, tapered flange*, left.....**66-35924^A** **284.99** ea.

1965 390, donut type tapered flange*, right.....**66-37724^A** **284.99** ea.

* The flat flange type uses a flat gasket, the donut type uses a steel, or other material, "donut" that fits into the tapered flange.

Exhaust Manifold Gaskets

Originally Ford did not use any gasket between the exhaust manifold and the cylinder head. These are aftermarket replacements.

58-60 Exhaust manifold gaskets, 352.....**66-30702^A** **17.99** pr.

61-66 Exhaust manifold gaskets, 390 and 428, can be used with metal heat shields.....**66-39329^A** **0.00** pr.

61-66 Exhaust manifold gaskets, Fel-Pro, 390 and 428 FE With 14-Bolt Heads.....**66-81676^A** **49.99** set

Smithy's Mufflers

Remember that beautiful mellow tone of a Smithy glass pack all the hot rods used to have? Now your favorite ride can have that classic sound. Built today, they feature that nostalgic sound that only a Smithy's fiberglass-packed muffler produces. With a beautiful hammertone finish, 3-1/2" case diameter, either a 2" or 2-1/2" inlet and outlet and double end cap construction, not only do they look great, but they can be adapted to fit virtually any car or truck in your stable.

1962	1.75" pipe, without resonators.....	66-70072^A	559.99 kit
1962	2" pipe, with M engine.....	66-70073^A	555.99 kit
1963	Dual without resonators.....	66-70073^A	555.99 kit
1963	Single without resonator.....	66-70075^A	449.99 kit

Exhaust Hangers and Parts

- 61-63 Hanger, this is the loop and bracket part for the rear muffler, used on all 61-62 but only used with dual exhaust in 1963 **66-33844^A** **24.99** ea.

- 61-63 Hanger, right, used where the pipe goes over the axle, used on all 61-62 but only used with dual exhaust in 1963 **66-33846^A** **54.99** ea.

- 61-63 Hanger, left, used where the pipe goes over the axle, used on all 61-62 but only used with dual exhaust in 1963 **66-33847^A** **59.99** ea.

- 61-63 Exhaust bracket and bushing, includes through bolt and lock nut, used at the back of the muffler, from 6-20-61 (2 required)..... **66-36781^A** **17.99** ea.

- 64-66 Hanger, this is the loop and bracket part for the rear muffler **66-36782^A** **44.99** pr.
 64-66 Exhaust bracket and bushing, includes through bolt and lock nut, used at the front and the back of the muffler (4 required)..... **66-36781^A** **17.99** ea.

Exhaust Flange Flat Gasket

Quality reproduction part flat gasket exhaust flange gasket for 1958-62 left and right manifolds, and 1966-67 right valve to manifold.

- 58-66 **66-69604^A** **3.99** ea.

Exhaust Flange Donut Gasket

- 58-66 Fits FE engines using donut gaskets **66-69603^A** **3.99** ea.

Heat Riser Valve Assembly

- 58-60 352 V8..... **66-31319^A** **85.99** ea.

Heat Riser Spacer

- 1966 390 V8..... **66-39975^A** **37.99** ea.

Heat Riser Valve Assembly

- 66-67 390 V8 **66-39974^A** **84.99** ea.

Fast Idle Cam Lever

Applications of this lever were not consistent. You should check your car to make sure you can use this.

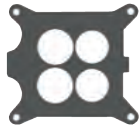

58-66 Straight type..... **66-36310^A** **17.99** ea. 

Needle and Seat

This new design needle and seat will cure the many ills of a conventional needle and seat. It helps to eliminate "flood over," dirt and rust sticking to the needle and gives a more consistent fuel level. All this adds up to better fuel economy and as an added bonus, it will outlast any currently available needle and seat. It is precision made and the inverted flare seat provides positive sealing and improved fuel control. The needle contains a high quality "fluorocarbon" alcohol resistant rubber disc that rotates in the end of the needle, thus insuring a positive seal every time. Install one in your carb and you'll reap the benefits from day one.

58-66 Needle and seat, for Ford Autolite "4100" series 4 bbl carbs..... **66-29975^A** **6.99** ea. 

Carburetor Spacers and Spacer Plate Gaskets

 
58-61 Carburetor spacer, 352 (shown)..... **66-31106^A** **73.99** ea.
1966 Carburetor spacer, 390 and 428..... **66-39976^A** **63.99** ea.
58-66 Spacer plate gasket, upper and lower, 352 and 390 with 4 bbl carburetor (2 required) (shown)..... **66-42273^A** **3.99** ea.
62-66 Spacer plate gasket, lower..... **66-34470^A** **3.99** ea.

Throttle Stop and Bumper

 
61-66 Throttle stop bumper, rubber..... **66-37845^A** **3.99** ea.

