

Dayco® ela belt tool instructions

Courroie Dayco ELA directives d'installations avec l'outil
Instrucciones de la Heramienta para la Banda Dayco ela

Installation / L'Installation / Instalación

Storing product above 100°F/38°C could result in belt shrinking, affecting installation

L'entreposage du produit à plus de 38 oC/100 oF peut faire rétrécir la courroie et rendre l'installation difficile

Almacenar el producto arriba de 100°F/38°C podría resultar en el encogimiento de la banda, afectando su instalación