Choke Thermostat

1964 Carb tag #C4SF-B..... **66-36307^A** **19.99** ea. 

Automatic Choke Tubes and Insulators

How can you improve the look under your hood with 10 minutes of work? Install one of our reproduction choke tubes. The insulator is white and the ends are tarred like they were when your car rolled off the assembly line.

58-60 Tube with insulator, 352, steel as original..... **66-30704^A** **24.99** ea.
59-60 Tube with insulator, 430, steel as original..... **66-31395^A** **24.99** ea.
1961 Tube with insulator, steel as original..... **66-33756^A** **24.99** ea.
1962 Tube with insulator, steel as original..... **66-34916^A** **24.99** ea.
63-64 Tube with insulator, steel as original..... **66-36025^A** **24.99** ea.
1965 Tube with insulator, steel as original..... **66-37844^A** **24.99** ea.
1966 Tube with insulator, steel as original..... **66-39973^A** **24.99** ea.
64-66 Insulator, white with tarred ends..... **66-36964^A** **14.99** ea.

Universal Choke Tube Kit

64-66 Includes tube, new fittings and a white outer sleeve..... **66-20466^A** **19.99** ea. 

Air Cleaner Wing Nuts

 
58-60 Thumb screw, as original..... **66-69211^A** **6.99** ea.
61-66 1/4"-20 thread..... **66-14310^A** **2.49** ea.

Carburetor Top to Air Cleaner Gasket

62-63 "D" shaped gasket, for 3x2 bbl set-up (3 required)..... **66-33546^A** **6.99** ea. 

3x2-Barrel Carburetor Linkage

62-63 Linkage rod kit, includes all the linkage pieces for 390 3x2 barrel set-up, 4-piece kit ..... **66-33416^A** **69.99** kit

Cruise Control Bellows

If your car was equipped with cruise control the bellows might be suffering from dry rot. Our new rubber bellows can cure your cruise control woes.

64-66 Cruise control bellows, rubber, 3" diameter..... **66-41720^A** **36.99** ea.

Fuel Pump to Carburetor Lines

58-60 352 (shown)..... **66-31080^A** **28.99** ea.
1961 2 pieces, 390..... **66-33954^A** **32.99** ea.
62-63 390 with 4 bbl carburetor..... **66-34914^A** **28.99** ea.
62-63 390 with 3x2 bbl carburetors..... **66-33544^A** **36.99** ea.
1964 390..... **66-36962^A** **27.99** ea.
65-66 390 and 428..... **66-37842^A** **24.99** ea.

Fuel Pump Mounting Gasket and Glass Bowl Gasket

 
58-66 352, 390, 428 and 430..... **66-35462^A** **2.49** ea.
58-59 Gasket, for glass bowl on original fuel pump..... **66-24760^A** **0.99** ea.

Flexible Fuel Line

1958 Main line to pump **66-12383^A** **12.99** ea.

Fuel Line Fitting Sealer

Put this high temperature thread sealant directly on threads to prevent leaks. Contains Teflon, making it resistant to E10 ethanol fuels, coolants and hydraulic fluids.

ALL 6 ml tube..... **66-52347^{A*}** **5.99** ea.

Fuel Log Assembly

62-63 "M" series engine with 3x2 bbl carburetors **66-33421^A** **59.99** ea.

In-Line Fuel Filter Parts

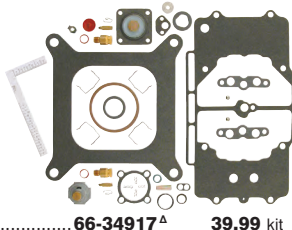

58-59 Filter element, for in-line glass bowl fuel filter, includes rubber gasket.... **66-30476^A** **6.99** ea.
58-59 Fuel filter bracket, 352, includes clip **66-28289^A** **7.99** ea.

Fuel Pump Vacuum Lines

58-59 Fuel pump to manifold, plain steel, 352.. **66-30700^A** **19.99** ea.
58-59 Same as above, **except** stainless steel..... **66-30701^A** **17.99** ea.
58-59 Fuel pump to wiper motor, plain steel..... **66-31081^A** **17.99'**
58-59 Same as above, **except** stainless steel..... **66-31082^A** **22.99'**

Carburetor Tune-up Kit

58-66 352 or 390 with a Ford 4 bbl, does not include secondary diaphragm (listed below) or return spring..... **66-34917^A** **39.99** kit

Carburetor Secondary Diaphragms

Since the 4100 series 4 bbl carburetors are now close to 60 years old, it stands to reason that most have been rebuilt. Sometimes the rebuilder might have used what they had available, correct or not. The "early" style has a steel secondary diaphragm actuator arm and the "late" style has a plastic arm. The "early" style is no longer available, but you can use the "late" style as long as you replace the steel actuator arm with a plastic one. Please take a look at the actuator arm so you know exactly what you need before placing your order.

58-66 Late style, uses a plastic actuator arm..... **66-30759^A** **19.99** ea.
58-66 Plastic actuator arm, this is a replacement for the early style steel arm that is no longer available..... **66-37462^A** **7.99** ea.

Aftermarket In-Line Fuel Filter

We all know that impurities in gasoline can wreak havoc on your carburetor, so we are offering a glass bodied filter that will allow you to see just what exactly is traveling through your fuel lines. An added bonus is that it can be taken completely apart, cleaned and put right back into service.

ALL Glass tube with chrome plated ends that have 5/16" hose nipples (in and out) **66-61418^A** **9.99** ea.
ALL Replacement filter element for above glass filter, includes 2 filters and 4 rubber O-rings **66-61419^A** **7.99** set

That lock ring or "O" ring seal has probably been on your gas tank for forty plus years. They can be brutal to remove and many times resemble a pretzel when you finally get them out. Plan ahead, if you are replacing the sending unit, order a lock ring at the same time.

Gas Tank Sending Unit "O" Rings and Lock Rings

58-60 "O" ring..... **66-31329^A** **3.99** ea.
61-66 "O" ring..... **66-44209^A** **3.99** ea.
58-60 Lock ring..... **66-29967^A** **12.99** ea.
61-66 Lock ring..... **66-44349^A** **7.99** ea.

Gas Tank Sending Unit Floats

One of the most common causes of an ineffective dash fuel gauge is simply a defective float. Over time they develop holes where they are soldered together and fill up with gas. If that is the cause, put a MAC's replacement on the arm of your sending unit and your gas gauge will work again!

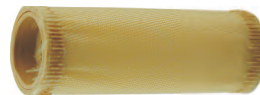

Brass, just like the original!

58-66 Snaps onto arm..... **66-44344^A** **6.99** ea.
58-66 Special solid design by Stewart-Warner.. **66-44345^A** **12.49** ea.

Gas Tank Sending Unit Filters

Attention owner's of 1963 Thunderbirds – if your car has an early build date (before 9-5-62) and has the original sending unit, the filter will be 5/16" ID. If the sending unit has been replaced, it will likely have the 3/8" ID filter as the service replacements all used the 3/8" ID filter.

61-E63 5/16" ID, before 9-5-62 (shown) **66-45087^A** **19.99** ea.
L63-66 3/8" ID, reproduction, from 9-5-62 **66-45074^A** **14.99** ea.

ETHANOL (E10) INFO/ADVISORY

Please note: With Ethanol (E10) fuels being commonplace in many areas, MAC's is doing all we can to provide the very best alcohol-compatible parts currently available. The long-term effects of this additive upon our classic vehicles are yet to be realized.

With any new carburetor or gasket kit, we strongly recommend a high-quality filter and that it be changed on a frequent basis, as well as using a fuel stabilizer (part # 66-52310) for any long-term storage.

Fuel Pump to Carburetor Lines

The Right Stuff Detailing offers you the best fitting, most exact reproduction fuel lines on the market today. They utilize state-of-the-art CNC benders and automated end-forming machines that double flare lines with remarkable consistency. Right Stuff Detailing fuel lines are available in OEM steel or stainless steel and provide you with highest quality, longest-lasting, best fitting fuel lines you'll find for your car. If you're going to do it, do it right!

oversize/overweight—requires additional shipping charges

Prop 65 warning for California residents, see inside front cover for details

The cooling system is one of the hardest working systems on any vehicle. When you think about the constant heat and pressure of coolant flowing through hot water jackets, rubber hoses, the water pump itself and the radiator, it's easy to understand how leaks and other failures are so common. Yet when it's working properly, our cooling system is often "out of sight and out of mind." Keep a close eye on the many components of the cooling system on your car and keep your friendly and reliable Thunderbird engine cool and happy!

Expansion Tanks

No more trying to weld the seam leaks, no more hoping the used one you have lasts the "season."

58-60	Except 430.....	66-31103^Δ	224.99 ea.
61-65	The filler neck is on the right (passenger) side, includes gasket.....	66-33543^Δ	209.99 ea.
65-66	The filler neck is on the left (driver's) side, includes gasket.....	66-39481^Δ	219.99 ea.

Water Temperature Sending Units

Your water temperature sending unit has the vital job of keeping you informed of how things are going inside the critical water jackets of your engine. It is your best tool for avoiding a dangerous overheating situation. Be sure that corrosion and age don't keep your sending unit from functioning properly and make sure that all wiring is properly connected and in good condition. Replace that old unit with a fresh new one, for reliability and peace of mind.

58-59	Adapter, 352 V8.....	66-31315^Δ	29.99 ea.

1966	From 9-1-65.....	66-39338^Δ	0.00 ea.

Cooling System Zinc Anode

Sacrificial anodes are created from a metal alloy with a more negative electrochemical potential than the other metal it will be used to protect. The sacrificial anode will be consumed in place of the metal it is protecting, which is why it is referred to as a "sacrificial" anode. This will protect aluminum most of all but also cuts down on steel corrosion. This one is simple to install. Simply remove the radiator petcock or plug, and screw this in. That's it! Of course not all radiators have the 1/4" NPT 'bung' for a petcock so make sure yours does before you order this great item.

58-66	66-379337^Δ	27.99 ea.

Mega Copper Sealant

This is the solution to those times when a gasket just doesn't seal and is used in many places on most new cars built today. It replaces cork, rubber or any other type of cut gasket to form a leak-proof seal. Exceeds O.E.M. standards, resists oil, water, antifreeze mixture, grease and transmission fluid. Use it on water pumps, exhaust manifolds, valve covers, timing gear covers, transmission pans, water neck outlets or any place a high performance gasket is needed.

ALL	Mega copper sealant, 3 oz. tube.....	66-23701^A	7.99 ea.
-----	--------------------------------------	-----------------------------	-----------------

A common fan belt problem occurs when belts jump off of pulleys, especially under hard acceleration. Belts are often ruined this way, being torn or stretched out of shape. Remember that all pulleys must be aligned exactly with each other. Your belt should look like a perfectly straight line when you stand back and sight down the front edge of the belt from one pulley to

another. If you notice a slight bend or change of direction in the belt where it passes into the groove of a pulley, it will probably jump off under high RPM's. Align those pulleys as perfectly as possible. You might need to replace a bracket, or use shims on mounting bolts. Whatever it takes, get those pulleys lined up correctly and your fan belts will live longer. Your T-Bird will thank you.

Our low cost belts are perfect for the daily driver. The quantity required is one unless otherwise stated.

58-60	With air conditioning, 7 pieces	66-30934 ^A	44.99 kit

Heater Hoses and Parts

58-66	Heater hose, 5/8" inside diameter, sold by the foot (<i>as required</i>)	66-12111 ^A	1.99 ea.
58-66	Reproduction heater hose set, 5/8" ID with white stripe and correct grooves, two 4 foot long pieces	66-38269 ^A	23.99 set
62-66	Heater hose Y-pipe, heater hose to carburetor spacer, late 62-66 (shown)	66-34828 ^A	13.99 ea.

Heater Hose Clamps

62-66	Tower hose clamp set, includes all 12 heater hose clamps, correct reproduction	66-34909 ^A	36.99 set
58-66	Tower hose clamp, for heater hose, correct reproduction (<i>as required</i>)	66-50888 ^A	3.99 ea.

Heater Hose Connectors

58-60	3/8" thread, 20° bend (1 or 2 required)	66-19301 ^A	8.99 ea.
1960	3/8" thread on one end and a hose nipple on the other, exact reproduction	66-19829 ^A	11.99 ea.

Heater Hot Water Control Valves

58-60	Vacuum operated	66-29626 ^A	120.99 ea.
61-66	Cable operated	66-34827 ^A	61.99 ea.
64-66	Vacuum operated	66-69284 ^A	44.99 ea.

Heater Hot Water Control Valve Kits

While this kit does not look like the original, it does do the same job. The new shutoff valve is placed in the engine compartment so it's obvious that you are using a replacement setup. The beauty of this kit is that it is less than you would pay for a rebuilt original valve and as it's all brand new parts, it will likely outlast the car. Each kit includes a new pipe and fitting with a rubber seal to attach to your core, a new valve and a new cable.

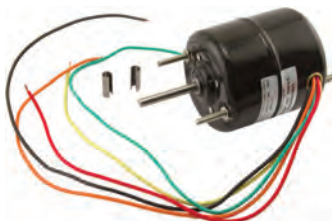

58-60	Replacement style	66-30920 ^A	89.99 kit
61-63	Replacement style	66-33809 ^A	89.99 kit

Heater Hot Water Control Valve Seal

58-63	Heater hot water control valve to heater core seal, rubber	66-29647 ^A	3.99 ea.
-------	--	-----------------------	----------

Heater Blower Motors

1960	With or without A/C	66-28566 ^A	139.99 ea.
61-63	Non-vented, without A/C	66-12120 ^A	74.99 ea.

Heater and Air Conditioning Control Cables

Replace those "cranky" old cables with our smooth operating reproductions and you'll have your cables operating like new.

61-63	Cable, heater temperature control	66-33810 ^A	19.99 ea.
64-66	Cable, heater temperature control	66-36750 ^A	19.99 ea.
64-66	Cable, on and off, heater and defroster control	66-36749 ^A	19.99 ea.
58-63	Heater control cable retaining clip (shown)	66-30923 ^A	5.99 ea.

Fresh Air Inlet Ducts

Peel all that "temporary" duct tape off and install a beautifully reproduced air inlet duct today! The "squeeze" type wire clip is molded into the duct as original for a look that can't be told from factory new.

61-63	Duct, with or without A/C	66-33718 ^A	43.99 ea.
64-66	Duct, with A/C	66-33718 ^A	43.99 ea.

Perfect Fit Air Conditioning System

Engineered specifically to use the original Thunderbird heater controls and dash louvers while providing you with powerful air conditioning, heat on the floor, and dehumidified defrost. The air conditioning and defrost connect to the original heater-defrost diffusers. The "Perfect Fit" air conditioning system is designed specifically to bolt into your Thunderbird with minimum modification to your vehicle. Each kit comes with detailed, easy-to-follow installation instructions and mounting template.

58-60	66-95040^Δ	1499.99	kit
61-63	66-95041^Δ	1499.99	kit
64-66	66-95042^Δ	1509.99	kit

Defroster Hoses

61-66	2-1/2" ID, sold in 3 foot lengths, customer must cut to fit (as required)	66-27069^Δ	49.99	ea.
65-66	Without A/C.....	66-37753^Δ	29.99	ea.

Air Conditioner Compressors

These compressors are aftermarket replacements for the York and Tecumseh O.E.M. factory-installed units, not dealer-installed "hang-on" units. They do not include external parts such as the clutch, any brackets or connectors, etc. No core exchange is required.

Remanufactured

58-62	Cast iron case, Tecumseh	66-12174^Δ	218.99	ea.
63-66	Aluminum case, York	66-12176^Δ	292.99	ea.

New

63-66	Aluminum case, York	66-12175^Δ	299.99	ea.
-------	---------------------------	-----------------------------	---------------	-----

All the experts agree that when you are changing the compressor, you should also replace the receiver/drier at the same time. See our receiver/driers in the next column.

Air Conditioner Compressor Crankshaft Seal Kit

65-66	For York compressor	66-42721^Δ	26.99	kit
-------	---------------------------	-----------------------------	--------------	-----

Compressor Clutch Brush Assembly

65-66	66-42238^Δ	36.99	ea.
-------	-------	-----------------------------	--------------	-----

Air Conditioner Blower Motor Vent Hoses

The double 90° bend hose pulls cooled air from inside the car, which helps to cool the blower motor.
The single 90° hose directs cooled air into the engine compartment.

61-66	Vent hose, 90° bend	66-44240^Δ	9.99	ea.
61-66	Vent hose, double 90° bend	66-44239^Δ	7.99	ea.

Intake Manifold Water Fitting

61-65	With integral air conditioning	66-36752^Δ	39.99	ea.
-------	--------------------------------------	-----------------------------	--------------	-----

Air Conditioner Receiver/Driers

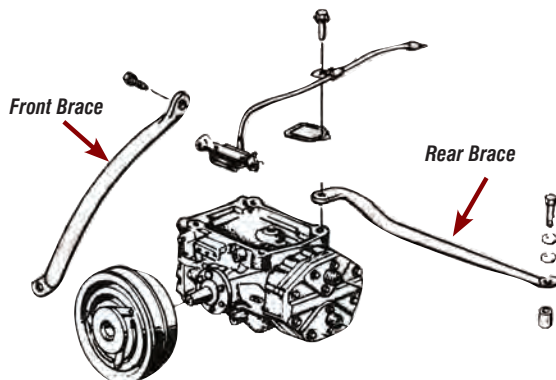

Experts recommend that you replace the receiver/drier any time an A/C connection is opened up. To help you complete your A/C service, we now carry a full line of brand new receiver/driers, all made to factory specifications so you'll know they will look right and they will work right!

58-60	Air conditioner receiver/drier	66-44754^Δ	132.99	ea.
61-65	Air conditioner receiver/drier	66-34829^Δ	129.99	ea.

1966	Air conditioner receiver/drier	66-39917^Δ	129.99	ea.
------	--------------------------------------	-----------------------------	---------------	-----

Air Conditioner Compressor Support Braces

Whenever someone removes a complete air conditioning system from a car, the items that always seem to get misplaced are the braces and spacers for the compressor. The problem is that you can't mount the compressor without these and they are unique to '64, '65 and '66. These braces all have a durable powder-coated finish so they will look good for years to come.

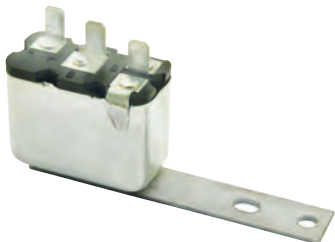

1964	Support brace, for the front of the A/C compressor	66-36175^Δ	29.99'
1964	Support brace, for the rear of the A/C compressor	66-36772^Δ	29.99'
1965	Support brace, for the rear of the A/C compressor	66-37184^Δ	19.75 ea.

Air Conditioner Vacuum Canisters

61-65	Double nipple type	66-37168^Δ	57.99	ea.
1966	Single nipple type.....	66-39918^Δ	56.99	

Convertible Top Relays

All 1961 through 1966 T-Birds use 8 relays to control the various functions required to raise and lower the top. The 1960 T-Bird used 10 relays! A bad relay will bring the whole process to a grinding halt. We now carry reproduction relays to keep your top in working order. Our Convertible Top Repair and Adjustment Manuals listed in our book section will help you troubleshoot and pinpoint problems.

1960 3 contact posts, right **66-44750^A** **66.99** ea.

"TOP" embossed in black..... **66-50434^A** **17.99** ea.

61-62 Escutcheon plate for convertible
top switch, chromed plastic **66-33641^A** **11.99** ea.

Ignition Switches and Bezels

58-60 Does not include bezel, lock
cylinder or keys **66-26925^A** **29.99** ea.

61-64 Does not include bezel, lock
cylinder or keys **66-34996^A** **24.99** ea.

65-66 Does not include bezel, lock
cylinder or keys **66-37102^A** **28.99** ea.

1964 Chrome bezel..... **66-36659^A** **29.99** ea.
65-66 Chrome bezel..... **66-37728^A** **29.99** ea.

65-66 Tool, the 3 pins grip into the 3 slots on the
bezel making removal easy **66-39496^A** **13.99** ea.

65-66 Tool, made from solid billet aluminum
this tool has 3 ridges that grip into the
3 slots on the bezel and it also has a
hex end so you can use a 7/8" wrench if
necessary **66-39497^A** **14.99** ea.

Ignition Switch Repair Plug and Wires

Includes the plug for the back of the ignition switch and wires to splice into
harness.

61-63 **66-33758^A** **37.99** ea.
64-66 **66-44473^A** **36.99** ea.

Ignition Switch Lock Cylinders and Keys

MAC's carries ignition and door lock sets so you can have matching keys, see Door Parts section.

58-60	2 keys, fits into 66-26925	66-31133^A	11.99 ea.
58-60	Ignition switch lock cylinder and 2 reproduction Ford script keys, fits into 66-26925	66-31134^A	149.99 ea.
61-64	2 keys, fits into 66-34996, listed on previous page	66-34997^A	15.99 ea.
65-66	2 keys, fits into 66-37102, listed on previous page	66-42678^A	9.99 ea.

Windshield Wiper Knobs

1958	Knob, Black with silver insert	66-29608^A	8.49 ea.
1959	Knob, White with gold insert	66-30620^A	8.49 ea.
1960	Knob, White with silver insert	66-31187^A	9.99 ea.

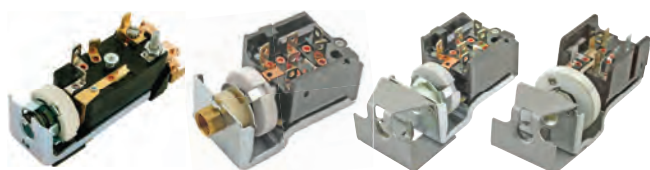

Windshield Washer Switch Housing

This heavier plastic housing replaces the thin-walled original when it becomes cracked and your washers no longer work.

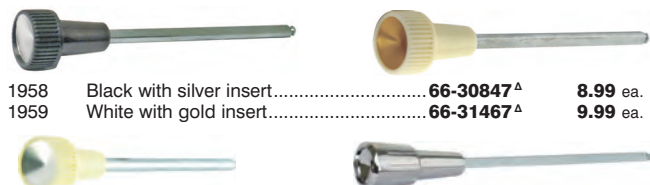

64-66	66-36729^A	11.99 ea.
-------	-------	-----------------------------	------------------

Headlight Switches

58-60	Headlight switch, except 1960 convertible, 2 fuse holders at the back of the switch, the upper is for the dome light and the lower is for the turn signals	66-31322^A	59.99 ea.
61-63	Headlight switch	66-35929^A	39.99 ea.
1964	Headlight switch	66-37048^A	69.99 ea.
65-66	Headlight switch	66-37730^A	59.99 ea.

Headlight Switch Knobs and Shafts

1958	Black with silver insert	66-30847^A	8.99 ea.
1959	White with gold insert	66-31467^A	9.99 ea.
1960	White with silver insert	66-44734^A	8.99 ea.
61-63	Chrome	66-33701^A	19.99 ea.

Headlight Switch Inner Bezel Nut

58-60	66-30238^A	17.99 ea.
-------	-------	-----------------------------	------------------

Dimmer Switches and Cover

58-60	Headlight dimmer switch	66-29994^A	21.99 ea.
61-72	Headlight dimmer switch	66-44832^A	11.99 ea.
58-66	Rubber cover, a copy of an original accessory	66-38087^A	6.99 ea.

Turn Signal Switch Pawl

58-63	Turn signal switch pawl	66-12704^A	7.99 ea.
-------	-------------------------------	-----------------------------	-----------------

Turn Signal Switch Canceling Cams

58-62	66-49615^A	9.99 ea.
-------	-------	-----------------------------	-----------------

Turn Signal Switches

No more searching for good used switches at swap meets, these are brand new. Install 'em and forget 'em!

58-60	66-71090^A	99.99 ea.
61-63	(shown)	66-34807^A	79.99 ea.
1964	Includes wiring (shown)	66-36666^A	124.99 ea.
65-66	Includes wiring	66-37731^A	69.99 ea.

Turn and Emergency Signal Flashers

58-66	Turn signal flasher	66-37110^A	7.99 ea.
65-66	Emergency flasher	66-39188^A	6.99 ea.

4-Way Flasher Switch

1966	Located in the roof console	66-39901^A	47.99 ea.
------	-----------------------------------	-----------------------------	------------------

Turn Signal Levers

1958	Chrome shaft with black knob	66-30858^A	17.99 ea.
1959	Chrome shaft with white knob	66-31468^A	17.99 ea.
1960	Chrome shaft with white knob	66-44735^A	17.99 ea.
61-62	Chrome, before 1-18-62 (shown)	66-33761^A	19.99 ea.
62-66	Chrome, from 1-18-62	66-34806^A	17.99 ea.

63-66	Chrome shaft with black knob, from 1-18-62, Ford service replacement (shown)	66-45902^A	24.99 ea.
-------	--	-----------------------------	------------------

Emergency Flasher Relays

These relays are found in the trunk next to the sequencer package only in 1966 and only in the Town Coupe and Landau models with an overhead console.

1966	4 wire plug.....	66-39887^Δ	59.99 ea.
1966	3 wire plug.....	66-39888^Δ	69.99 ea.

All-In-One Sequential Relay

This is a one-step replacement for the sequential components in the trunk. It replaces the sequential flasher, the sequential relay and the stop light relay. This single unit has plug connections that match the car's wiring harness.

1966	66-69311^Δ	212.99 ea.
------	-------	-----------------------------	-------------------

Brake Light Switches and Wires

58-64	Mounts on the master cylinder	66-33447^Δ	9.99 ea.
65-66	Mounts under the dash on the brake pedal arm	66-37734^Δ	42.99 ea.

ALL	Economy replacement, consists of 2 90° plugs with wire leads with bullet connectors, while this is not a correct part, it will work if you remove the bullet connectors and splice the wire leads into your harness.....	66-26977^Δ	14.99 ea.
58-64	Correct molded waterproof plug with 2 wire leads.....	66-11501^Δ	24.99 ea.

Brake Light Relays

1964	66-36094^Δ	49.99 ea.
65-66	Before 11-17-65, mounts in the trunk as part of the sequential package..	66-37736^Δ	49.99 ea.
1966	After 11-17-65, mounts in the trunk as part of the sequential package..	66-40669^Δ	64.99 ea.

Body Wiring Harnesses

58-60	With turn signal wires, 24 terminals, coupe.....	66-44741^Δ	185.99 ea.
58-59	36 terminals, without brake relay Convertible	66-31471^Δ	394.99 ea.

Door Wiring Shields

58-60	Door wiring shield, right	66-28072^Δ	29.99 ea.
58-60	Door wiring shield, left	66-28073^Δ	29.99 ea.

Wire Looms (as required)

ALL	1/4" ID, black flexible cloth.....	66-62821^Δ	0.99 ft.
ALL	5/16" ID, black flexible cloth.....	66-62822^Δ	0.99 ft.
ALL	1/2" ID, black flexible cloth.....	66-62823^Δ	0.99 ft.

Wire Loom Retainers

ALL	Wiring harness clip, plastic (as required)	66-14395^Δ	0.49 ea.
ALL	Wiring harness clip, plastic (as required)	66-14472^Δ	6.99 ea.
58-60	Firewall grommet retainer	66-19230^Δ	9.99 ea.

Wiring Hardware

61-63	Engine compartment wire loom fastener set, 8 round black plastic clamps and 8 hex washer-head screws, for left side of engine compartment.....	66-13537^Δ	9.49 set
64-66	Engine compartment wire loom fastener set, 16 round black plastic clamps and 16 hex washer-head screws	66-13538^Δ	15.99 set

Glass Tube Fuses

We used to all carry "spare" glass tube fuses in our glovebox but now most stores don't even carry them. MAC's knows you might need them so we carry them for your convenience. Place your order so you have spares, "just in case." We suggest you look in your owner's manual for the exact application for each fuse and order accordingly.

58-62	AGC-15, set of 5 pieces	66-22404^Δ	3.99 set
58-66	SFE-14, set of 5 pieces	66-25367^Δ	5.99 set
1959	AGA-2, set of 5 pieces	66-15711^Δ	6.99 set
1964	AGW-15, set of 5 pieces	66-36678^Δ	3.99 set
64-66	SFE-20, set of 5 pieces	66-25368^Δ	6.99 set

Circuit Breakers

Some circuits had the additional protection of a circuit breaker. Used mostly for the power convertible top, they are also used in the power seat and window circuits. If you need a circuit breaker, chances are we have it!

60-64	10 amp.....	66-11606^Δ	9.99 ea.
60-66	15 amp.....	66-11607^Δ	9.99 ea.

ALL Assists in removing broken, brittle or corroded bulbs from sockets **66-56536^Δ** 24.49 ea.

ALL Dielectric grease, Permatex brand, .33 oz., get protection from salt, dirt and corrosion with just a tiny amount of this grease. It is so efficient, it will prevent voltage leakage around any electrical connection. Use it in your bulb sockets and spark plug boots and extend their life too. This is great stuff, get yours today..... **66-52313^Δ** 6.99 ea.

Understanding the codes on your patent plate can make it easier to order the correct parts for your restoration project. The most important codes are explained below. For paint, trim and DSO codes, order the Thunderbird ID Decoder Manual, 1955–70 (part # 66-32570).

Patent Plate Location

1955–57: on the firewall (cowl) inside the engine compartment

1958–62: on the left front body pillar

1963–66: on the latch face of driver's door

Body Codes

1955–57:

40A = Thunderbird

1958–61:

63A = 2-door hardtop

76A = convertible

1962–63:

63A = hardtop

63B = Landau hardtop (vinyl roof)

76A = convertible

76B = convertible sports roadster (after 2/2/62)

1964:

63A = hardtop

63B = Landau hardtop (vinyl roof)

76A = convertible

1965:

63A = hardtop

63B = Landau

76A = convertible

1966:

63A = hardtop (conventional roof)

63C = town hardtop

63D = town landau

76A = convertible

Production Date Code or Date of Manufacture

1958–66: date is listed by day and month (see letter codes below)

A = January E = May J = September

B = February F = June K = October

C = March G = July L = November

D = April H = August M = December

Transmission Codes

1955–57:

1 = 3-speed manual

2 = overdrive

3 = Ford-O-Matic

1961–65:

4 = Cruise-O-Matic

1958–60:

1 = manual

2 = overdrive

4 = Cruise-O-Matic

1966:

4 = C6

8 = Cruise-O-Matic

Rear Axle Codes

1955–57:

0 = 4.11:1

1 = 3.10:1

2 = 3.56:1

3 = 3.70:1

4 = 3.89:1

5 = 2.91:1

6 = 2.69:1

1960:

3 = 3.10:1

8 = 2.91:1

9 = 3.70:1

1961:

6 = 3.00:1

3 = 3.10:1

H = 2.91:1

(locking)

1962–63:

1 = 3.00:1

A = 3.00:1

(equa-lock)

1958:

1 = 3.10:1

3 = 3.70:1

1959:

1 = 3.10:1

3 = 3.70:1

4 = 2.91:1

1964–65:

1 = 3.00:1

1966:

1 = 3.00:1

3 = 3.20:1

6 = 2.80:1

Lowest Price Guarantee

MAC's Guarantee is simple: You always get the best quality parts at the lowest price! Show us the identical item advertised in any current magazine, catalog, or website and we'll match our competitor's current price, guaranteed! This offer is available only at the time of purchase and applies to in-stock merchandise only. We can't combine this with any other offer. Tires, restoration services, kits, window glass, cores, reproduction batteries, certain engines, transmissions, used parts, special order parts, and shipping and handling charges are excluded.

Find the Latest Prices on our Website

Prices in this catalog were correct at the time of printing but are subject to change. Visit MacsAutoParts.com for the latest up-to-the-minute pricing as well as hundreds of items not appearing in this catalog. MAC's is not responsible for pricing changes, errors, or omissions in this catalog or online. Prices are subject to change without notice.

100% Satisfaction Guaranteed

Our commitment to you: If for any reason you are not 100% satisfied with any of our products, return them for a full refund, credit or exchange—your choice.

Best Parts, Best Price

This is not just a slogan! MAC's is committed to providing the highest quality parts at the most competitive prices. We source and select all of our parts exclusively from the world's leading brand name manufacturers using our massive buying power. This means you get the best there is, at the best prices in the market today.

Shipping and Handling

Check MacsAutoParts.com for current shipping and handling estimates. In the catalog, denotes items that ship via truck, and denotes oversized dimensions or weight, which incur additional charges.

Gift Certificates

Perfect for when you just can't decide. Available in many different amounts from \$25 right up through \$1,000. Redeemable for any items we sell.

Need it Fast?

Have your order delivered within 1 or 2 business days by using Express Shipping! Express Shipping is limited to in-stock, non-oversized items weighing less than 20 pounds. Orders must be placed Monday–Friday before 1:00 p.m. EST. Please contact our sales team for rates.

Same-Day Processing

Standard U.S. order processing time for in-stock items is 24 hours. If you need your order processed the same day, call us Monday–Friday before 1:00 p.m. EST and request same-day processing. For a small charge we'll provide special processing of all in-stock parts the same day.

Limited Warranty

MAC's will not be responsible for any damage or loss caused by delays, failures, consequential damage, labor, transportation, or any other charges incurred in the replacement or repair of a defective item. MAC's is not responsible for any consequences resulting from the installation of any parts.
